"Follow me, and I will make you fishers of men." These are the words of one of the greatest leaders in the course of time. To Him and many other leaders that have left their mark in the pages of history, we look for the qualities that make one a good leader.

Every leader has a quality of magnetism about his personality that draws others to follow him. It is an enthusiastic air about him which encourages those around him to do a good job. It is a fire within an individual that spreads and warms the hearts and minds of everyone with whom he comes in contact.

By necessity, there are leaders in every facet of school life. There are the class presidents, secretaries, and treasurers. The editors of the *Legend* and the *Chieftan* are leaders. Leaders in the area of sports and pep are the captain of the basketball team and the head cheerleader. The Drum Major and the Majorettes are the leaders of the band. The Student Council president is the leader of the student body. Leaders in academic ability are members of the National Honor Society and the Scholarship Team.

It is evident that the school is a place where many leaders are found. By providing opportunities to exercise and develop the qualities required of a leader, the school fulfills our society's need for able leaders.

The many shapes, sizes, and
faces of students at Indian
Hill High School.

A student is a seeker of knowledge. His purpose is that of bettering himself so he can function effectively in a complex and changing world. The school provides the foundation for a student's learning processes.

Learning is not restricted to the classroom. A person can learn in a library, in a singing group, in a lounge or lunchroom, the heat of a wrestling match, in the locker room after gym class, or in the quiet of a detention hall after school.

Everywhere there are opportunities for learning. To be a student is to recognize and take advantage of every chance to learn.

a participant . . .

i
h

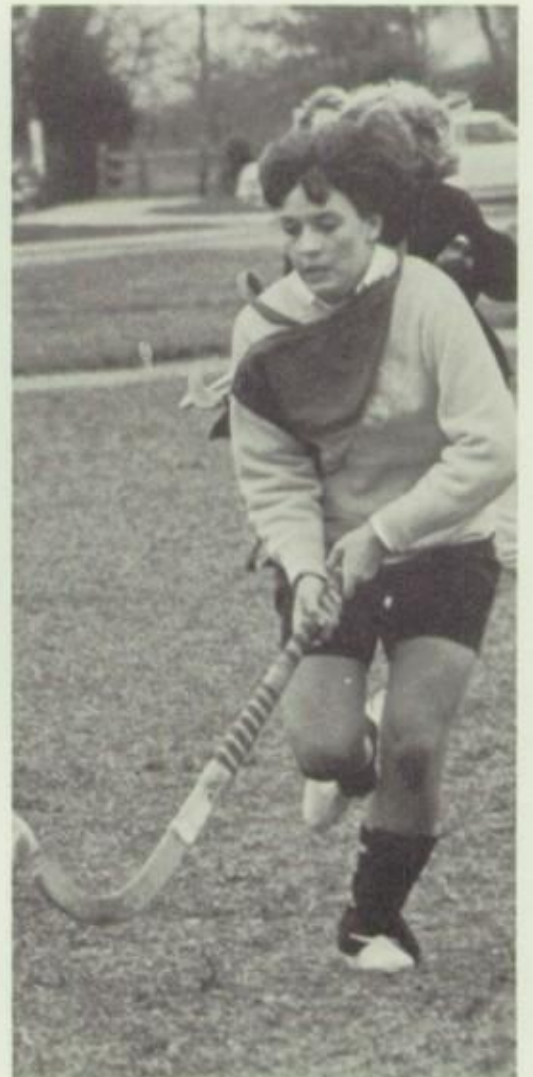

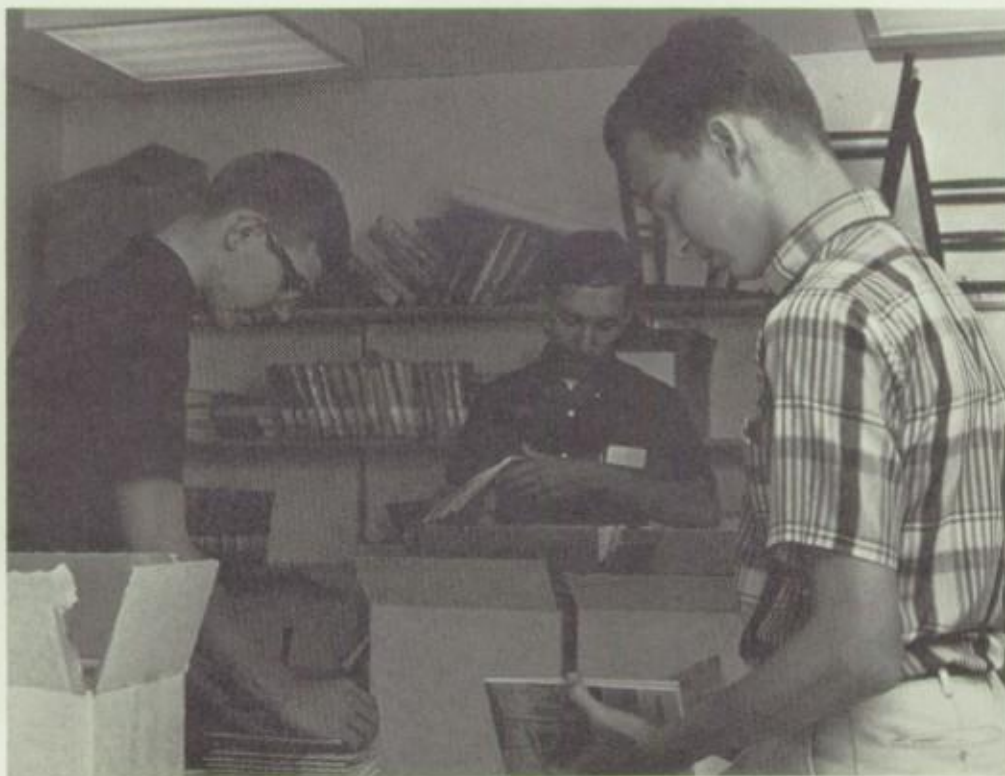

Knowing how to participate effectively in a group is a primary source of personal achievement and satisfaction. In order to participate effectively, a person must have a liking and an understanding for people, a talent that can be useful to the group, and the desire to achieve the goal that the group is striving for.

Everyone, just by the mere circumstances of his life is a member of some type of group every day. However, only a few people are really dedicated to their group. These are the people who work to achieve goals which may not bring personal glory, but recognition to their group as a whole.

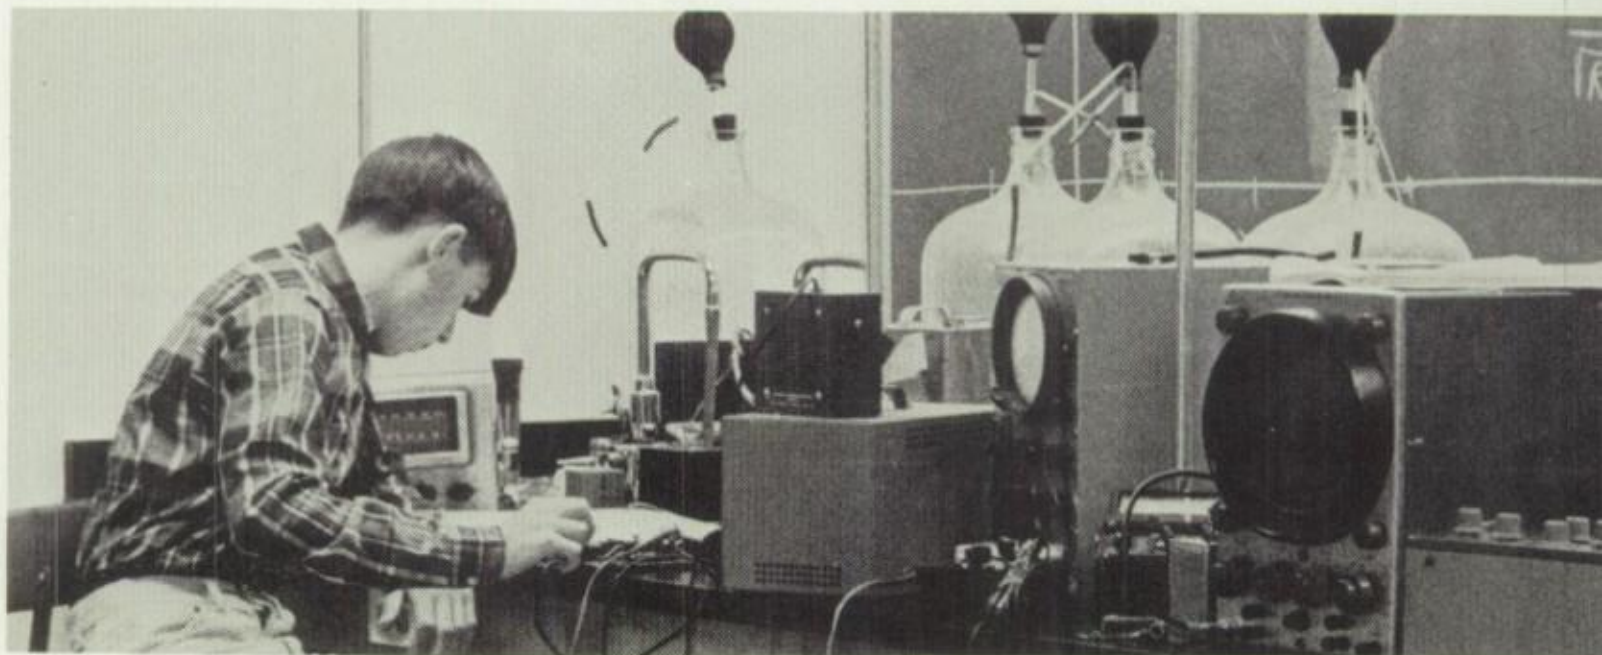

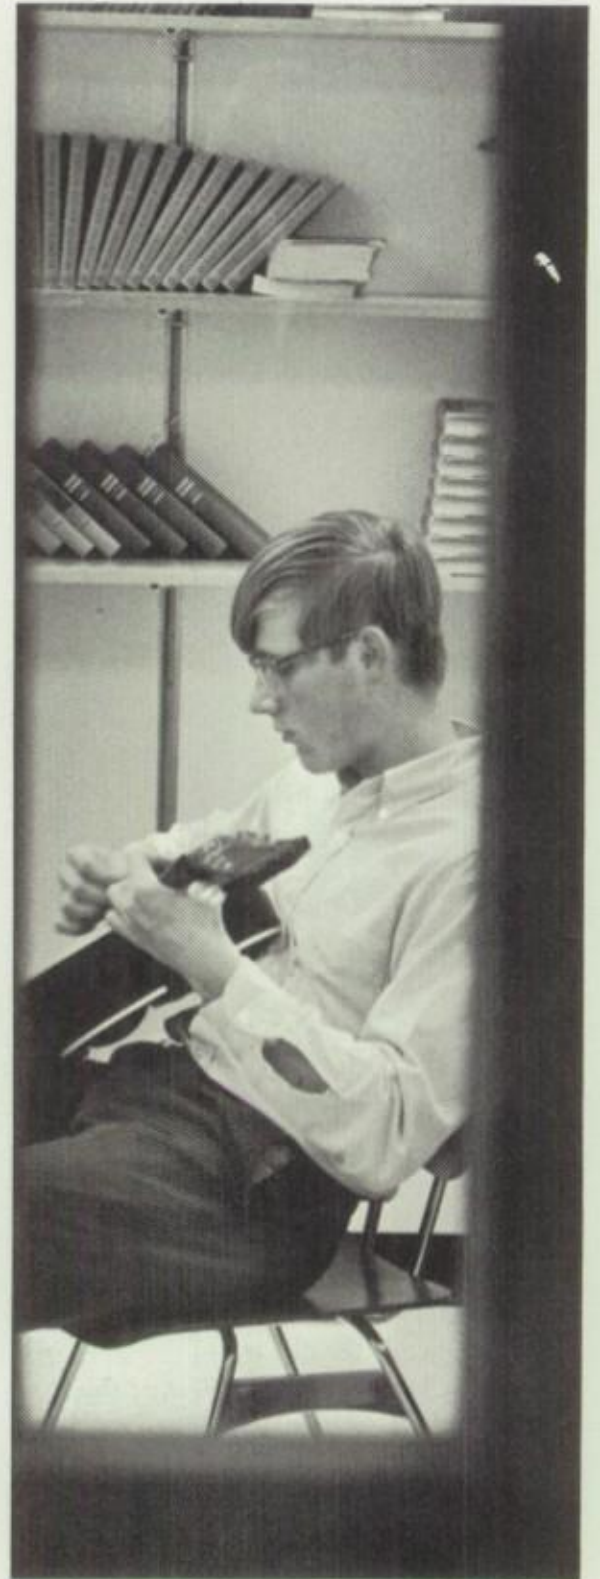

The lineman on a football team who blocks so that the quarter-back can make a touchdown is a good participant. The students that decorate for a dance, and clean up afterwards are good participants. A member of the band who is not first chair, but practices every night is a good participant. So is the girl that has her hand raised in the classroom, or the boy who lends someone money for lunch.

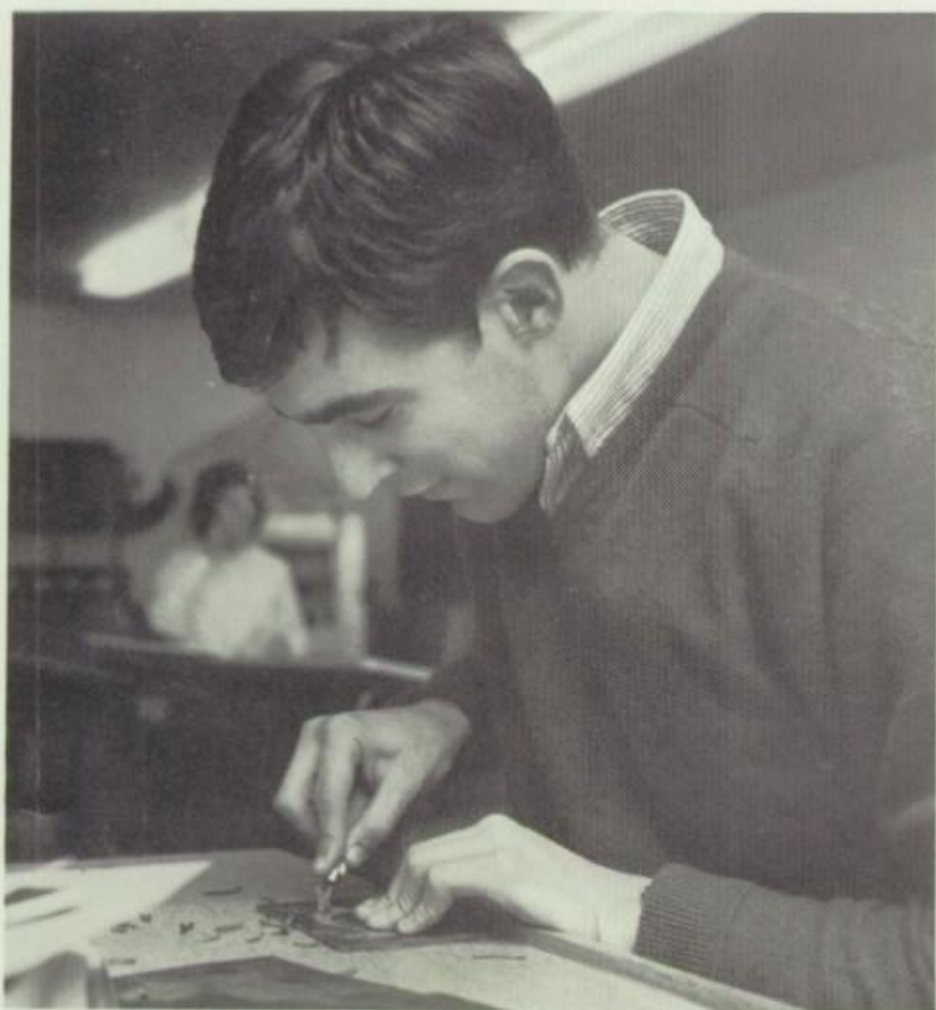

Good participation is not hard to achieve. With a lot of desire and a little effort, anyone can make himself indispensable to a group. Out of participation grow warm friendships, satisfaction, and a feeling of accomplishment which lead to a meaningful and worthwhile life.

an individual . . .

Individuals are the spark of color and vitality that make life interesting. There are so many conformists today, that it is refreshing to meet someone who has a unique viewpoint. By expressing their viewpoint, individuals challenge us to examine and evaluate our own beliefs.

Opening day is getting up five hours earlier, putting on acceptable clothing, arriving at school ten minutes early, seeing new faces, following new schedules, getting lost, wondering why the time passes so slowly, and retelling summer experiences. In short, Opening Day is mass confusion!

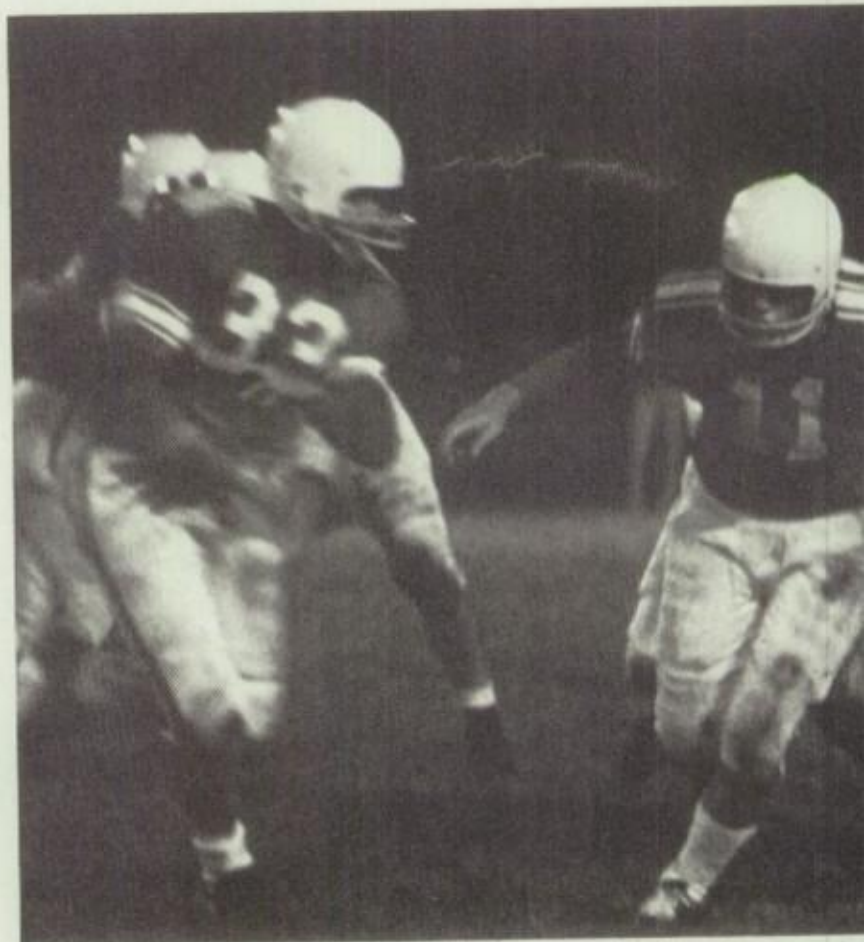

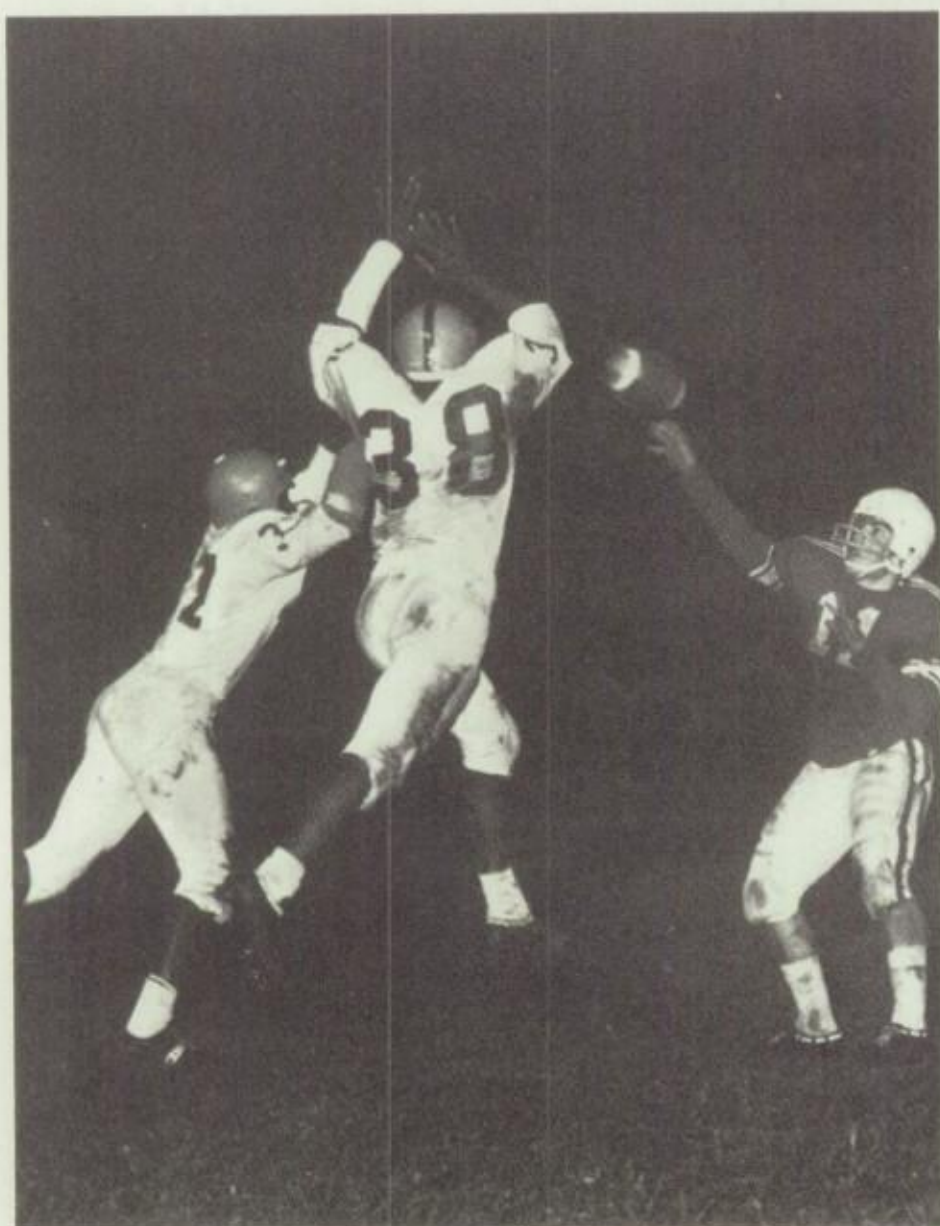

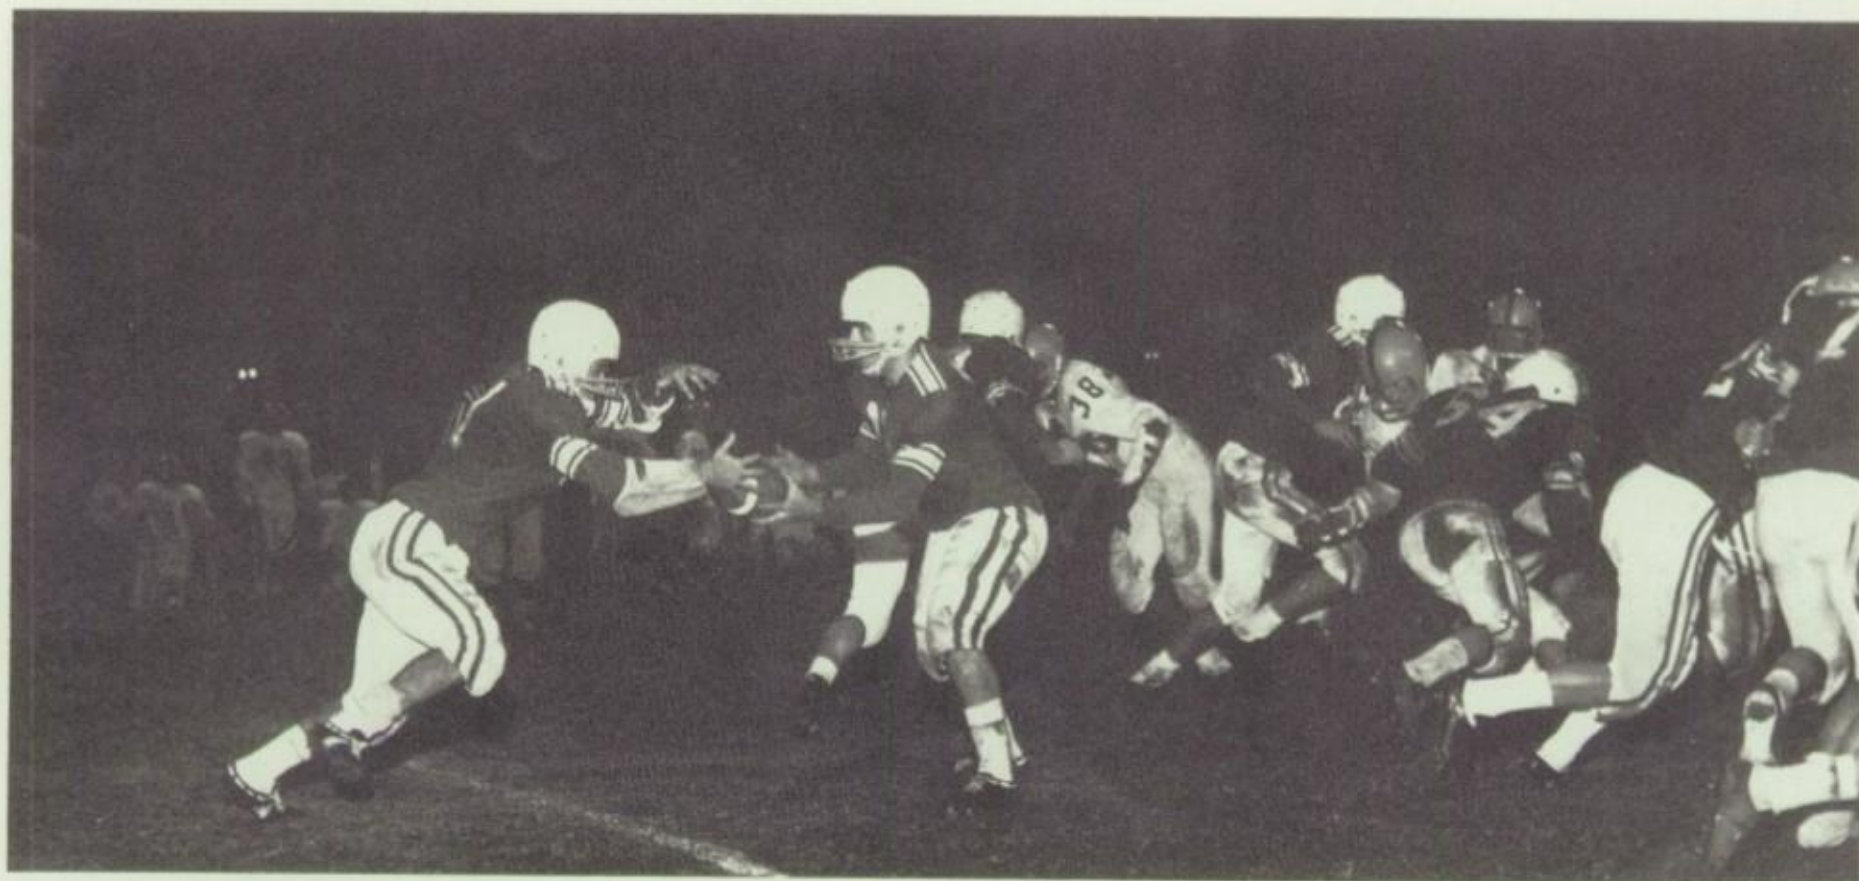

Annual events in the school tradition are Bonfire and Visitation Nights.

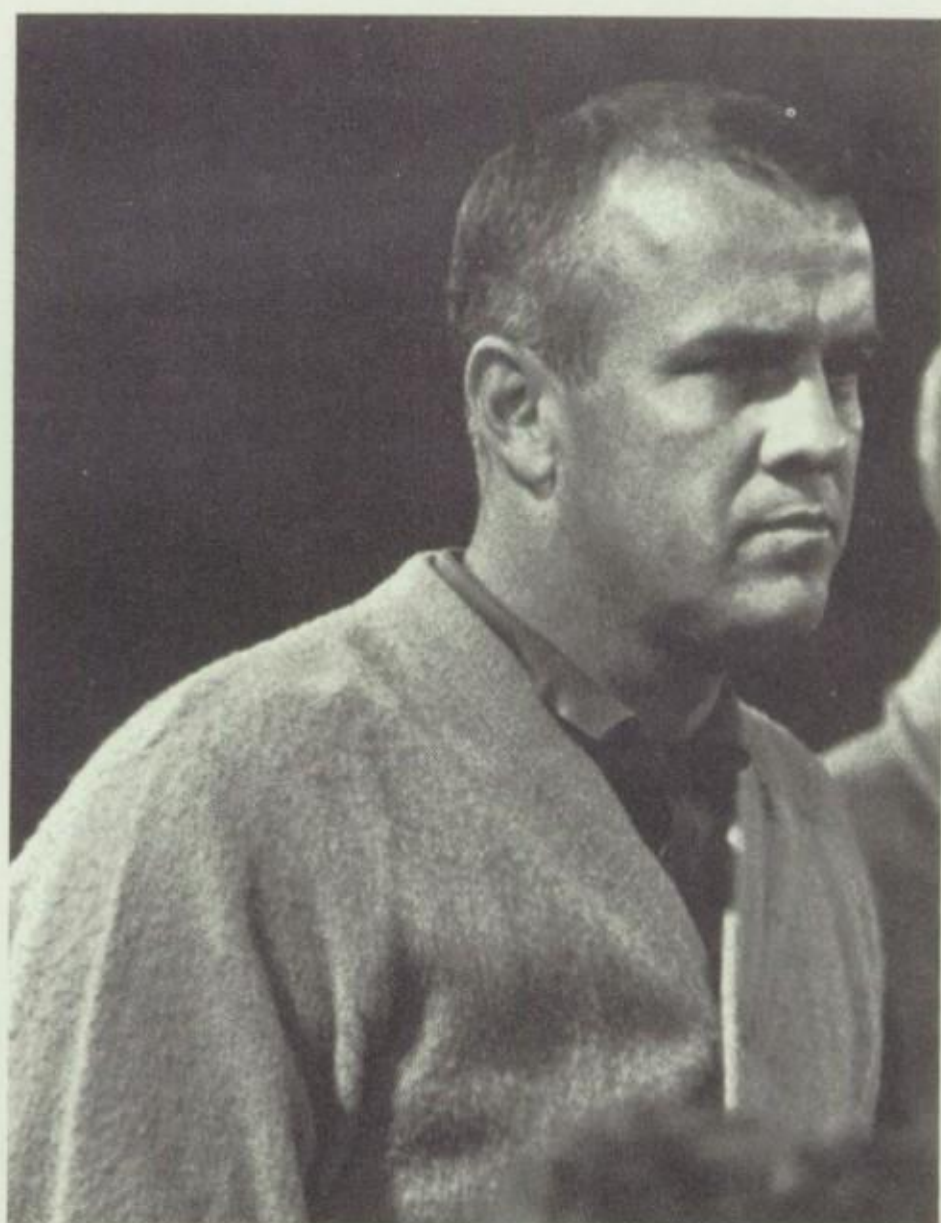

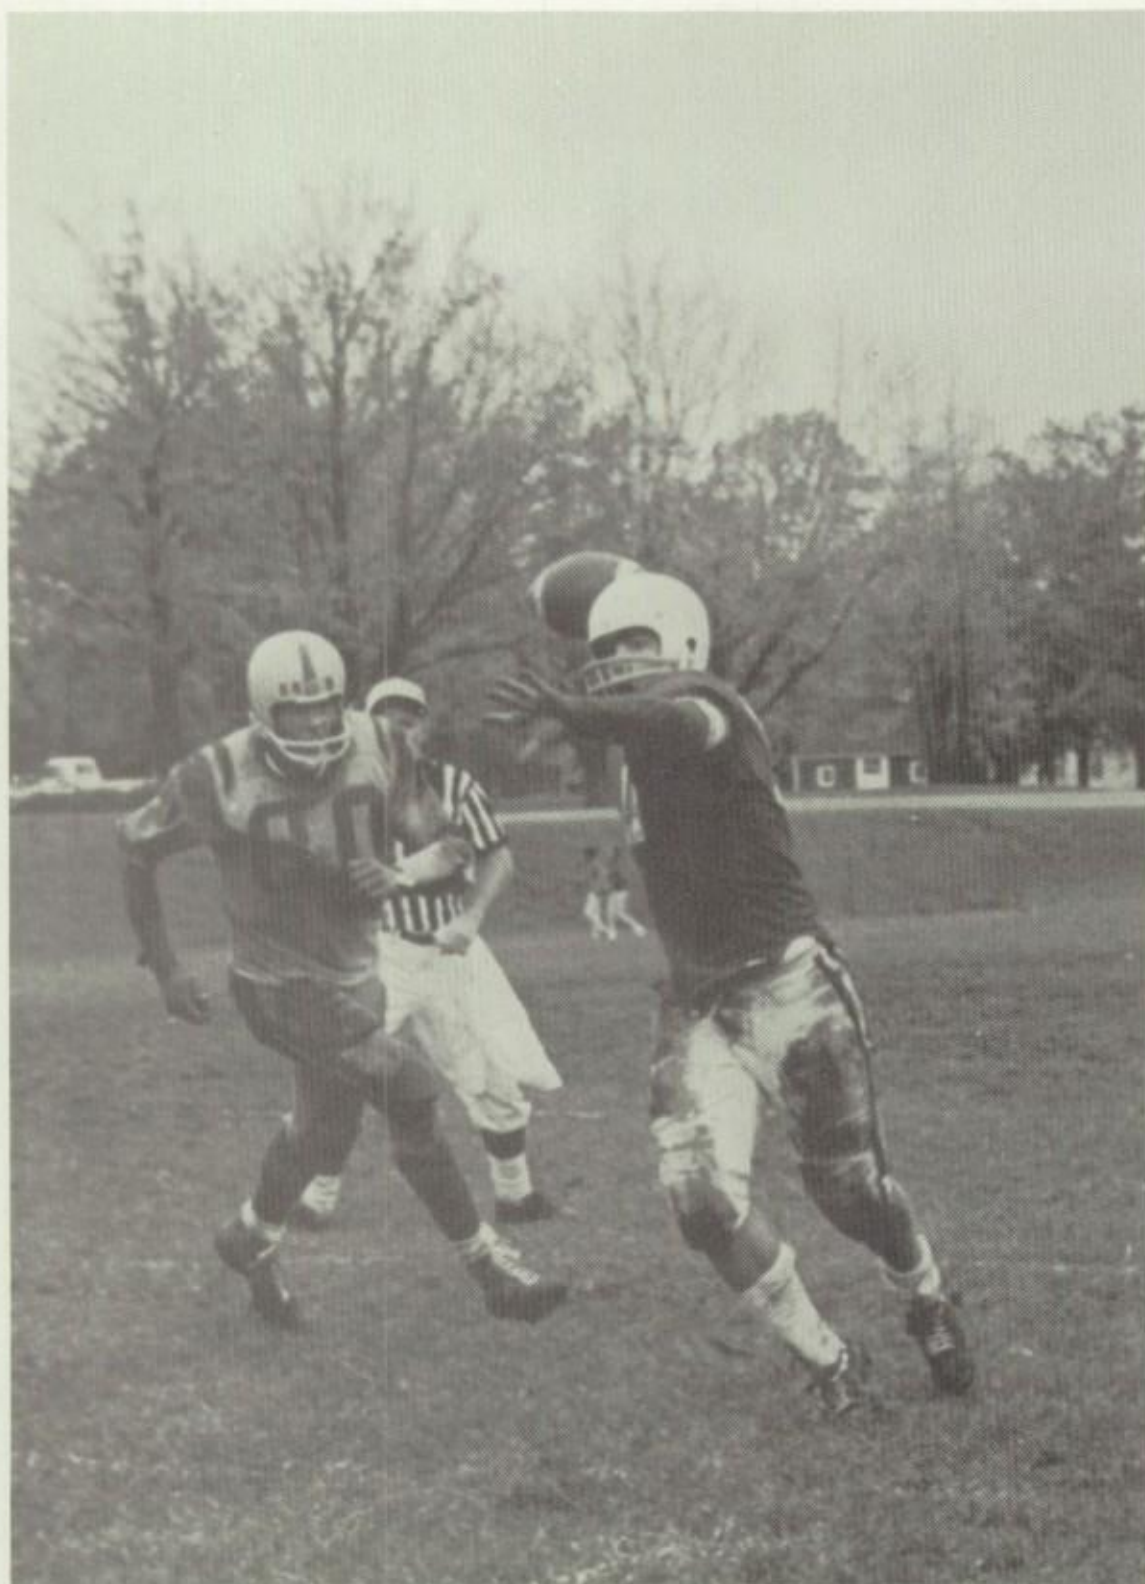

Footba

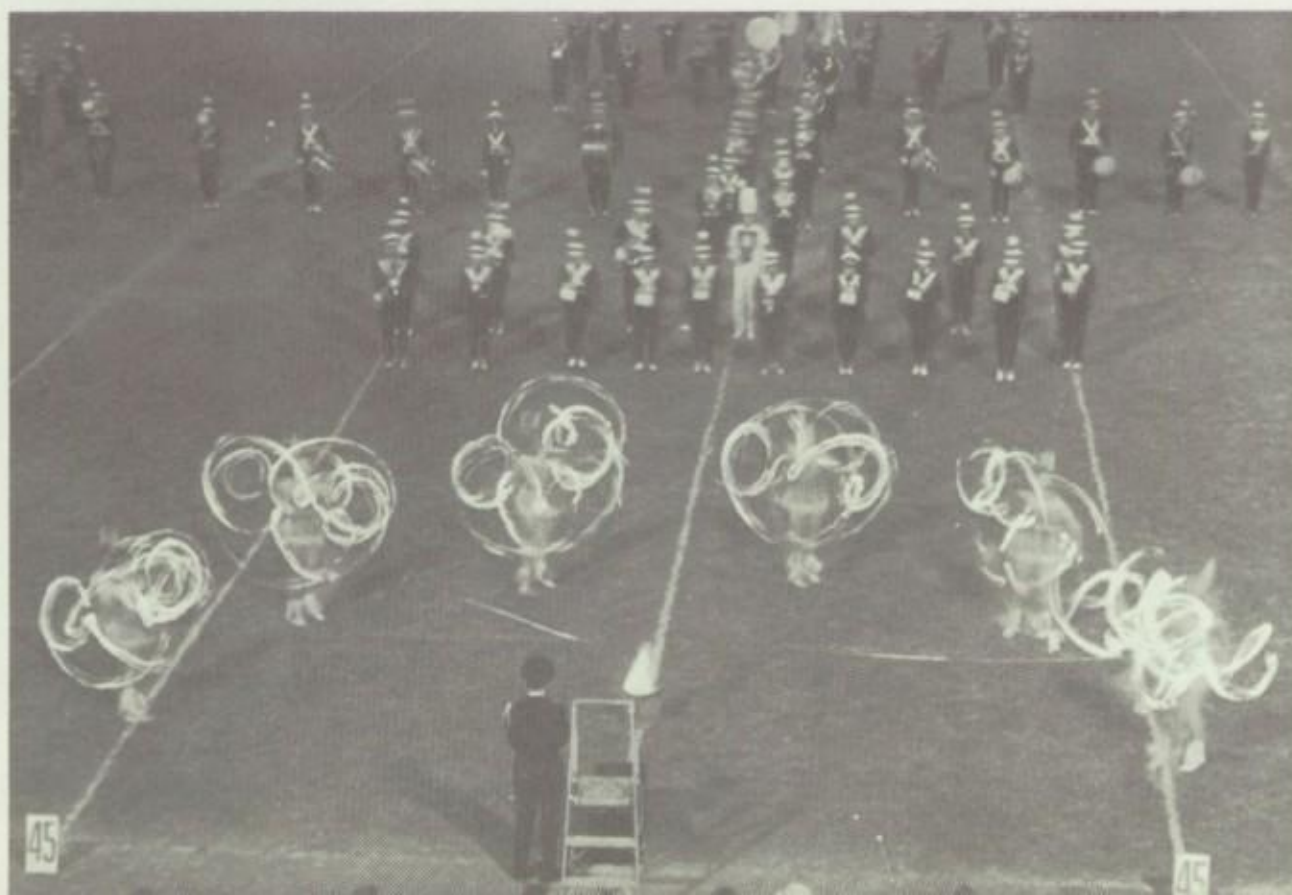

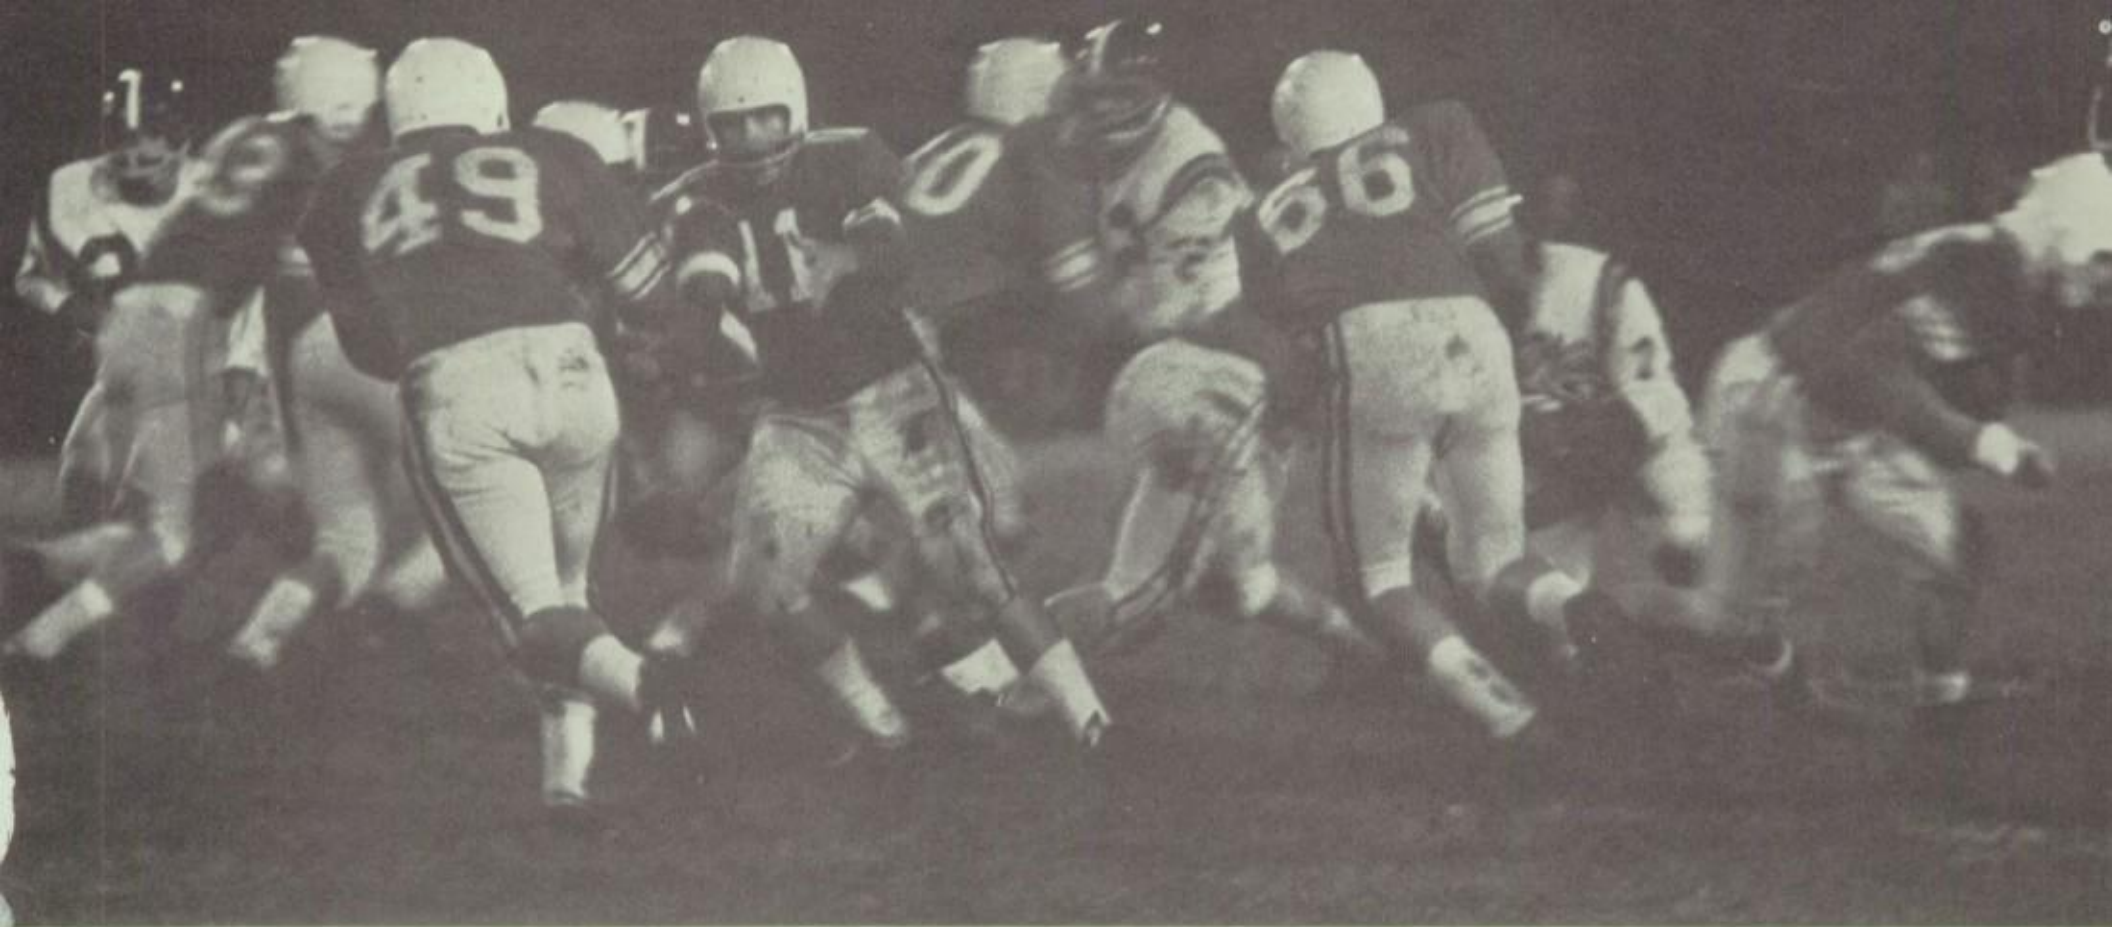

Season

Honoring of the faculty departments took place during the half-times of football games. Each department was introduced and saluted by the band.

Football Homecoming Queen, Laurie Connor

Football Homecoming

The week before Football Homecoming was tense with excitement for the five senior girls nominated for Football Homecoming Queen. The Junior Class held elections for the queen and her court and the results were kept a secret from everyone until halftime. Laurie Connor was crowned Football Homecoming Queen for 1966 and received the place of honor on the lovely float decorated for the theme "Three Coins in a Fountain." She was attended by Seniors: Pam Burdsall, escorted by Jim Johnson; Jane Geyer, escorted by Skip Bulard; Vivian Robinson, escorted by Lou Fiore; and Marcia Schafer, escorted by Marshall Schafer. The Junior attendant was Elain Binstadt, escorted by Jim Lauer; the Sophomore attendant, Lyn Bidwell, was escorted by Jack Martin; and Amy Barrows, the Freshman attendant, was escorted by Jack Marquess. After the crowning of the queen, the court watched the Braves defeat Deer Park 24—0. Everyone had a good time at the homecoming dance held in the Middle School gym after the game.

Senior Attendants: Marcia Schafer, Vivian Robinson, Jane Geyer, Pam Burdsall, and Queen, Laurie Connor. Escorts: Lou Fiore, Skip Bullard, John Zaring, Jim Johnson, and Marshall Schafer.

Representing the underclassmen: Amy Barrows, Jack Marquess, Jim Lauer, Elaine Binstadt, Lyn Bidwell, and Jim Martin.

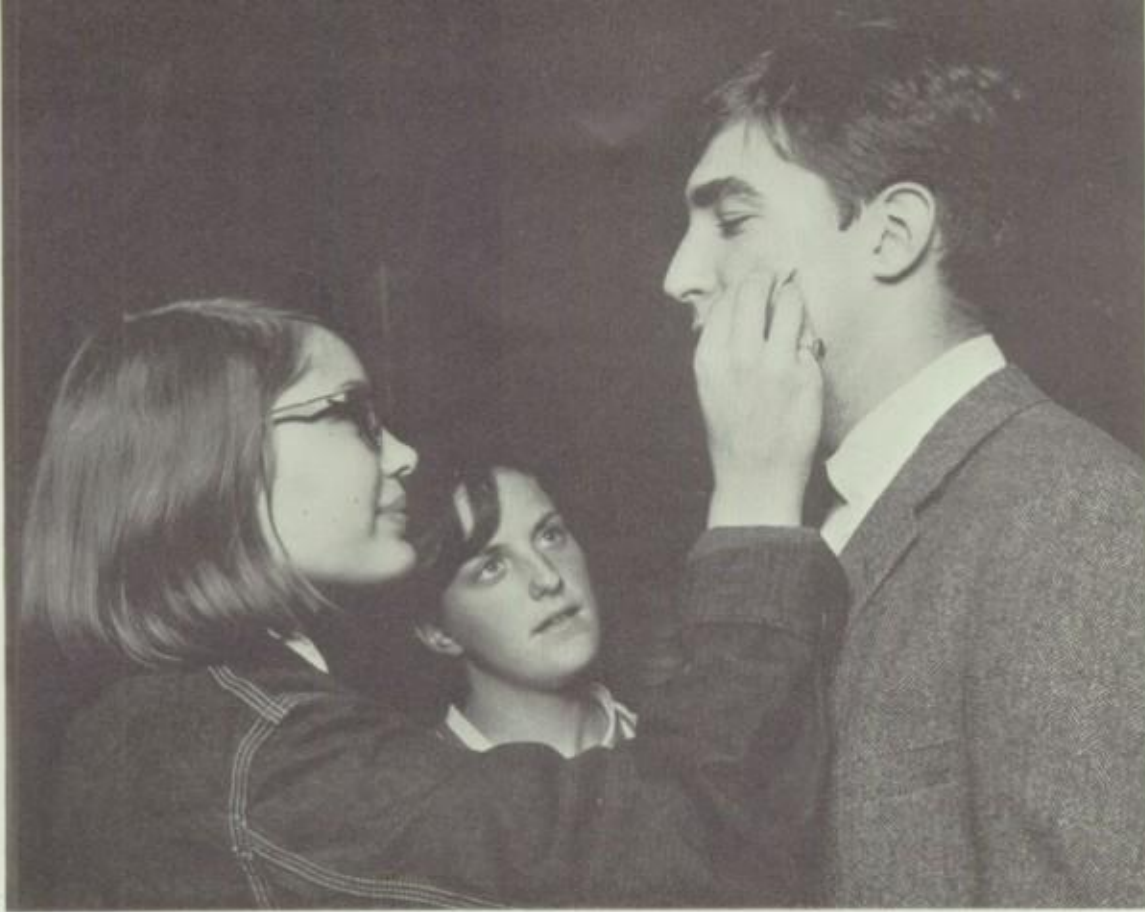

Senior Class Play

The Seniors appeared in good form last fall with their class play, *The Mouse that Roared*. Eric Graebert played the lead role of Tully, a naive backwoodsman who attacked the United States of America and won for his small country of Fenwick. Maralyn Short, the Grand Duchess of Fenwick, declared war on the United States when it was found that a wine company in California was using the same brand-name for their wine as the brand-name used by the Fenwickians. Count Montjoy, played by Charles Hedrick, and Mr. Benter, played by Jack Ambrogi, were constantly battling over whether or not to water down Fenwick's precious wine, and whether or not Fenwick should attack the United States.

Having arrived in New York Harbor with their ancient armor, bows, and arrows, the Fenwickians proceeded to capture General Snippit, commander of the Armed Forces (Dick Miller), his two WAC daughters (Gail Hopley and Wendy Gieryn), and an absent-minded professor (Paul Smith) who had developed a "Q" bomb that was capable of destroying the world. The President of the United States (Ted Walkenhorst) and his Secretary of State (Jim Johnson) were completely baffled by the circumstances. The play ended happily with the engagement of Tully and the Grand Duchess, and a pledge from the United States to give the Fenwickians foreign aid for the return of the precious "Q" bomb.

But class, even Mr. Wojcik didn't know the answer!

The Girls' Athletic Association offers a girl the opportunity to make new friends while participating in different types of sports, planning and carrying out meetings, having a Christmas Dance, giving a party at an orphanage, and going ice-skating.

The year of 1965-66 saw many outstanding pep assemblies led by the different classes at I.H. The assemblies included original skits, pep bands, majorettes, cheerleaders, coaches, and best of all, the teams being honored.

Last one to the cafeteria has to eat!

The Dramatics Club was jointly sponsored by Miss Berwanger and Mr. Van Aken due to its outstanding expansion of goals and responsibilities. During the fall the Dramatics Club performed "The Emperor's Daughters," and the Chinese play "Little Ki and the Serpent." Surely the famous three-part detachable dragon created for "Little Ki and the Serpent" will be the greatest asset of the drama department's costume closet. In February a three act play, *Harvey*, was presented by the Dramatics Club. A new goal of the Dramatics Club is sending two members to the National Thespian Conference in Portland, Oregon for five days during the summer. Through such an experiment, the club hopes to broaden its knowledge in the production of drama.

The purpose of the Latin Club is to create greater interest in the study of Ancient Roman civilization, and to promote interest in the Latin language. The club, sponsored by Mr. Blackburn, took a field trip and entertained many interesting speakers. The main feature of the year was the Christmas program during which a movie was shown and Christmas carols were sung in Latin. The officers of the club were: Vernon Tiedge, President, Chuck Johnson, Vice-president, Maralyn Shutte, Secretary, and Doug Seitz, Treasurer.

This year Indian Hill's French Club was under the supervision of Madame Marts. Officers elected were: Anne Marquess, President, Sue DeMar, Vice-president, Clemencia Chica, Secretary, and David Murphy, Treasurer. Activities of the club included plays given by the members and slides focused on the customs and way of life in France.

Some of the club members attended "Le Bourgeois Gentilhomme" at College Mount St. Joseph. Others attended meetings of the Alliance Francais of Cincinnati. A French businessman addressed the club on French politics and candidates prior to the Presidential elections. However many of the activities of the club were canceled due to Madame Marts' accident.

The Spanish Club, Los Amigos Pan-americanos, sponsored by Mr. Fogle, endeavors to increase interest in Spanish. At Christmas time, the club caroled and had a party with the traditional pinata. In June the Spanish Club held a Fiesta which was a swimming party followed by a progressive dinner. During the year Clemencia Chica and Katia Brazil spoke to the Spanish Club. These lectures added to the students' knowledge of Spanish speaking countries and their way of life.

"Cerro del Indio," Spanish National Honor Society, attended the state convention in Columbus. John McGara was elected "El Senor," and Holly Smith was elected State Secretary.

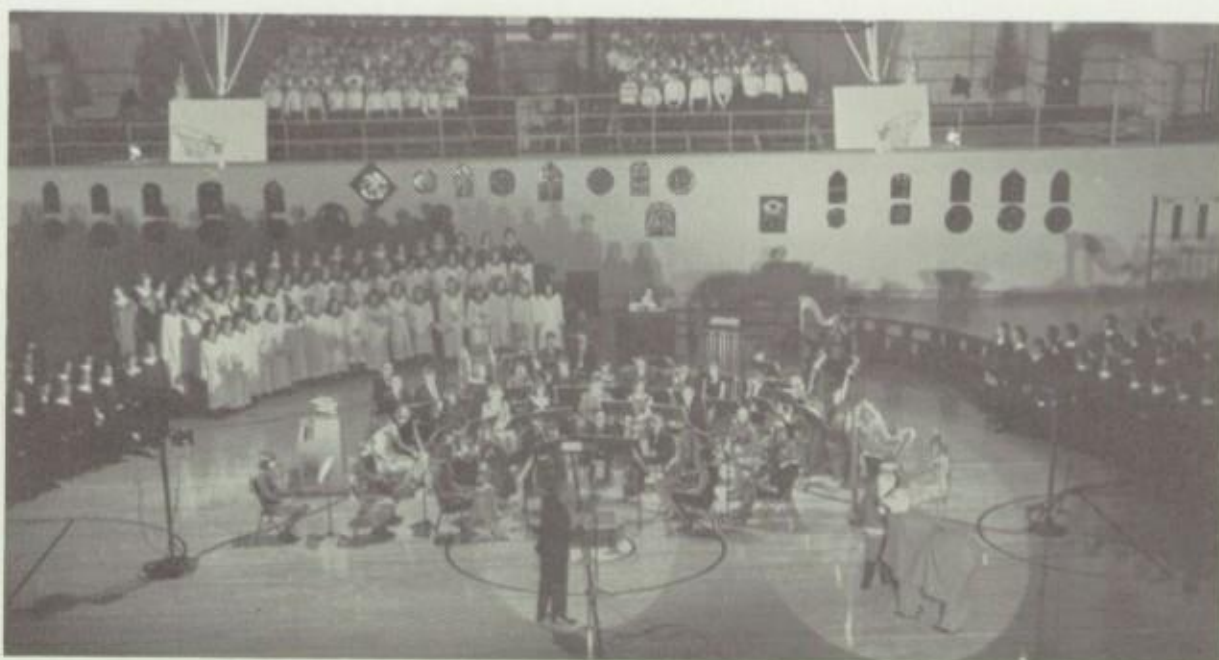

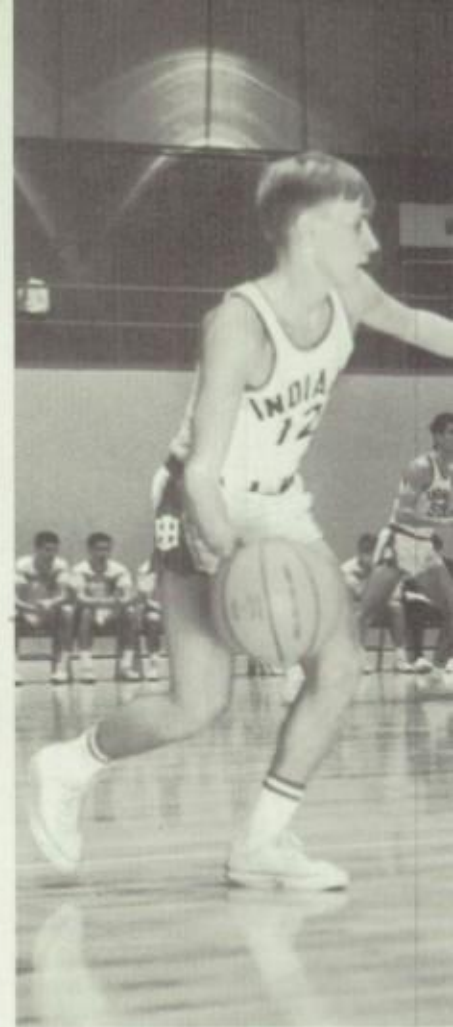

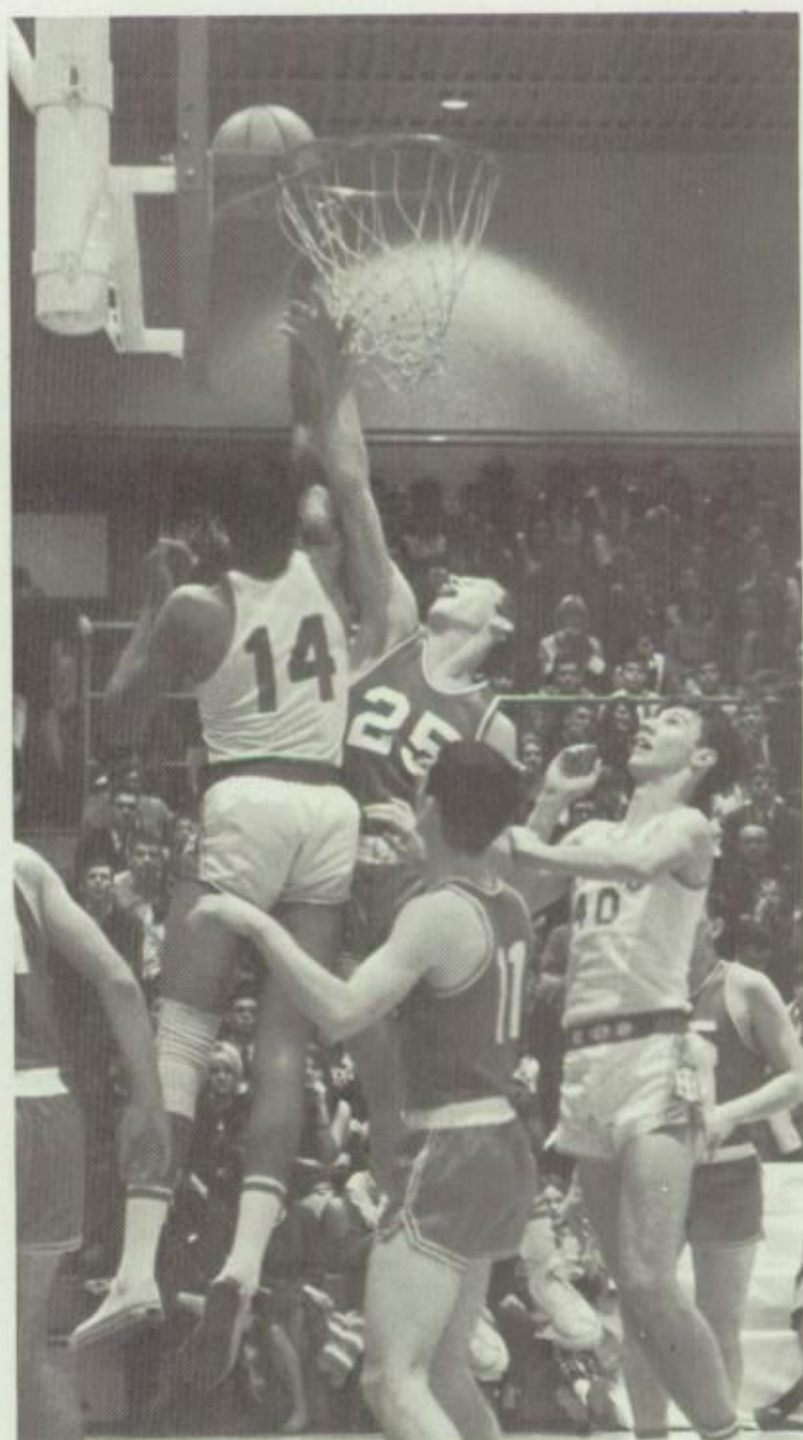

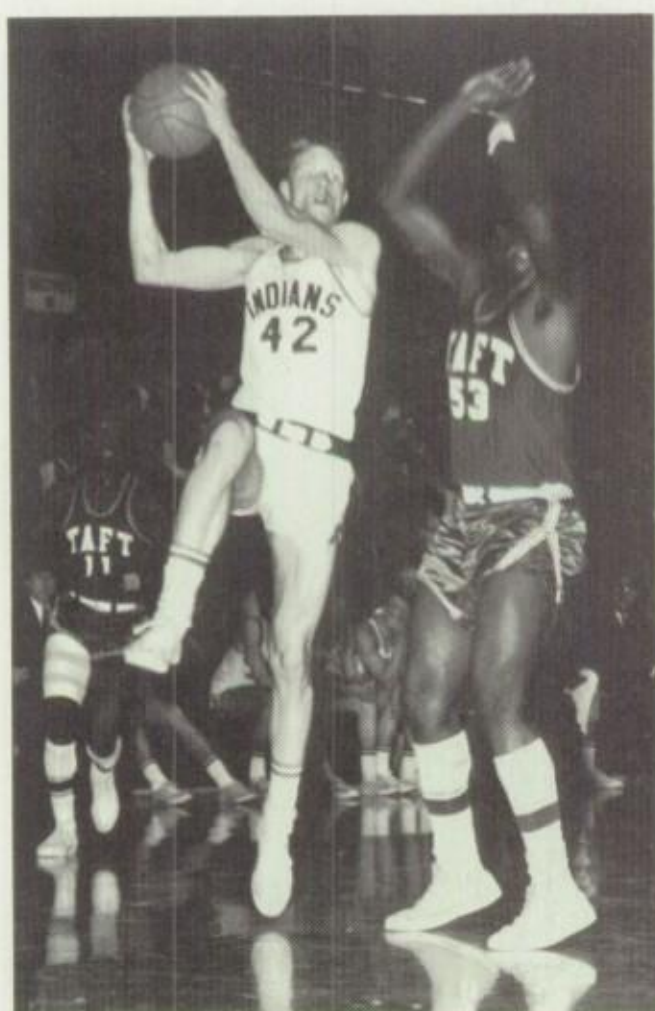

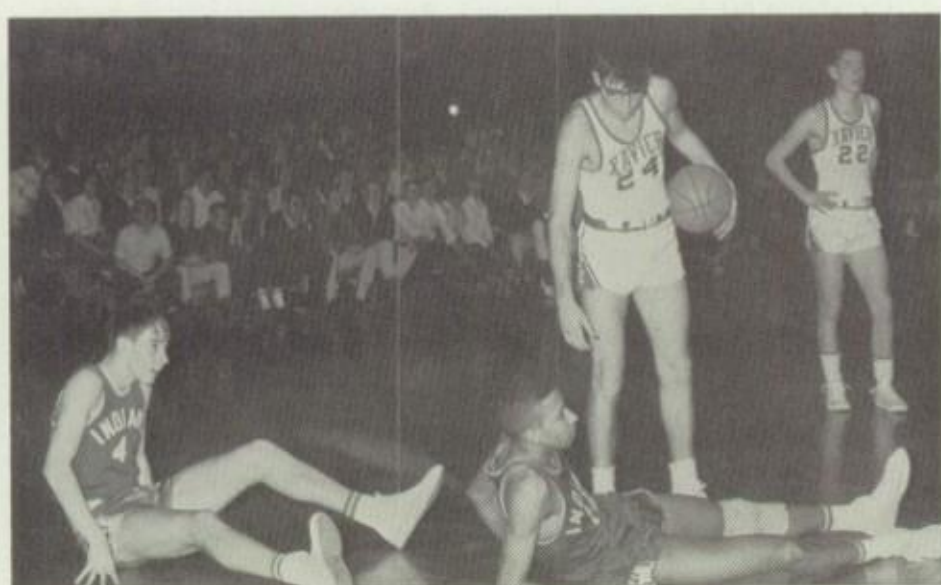

The Band and the Choir provided Indian Hill with many hours of entertainment this year. One of their most outstanding concerts was the Christmas Concert which featured the orchestra and the High School and Jr. High Choirs. Santa Claus made a guest appearance, and Maralyn Short read the Christmas Story.

The Mid-winter Concert, given by the Symphonic and Concert bands, featured Sandy Nethercott, who played the Grieg Concerto in A Minor on the piano. Finally, the combined bands gave a Spring Concert in which Doug Seitz was featured on the trombone.

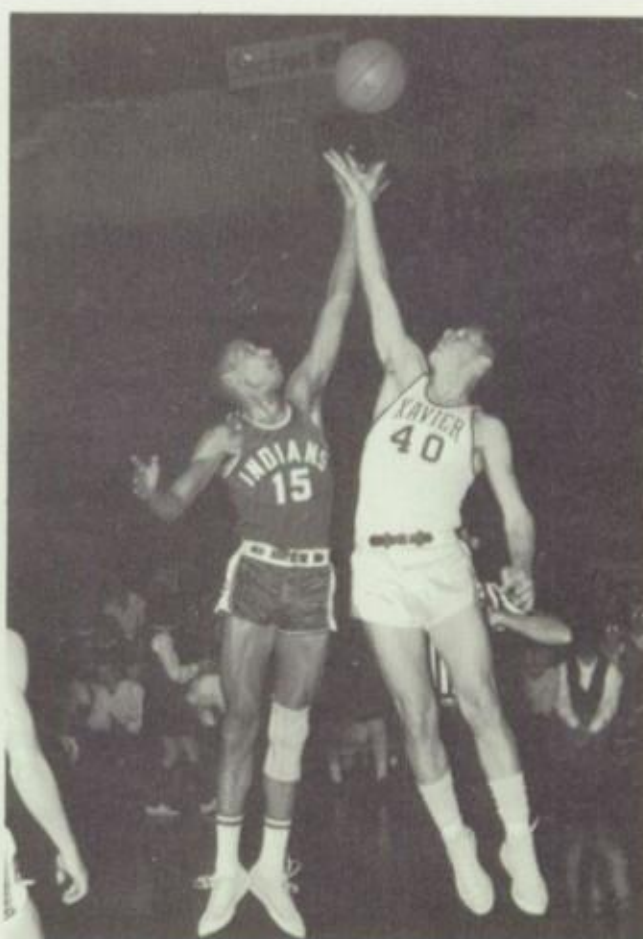

Basketball

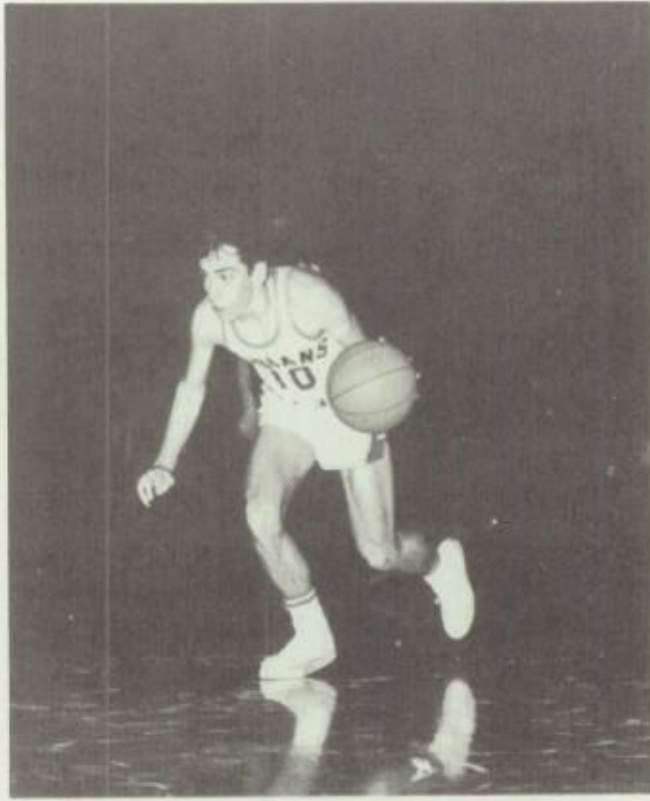

During the basketball season, not only the players but also their mothers on Mom's Night were honored.

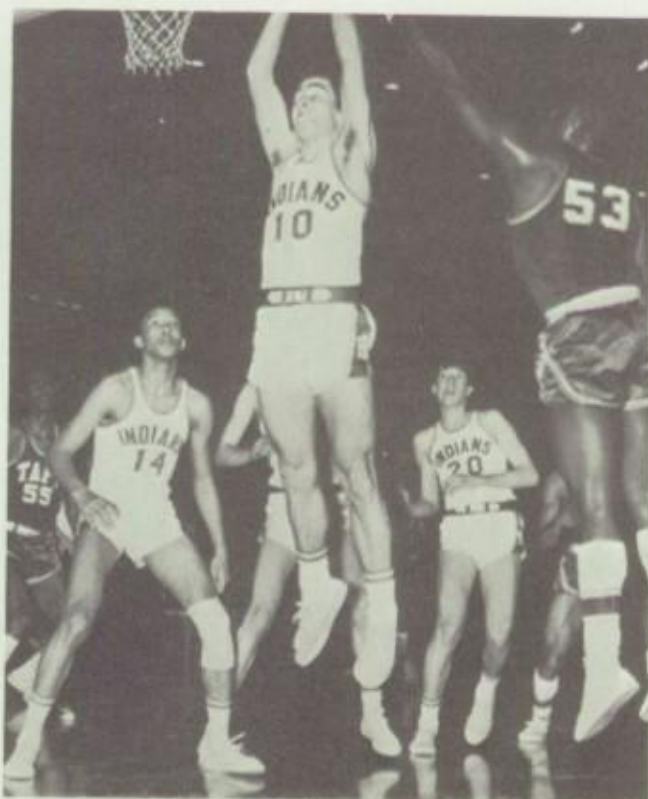

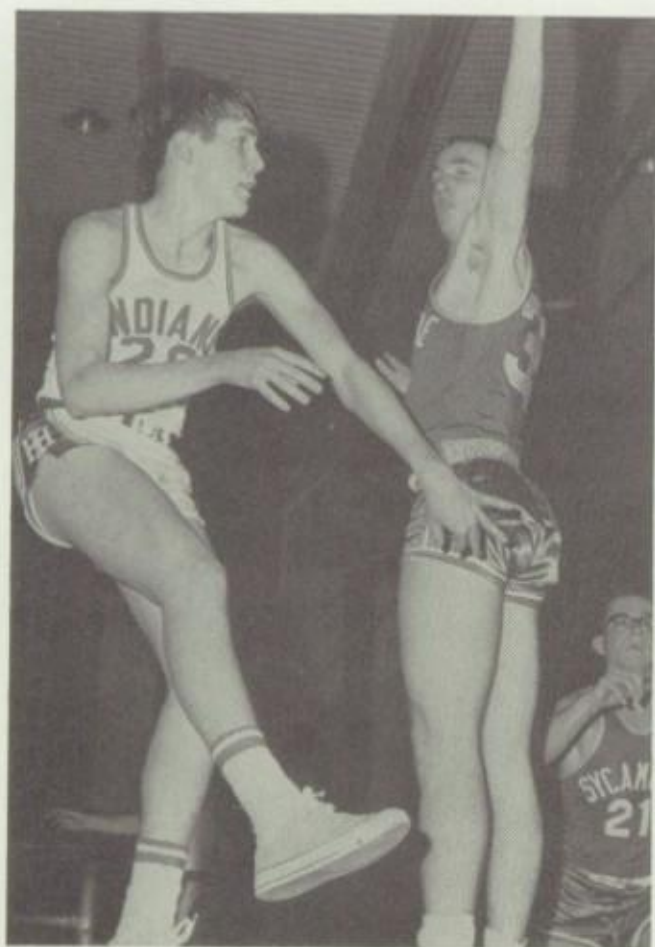

Season

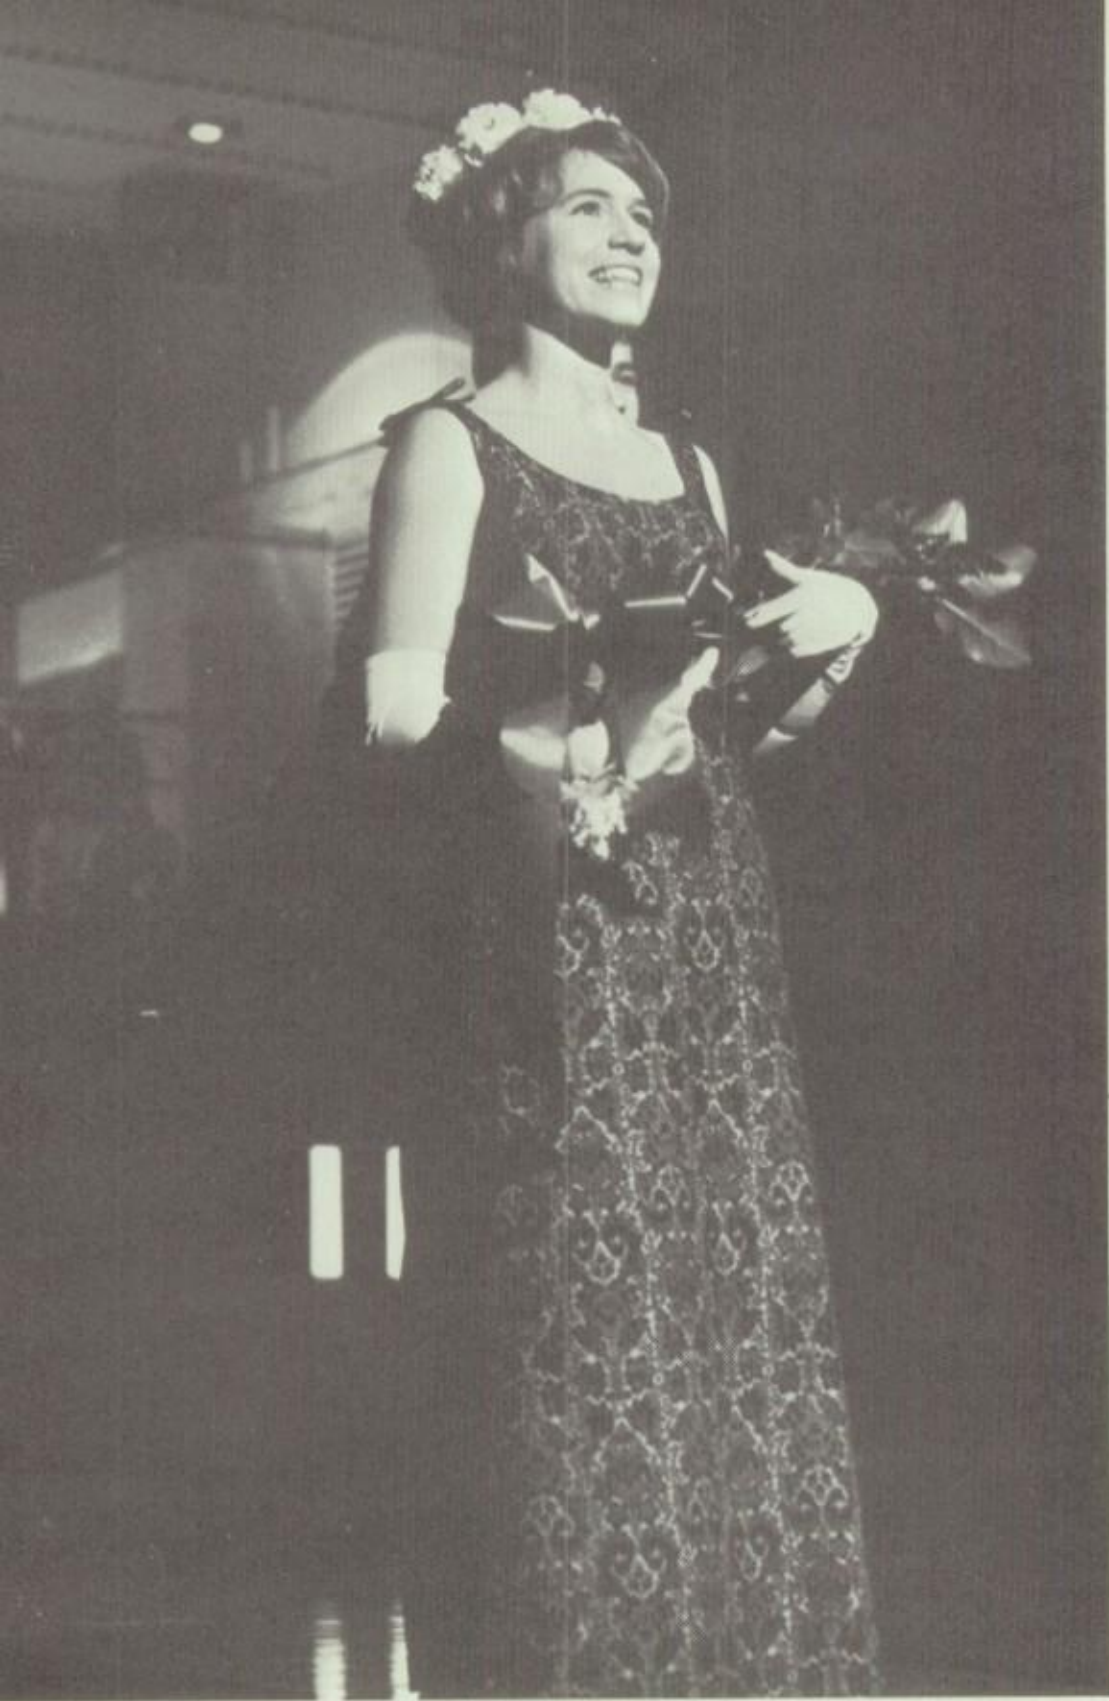

The Junior Varsity Basketball team won the Eastern Hills League Championship and were proud of it.

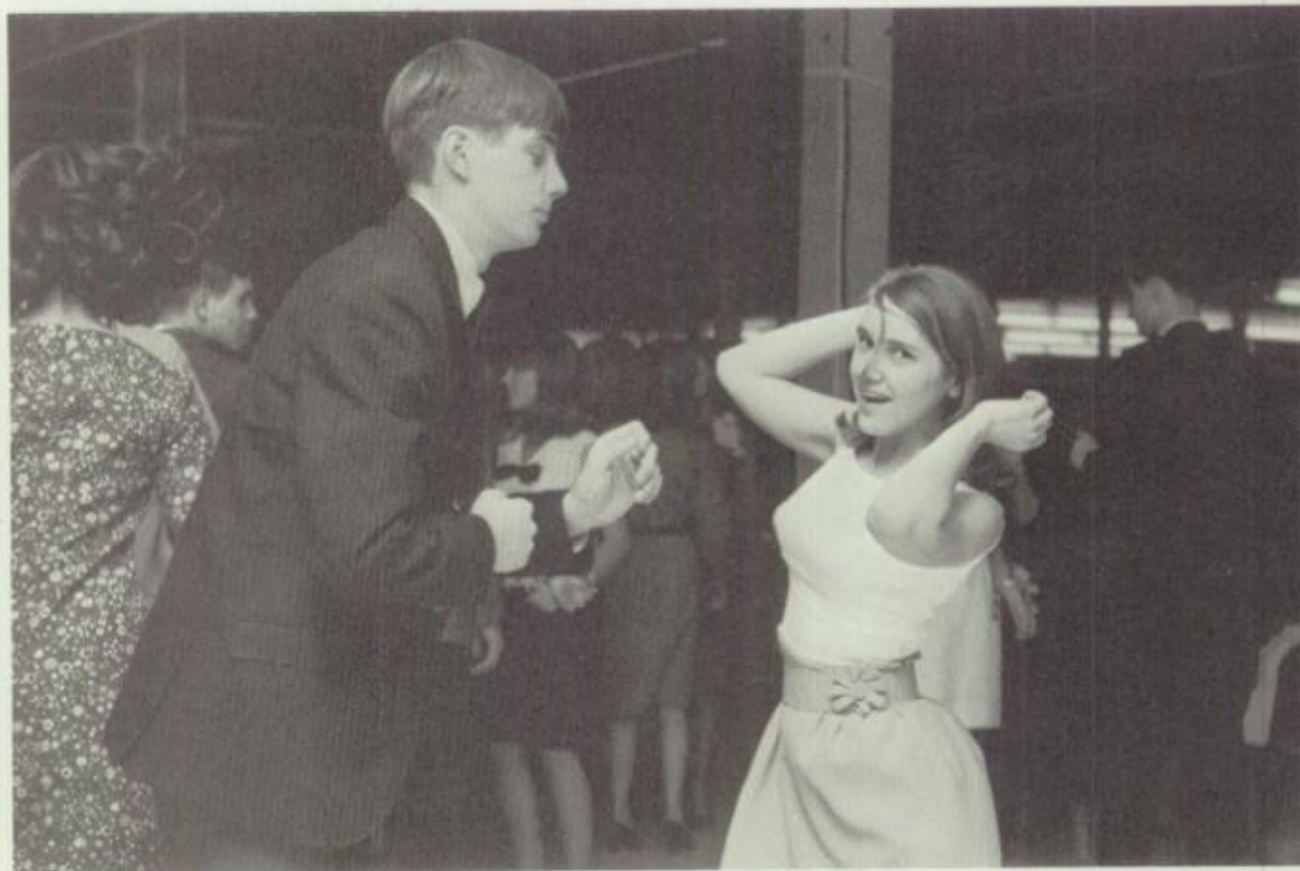

Basketball Homecoming

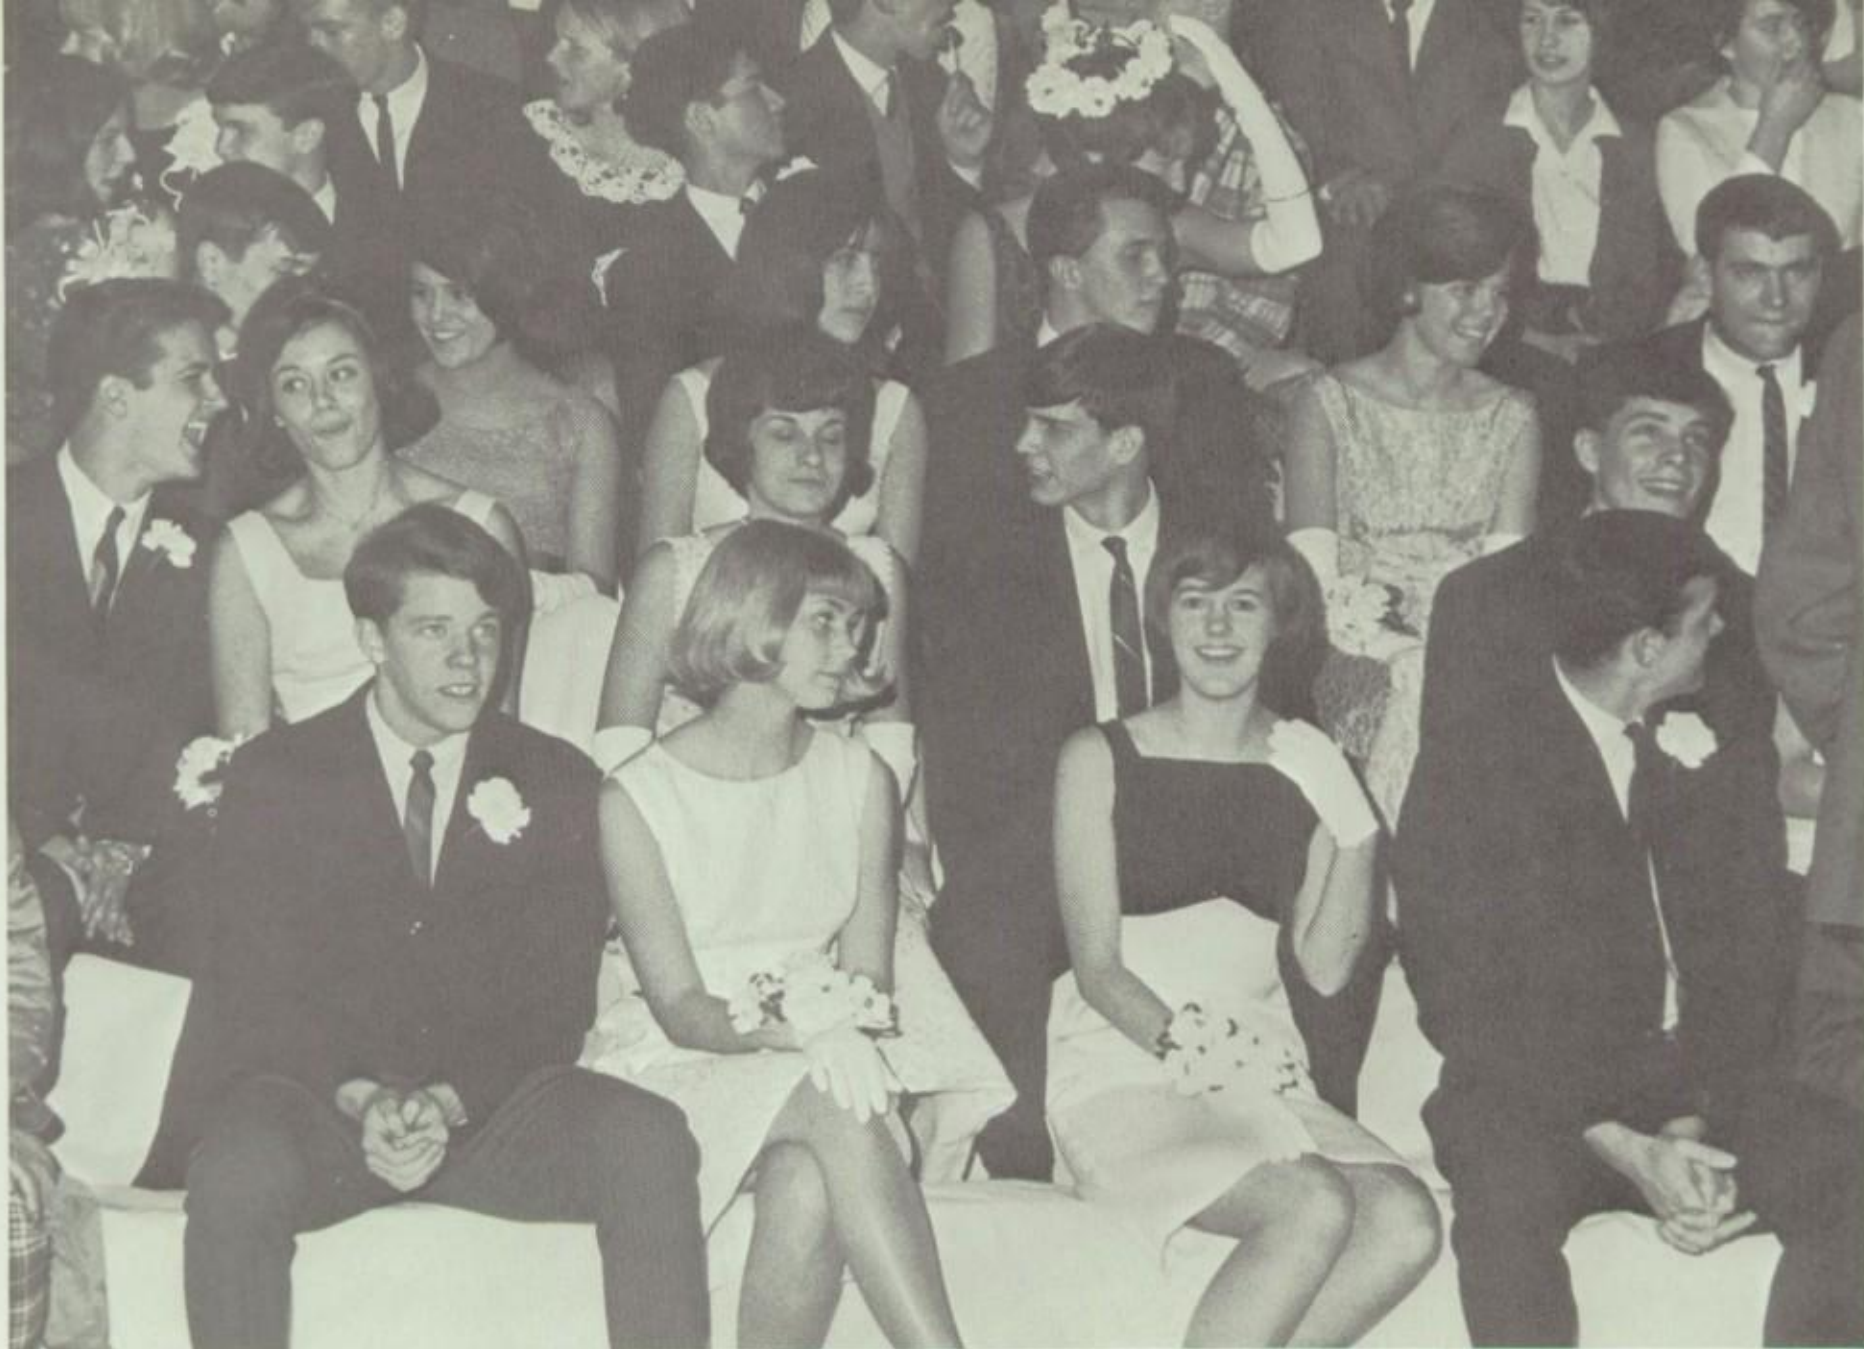

During the half time of the Deer Park-Indian Hill basketball game, Indian Hill began their annual Basketball Homecoming celebrations with the introduction of the candidates for 1966 Basketball Homecoming Queen. The candidates and their escorts were: Katia Brasil and Jack Ambrogi, Clemencia Chica and Steve Rief, Kathy Stewart and Rick Maddox, Phoebe Connel and Charlie Smith, Jane Geyer and Tom Fledderman, and Gail Hopley and Jack Healy. Skip Bullard crowned Phoebe Connel the 1966 Basketball Homecoming Queen and honored her with the traditional long stemmed red roses.

Attending Phoebe along with the other senior candidates were Muffie Lamson and Steve Brand representing the Freshman class, Linda Osterthaler and Terry Turner representing the Sophomore class, and Debbie Hoffman and Steve Fogg representing the Junior Class.

After the ceremonies, the queen and her court watched the Indian Hill Braves beat Deer Park. After the basketball game, the scene switched to the cafeteria which had been converted for the evening into a James Bond hide-away for the James Bond-007 Dance sponsored by the Senior class. Music was furnished by the Centuries for an evening of fun!

Spirit at Indian Hill was kept alive by the steady pep and enthusiasm generated by the cheerleaders. They also promoted understanding between schools by meeting the cheerleaders with rival teams and making friends.

The American Field Service is an organization which promotes international understanding by having foreign students come to the United States and having American students go abroad. These foreign students live in an American home with a brother or sister their own age and become a part of the family.

Pictured on this page is Clemencia Chica from Bogota, Columbia who was a part of the Nethercott family this year. Clemencia is a vivacious, sincere girl who fits in well at Indian Hill. She spent her time studying, dating, skiing, and participating in G.A.A., Spanish Club, and Modern Dance. Some of her most memorable moments were: seeing snow for the first time, being nominated for Basketball Homecoming Queen, and seeing parts of the United States with her family.

Katia Brazil ("Tita") changed her address from Salvador, Brazil to Indian Hill, Ohio where she lived with Marcia and Julie Hatch and their family. Katia adjusted well to American family life, helping around the house, and making friends with the Hatch's dog, Peek. Katia spent much time studying, and was very active in the Spanish Club. An excellent guitar player, Katia played and sang in the Pan-American Day Assembly. She also spent a great deal of her time with a certain American boy, dating and going to parties. Some of Katia's most exciting experiences were being nominated for Basketball Homecoming Queen, taking a trip to Florida during spring vacation, graduating, and attending the Prom.

Both Katia and Clemencia learned a great deal, at Indian Hill but they taught us even more!

The Student Council, under the leadership of Dick Miller, President, Peter Smith, Vice-President, and Jane Geyer, Secretary-treasurer, had a very active year. One of the council's biggest projects was a campaign to renew interest in our foster child, Suh Sun Ju. For two weeks, there were posters in the halls asking the student body to donate money for Suh Sun Ju's Christmas present. The Council also began regular correspondence with Suh Sun Ju.

The minutes of each meeting were distributed to students and teachers, and a special desk was set up to aid communication between the Student Council and the rest of the school. Also, the council held the annual Spirit Contest; launched a successful campaign for keeping the cafeteria clean; wrote a new, improved constitution; provided for interested students outside the council to attend meetings; proposed that teachers not give tests on the same day, later adopted by the faculty; found a home for next year's foreign exchange student; helped sponsor a Computer Dance with Mariemont; and ran Student Council and class elections.

John Zuring's committee established the procedure for open meetings, and planned and supervised Olympic Day.

Jim Tarkington's committee worked on the problem of reckless driving in the parking lot, and keeping the Coke area in the Commons Building clean. They also bought a rope for Olympic Day.

Pete Smith's committee sponsored the Spirit Contest, and planned the Student Council Dance held in February.

Skip Bullard's Committee was responsible for writing the new constitution and handling Student Council and class elections. Skip's committee also discussed the possibility of a Student Court.

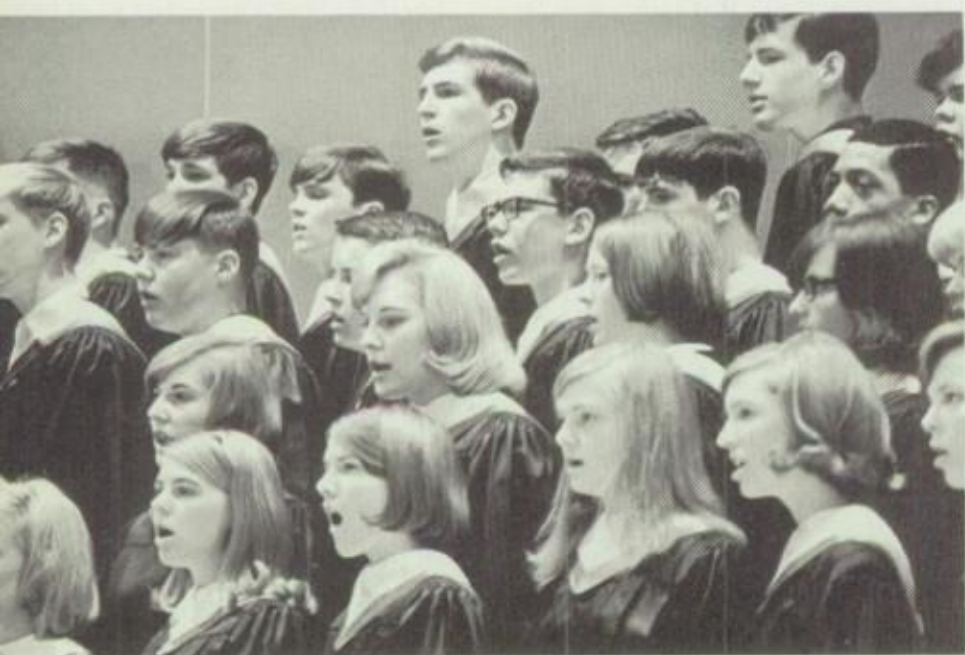

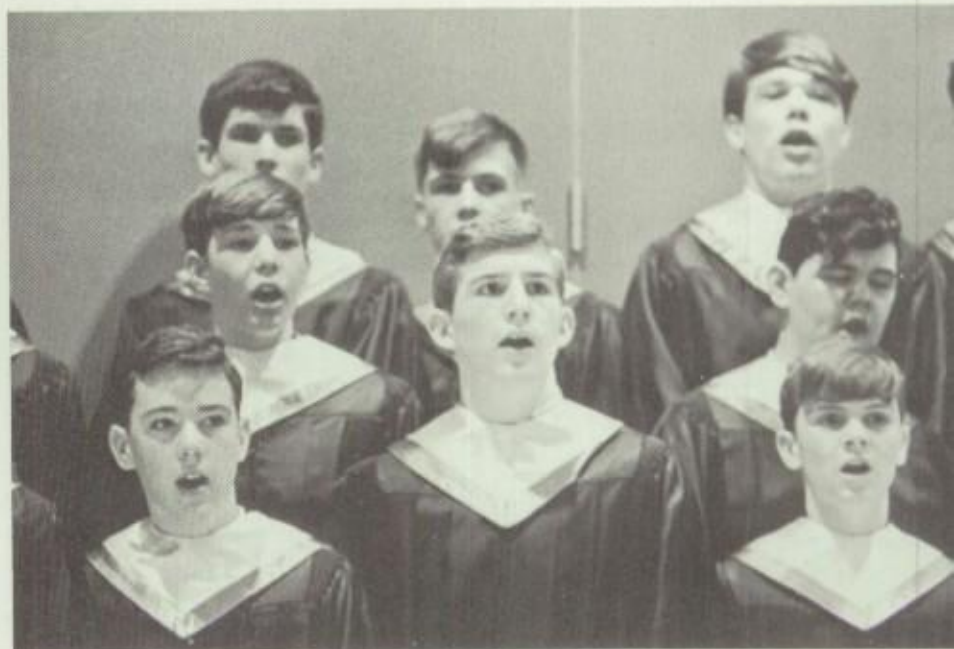

Jane Geyer's committee launched a campaign to keep the cafeteria clean, renewed the school's interest in Suh Sun Ju, and found a home for next year's foreign exchange student.

Dick Miller, an excellent Student Council President, assembled a notebook to inform Jeff Straus, next year's President, of the projects completed this year, and the council's plans for the future. Dick also told Jeff of the problems that he encountered and the mistakes that he made, so that the Student Council will run even more smoothly next year.

For the first time in the history of Indian Hill High School a concert was given by the high school and junior high choirs alone. Many students sang solos, and Mrs. Dale R. Beittel accompanied the combined choirs as they sang "Hallelujah from the Mount of Olives."

The Folk Music Club, sponsored by Mrs. Rice, was very active this year. At the meetings, everyone sang and discussions were led by different members of the group on many different folk singers and composers. In addition to this, many individual members of the group performed at each meeting. In October the Folk Music Club attended the Bob Dylan Concert at Music Hall. Pictured here are some people who participated in the two hootenannys that the Folk Music Club gave this year. Such famous folk singers as: Dave Wasserman, Fred Debra, Betsy Baltzer, Eric Graebert, Cathy Williams, and not to be forgotten, Gordon Shick, Tom Siegman, Kathy Ortner, and Greg Wilson performed. Even though the Folk Music Club is a relatively new club at Indian Hill, the club had a large number of members this year. The Folk Music Club was very ably led by President, Dave Wasserman; Vice-president, Liz Sherrill; and Secretary-Treasurer, Cathy Williams.

Oh, Mr. Siegman!

Junior Class Play

The Junior class gave one of the best productions ever seen at Indian Hill. With only four weeks of rehearsal time, they presented *Mrs. McThing*, the Junior Class Play, on March 25th and 26th. *Mrs. McThing* was a big hit on Broadway during 1954 and 1955 with Helen Hayes playing the leading role of Mrs. Larue. The play is a light fantasy about a rich overly protective mother who tries to shelter her son Howay from the outside world. When, by accident, Howay finds a new playmate, Mimi, his mother forbids him to play with her. As a result, Howay runs away, joins a gang, and hangs out in a Shantyland Pool Hall. Mimi's mother, Mrs. McThing, resents Mrs. Larue's attitude toward her daughter, and for spite, she replaces Howay with a stick boy. When Mrs. Larue leaves her house in search of the real Howay, Mrs. McThing replaces her with a stick! However, because she loves Howay, Mimi makes the sticks disappear so that Howay and his mother can return to their home and live happily ever after.

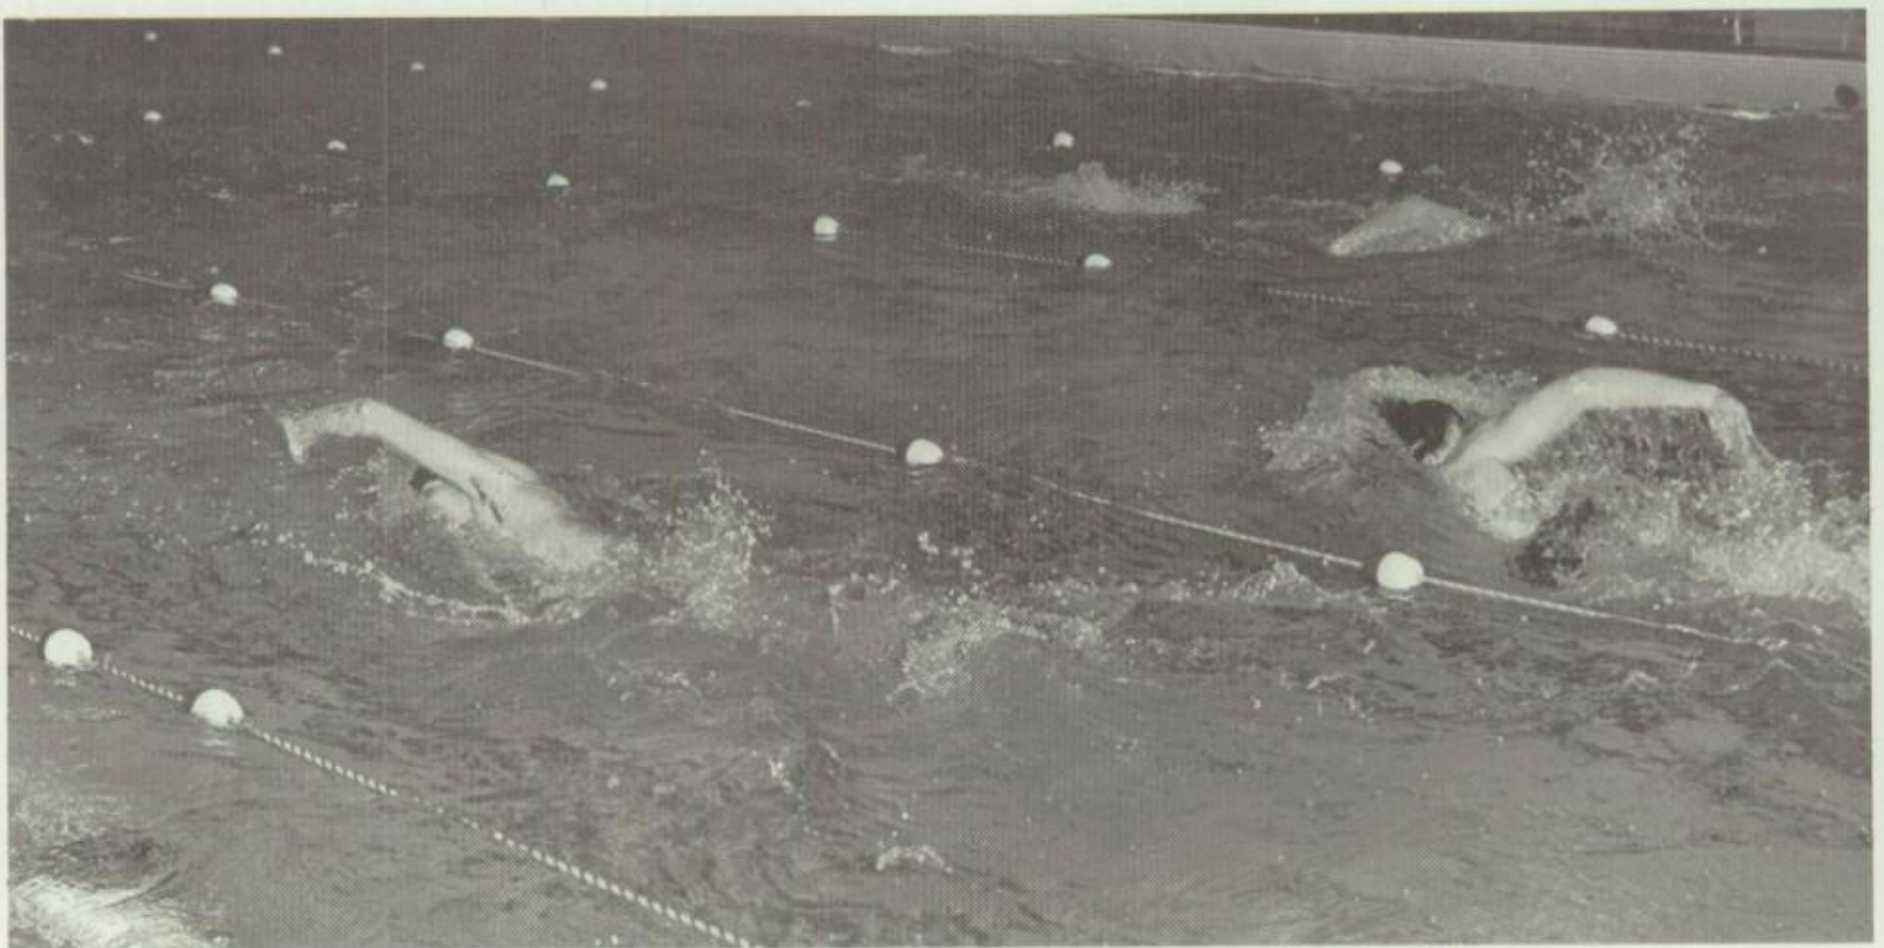

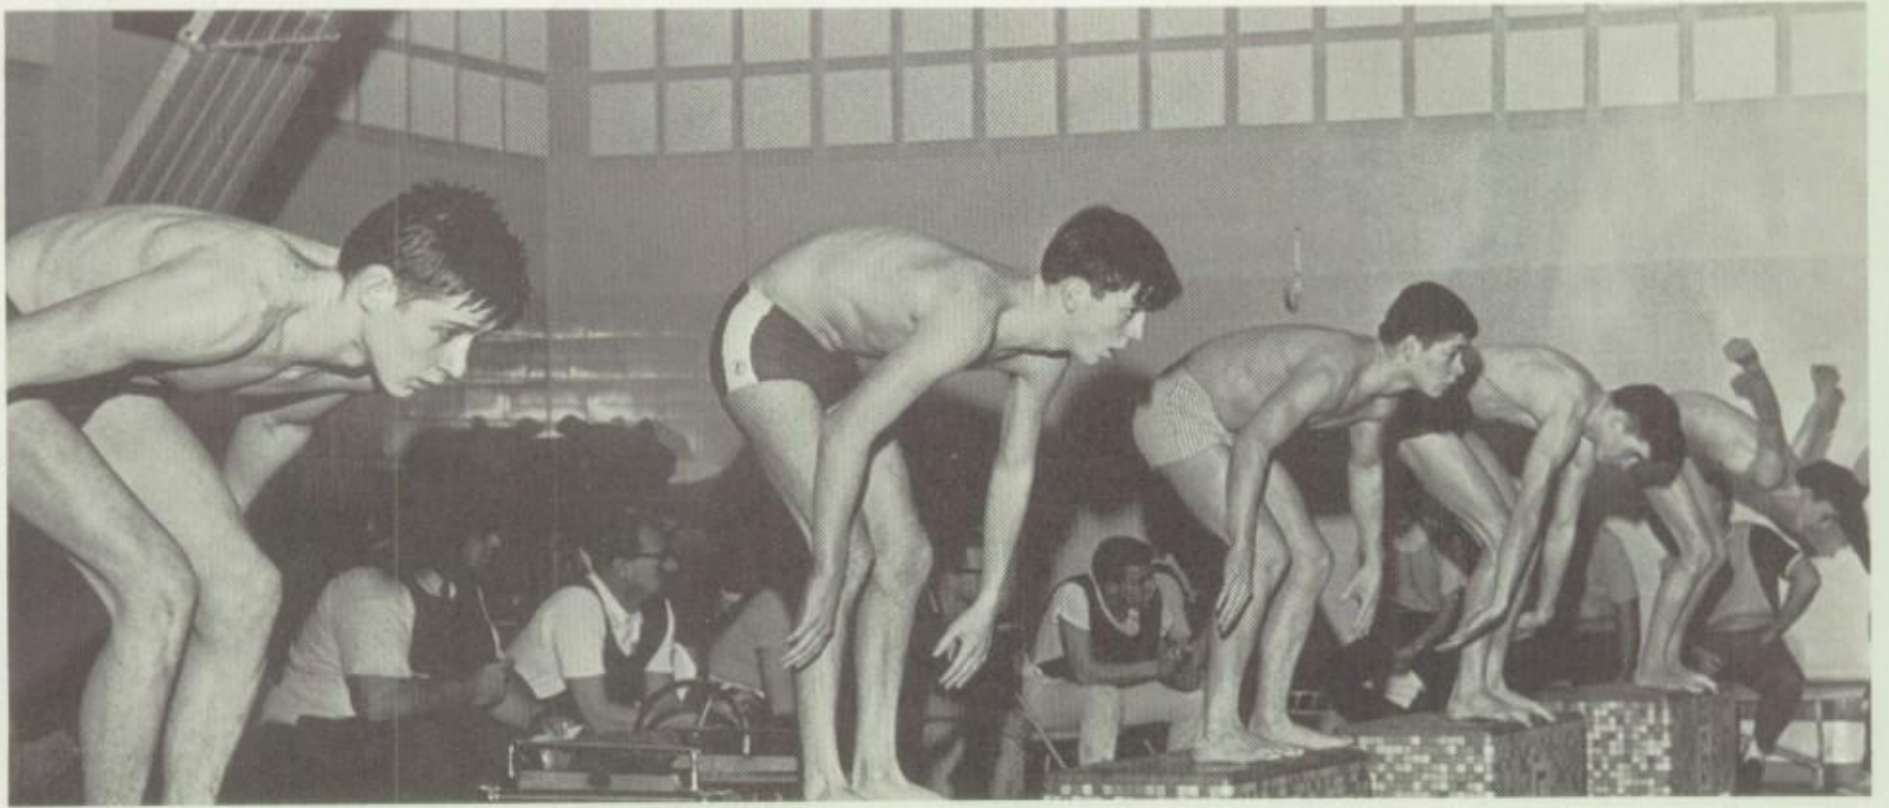

This plan makes me dizzy.

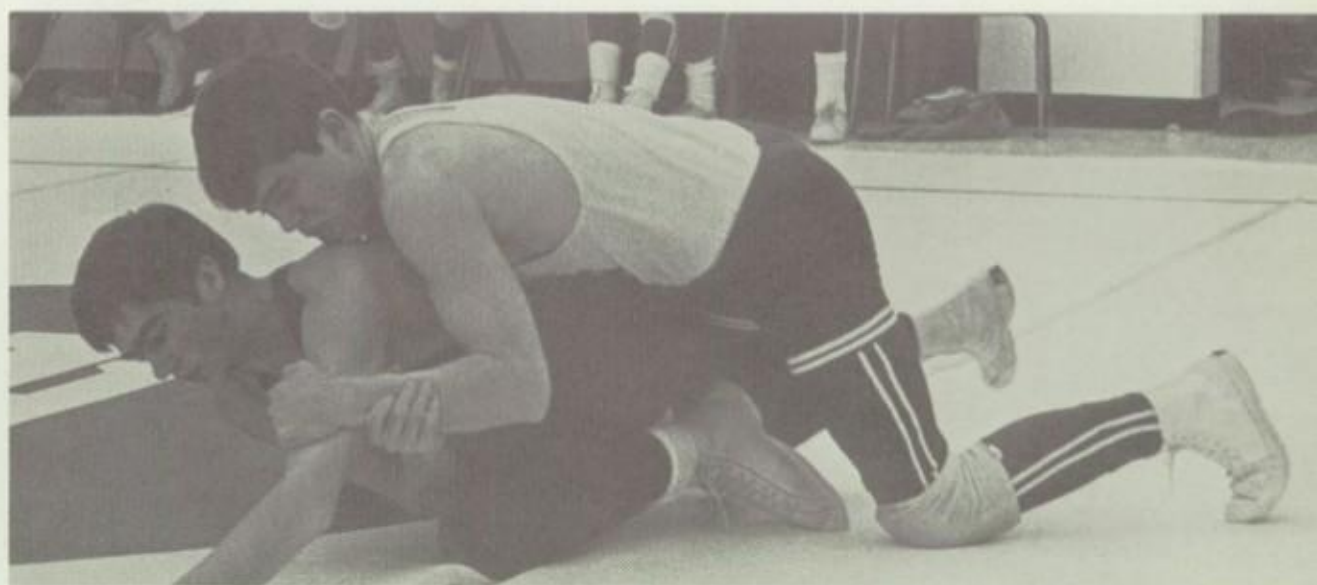

Mommy should have been here ten minutes ago.

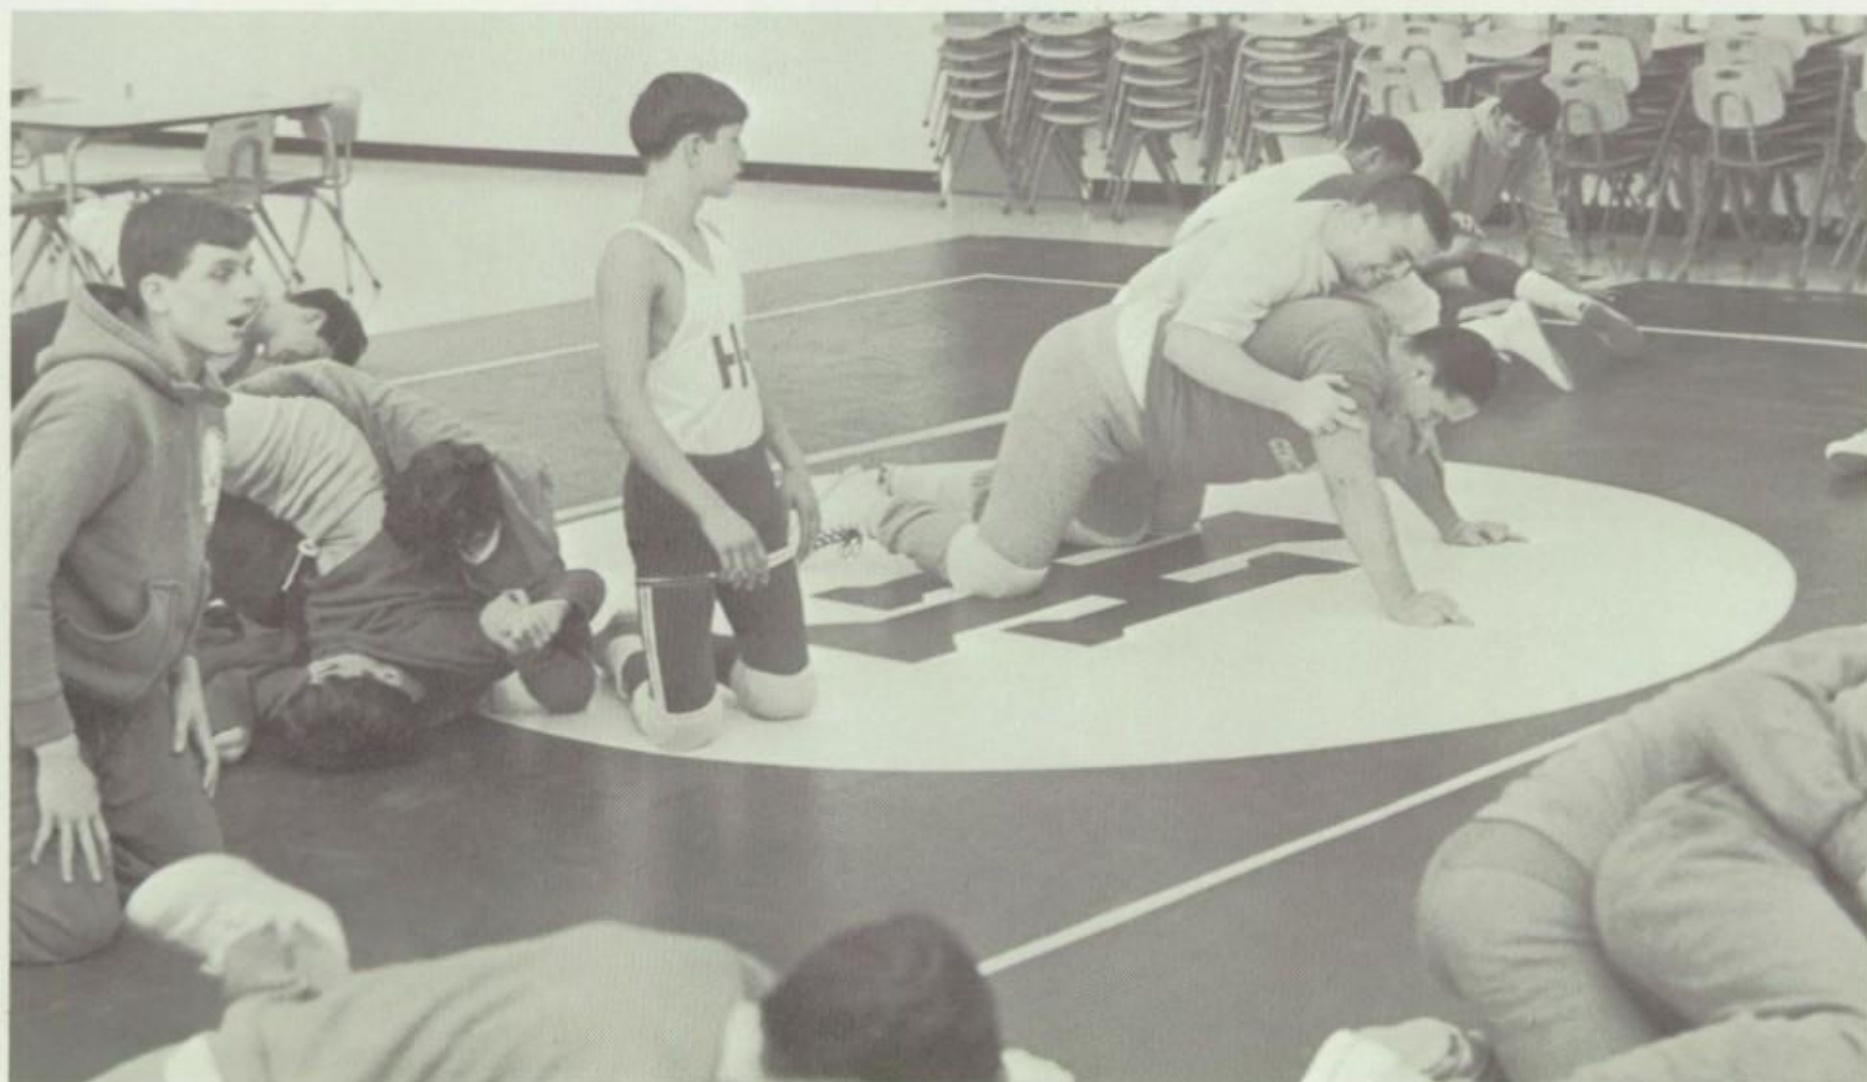

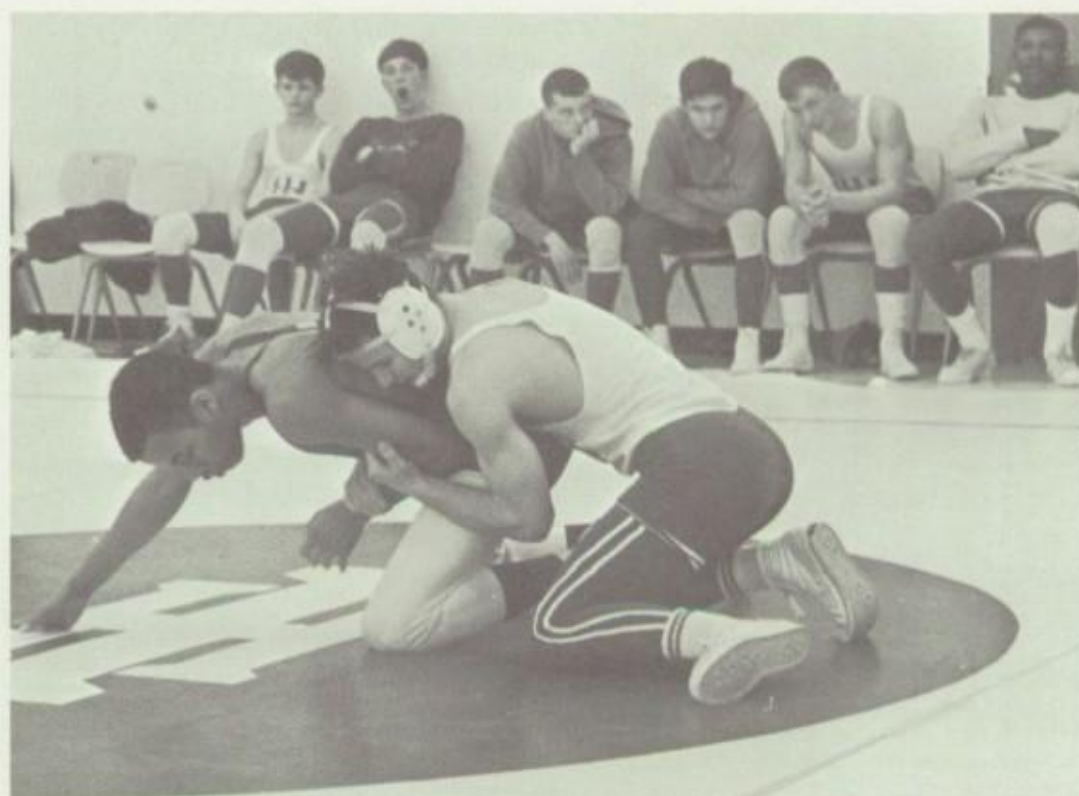

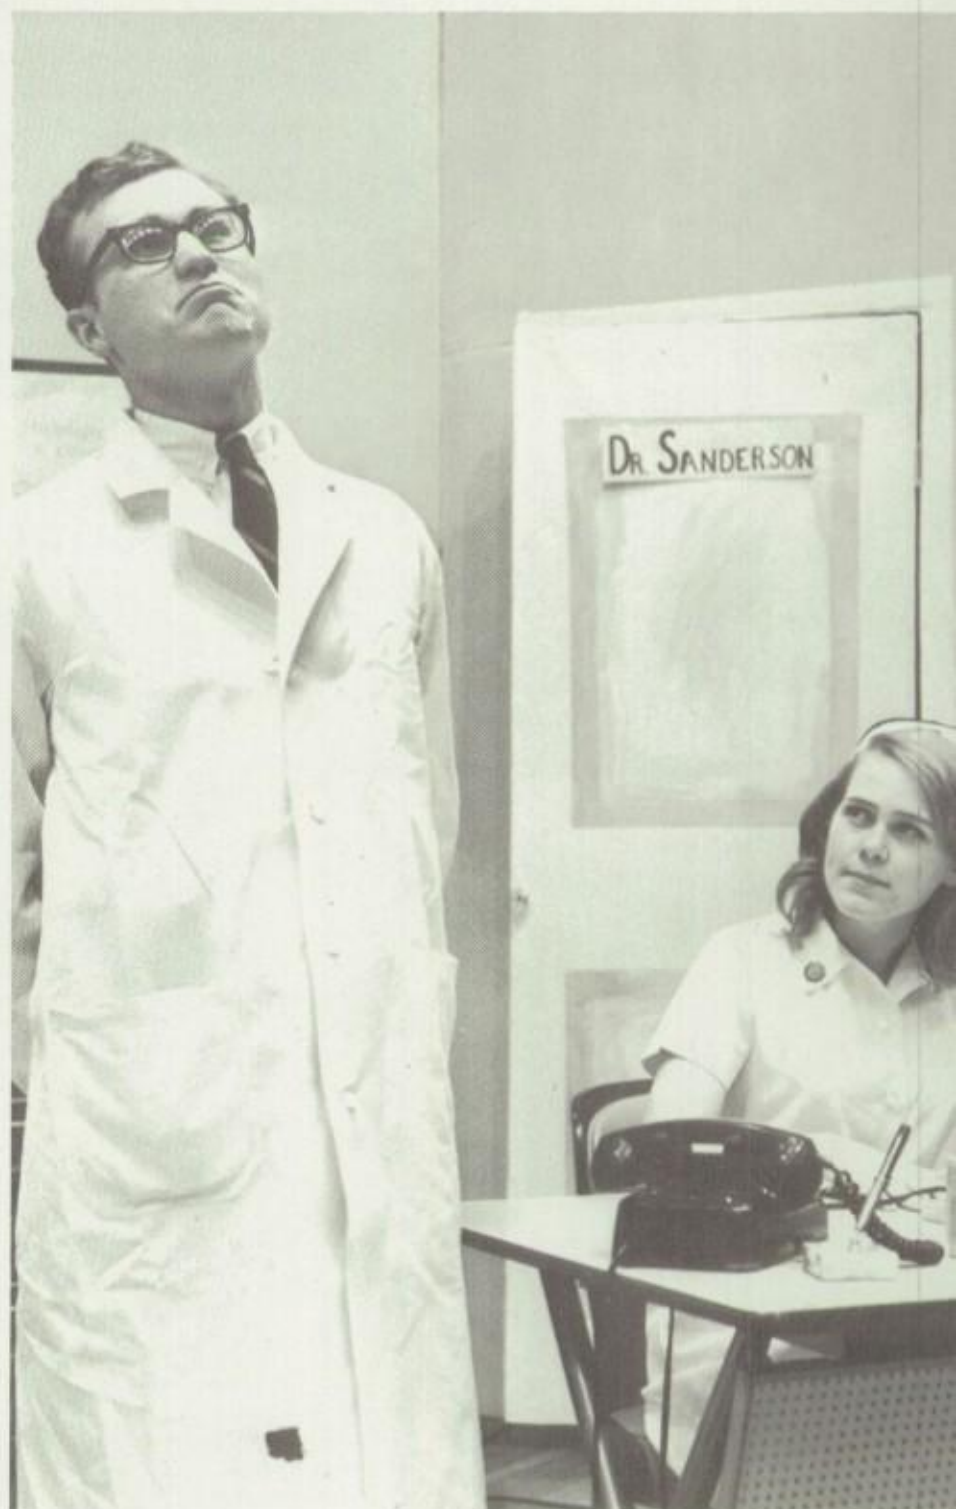

The "Underwater" Braves and the Indian Hill "Matmen" upheld I.H.'s reputation for excellence in sports with their great swimming and wrestling. A new sport at Indian Hill, wrestling was supported enthusiastically by the student body, and the "Matmen", themselves, had a great spirit. In the same fashion, the swim team set many new records and surpassed performances made last year as a new team.

Once again the Dramatics Club took its wardrobe department out of mothballs and presented one of its show-stopping lighthearted comedies. The star of the production was an invisible 6' 1 1/4" rabbit or pooka. Webster defines the pooka as an elf or fairy spirit appearing in the form of preferably large animals to crackpots and cranks. The plot centered around a sister's attempt to break up the friendship between her brother and Harvey, who has ruined her social life. Added attractions were Blondie's Chicken Inn, a sanitarium's hydrotube treatment, and a white slaver. Certainly one of the best aspects of the production was the special effects created while Harvey was on stage. Great commotion occurred when the cast discovered that *Harvey* was going to be presented on television the night before their performance. However, relief came when the program was postponed to a week later.

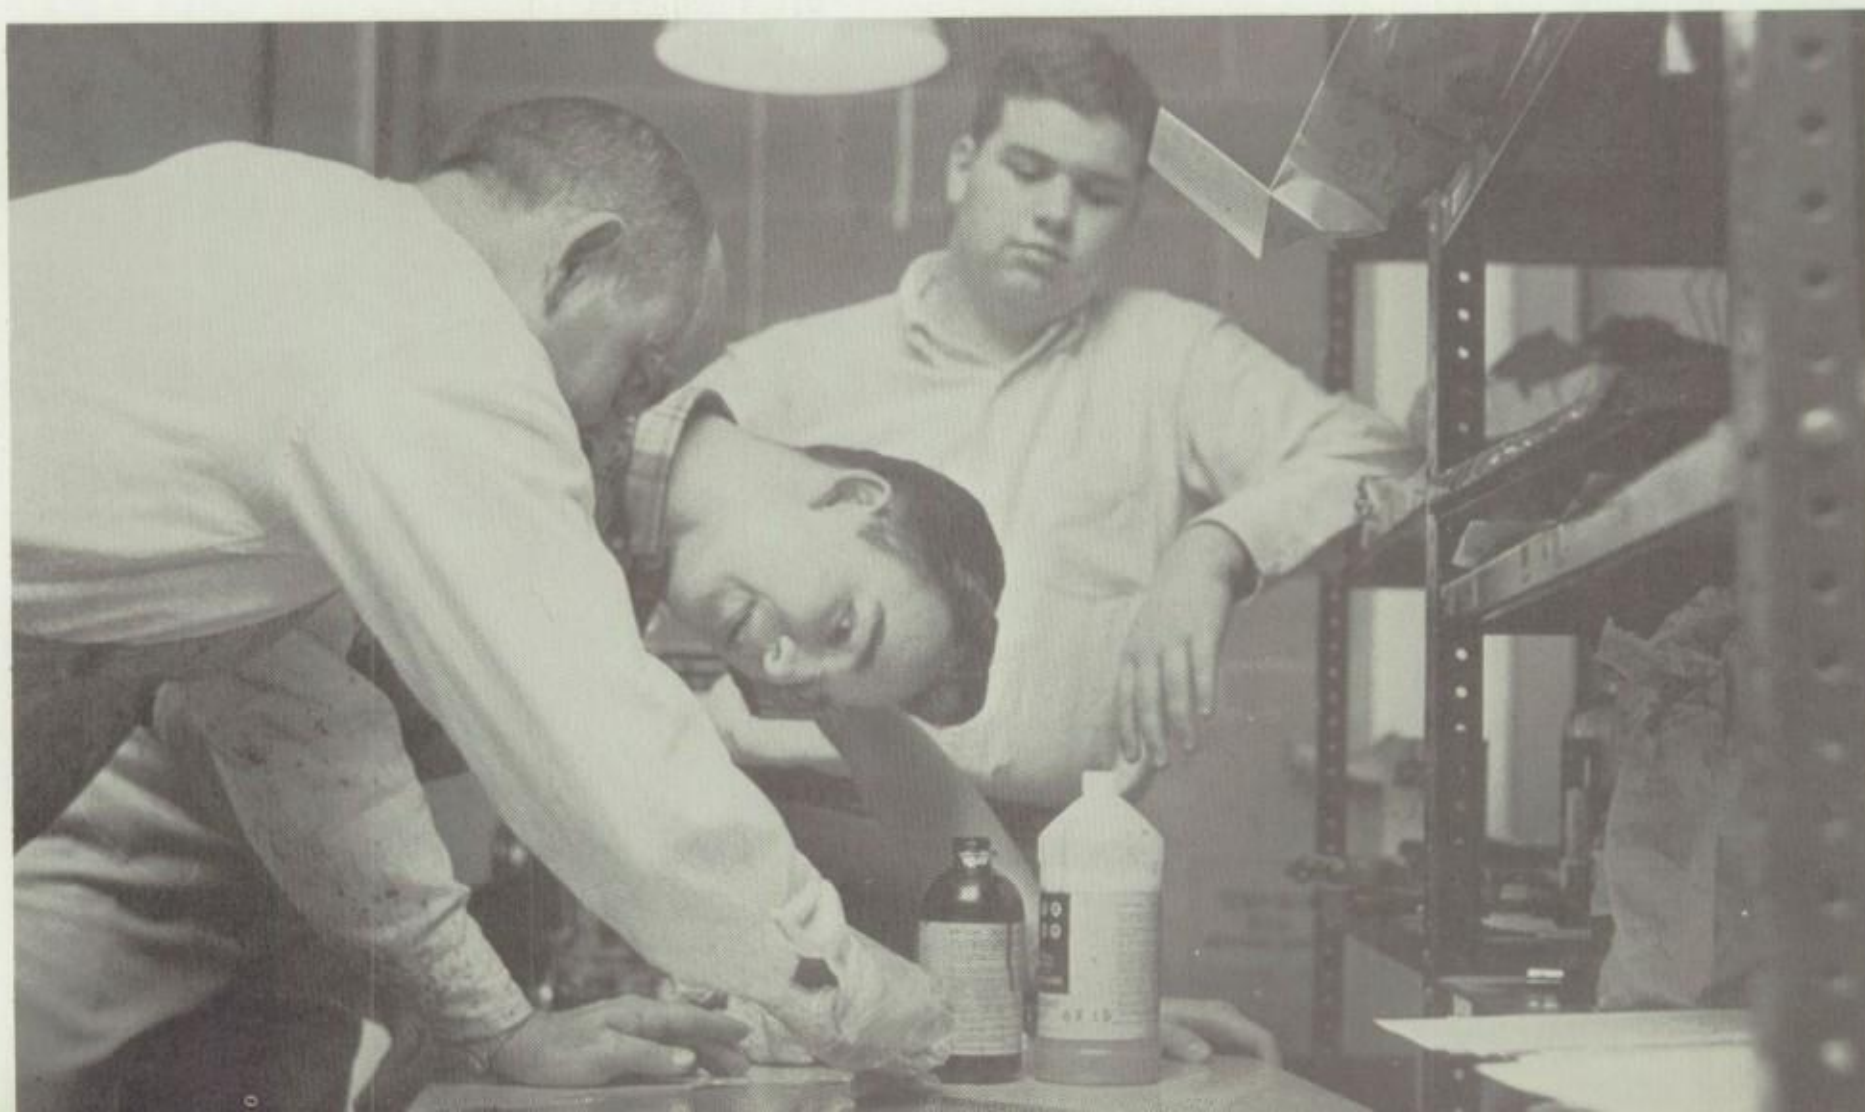

Hmmmmmmmm—Senioritis, I think.

Once again the *Chieftain* staff sponsored by Mr. Kincaid succeeded in printing many commendable publications. This year, Ted Walkenhorst, Editor, appointed an assistant, Cindy Brooks. She learned a great deal about the production of the paper in preparation for next year when she will become the new editor.

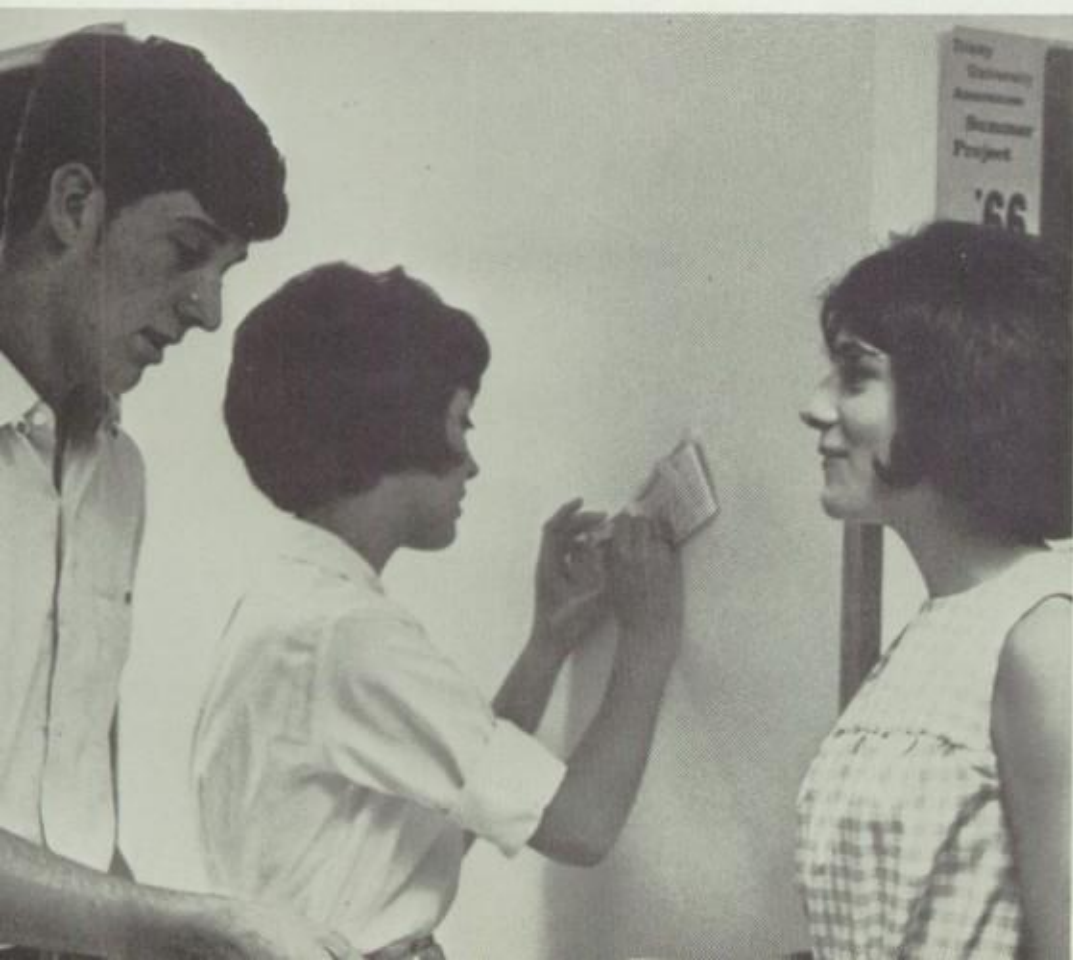

The *Chieftain* also had a great staff including: news, features, sports, clubs, art, and make-up editors; production, circulation, and business managers; reporters; typists; and photographers. One of the greatest advantages of being on the *Chieftain* staff was the opportunity to attend the incredible staff meetings. In these meetings developed a deep passion and concern for learning about every aspect of our school. The feelings described were inevitably reflected in the paper. "Lovett Against the World," "Fanny Flanders," "Poet's Ponderings," and "*Chieftain* Final" were some of the many new features added to the *Chieftain* which helped to make the *Chieftain* this year at Indian Hill the best ever.

Working on the 1966 *Legend* was quite an experience for everyone. Last fall, the four editors: Kathy Ortner, Lay-out, Karen Ulfers, Advertising, Jane Geyer, Copy, and Pam Burdsall, Editor-in-chief, knew nothing about how a yearbook was really produced. Then all of a sudden, they had an office, equipment to work with, and deadlines to meet. Pictures had to be scheduled and taken, ads had to be sold, and copy had to be written. There were always bags to be signed, pictures to be cropped, and people in pictures to be identified. Some of those who gave a large amount of their time to work on the *Legend* were: Marcia Hatch, who typed and wrote copy, Tom Siegman, who helped with lay-outs, and Barb Sanders, who assisted the editor.

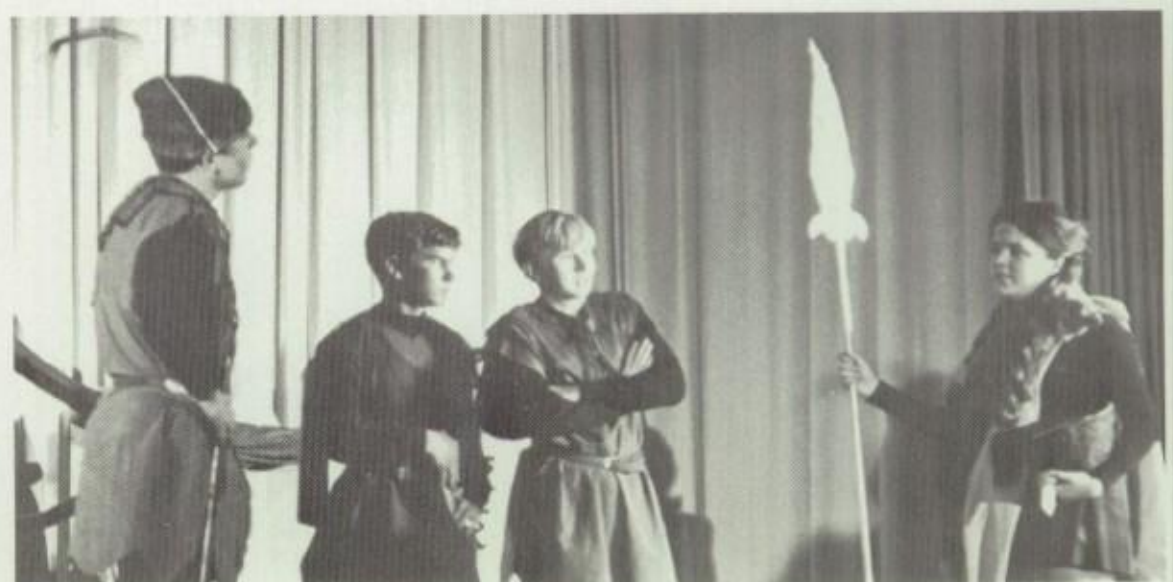

The great stoneface.

The Indian Hill Chapter of the National Thespian Society, sponsored by Miss Berwanger, is an honorary society of the dramatic arts which stimulates and further encourages the development of the members' talents. Membership in the organization is based on the accumulation of fifteen points from acting, working backstage, reading and attending plays. The most important event of the year was the entering of "The Hitchhiker" in the Hamilton County Thespian Contest. An annual formal initiation was held at the end of the year at which awards were presented for the best performances and best backstage work.

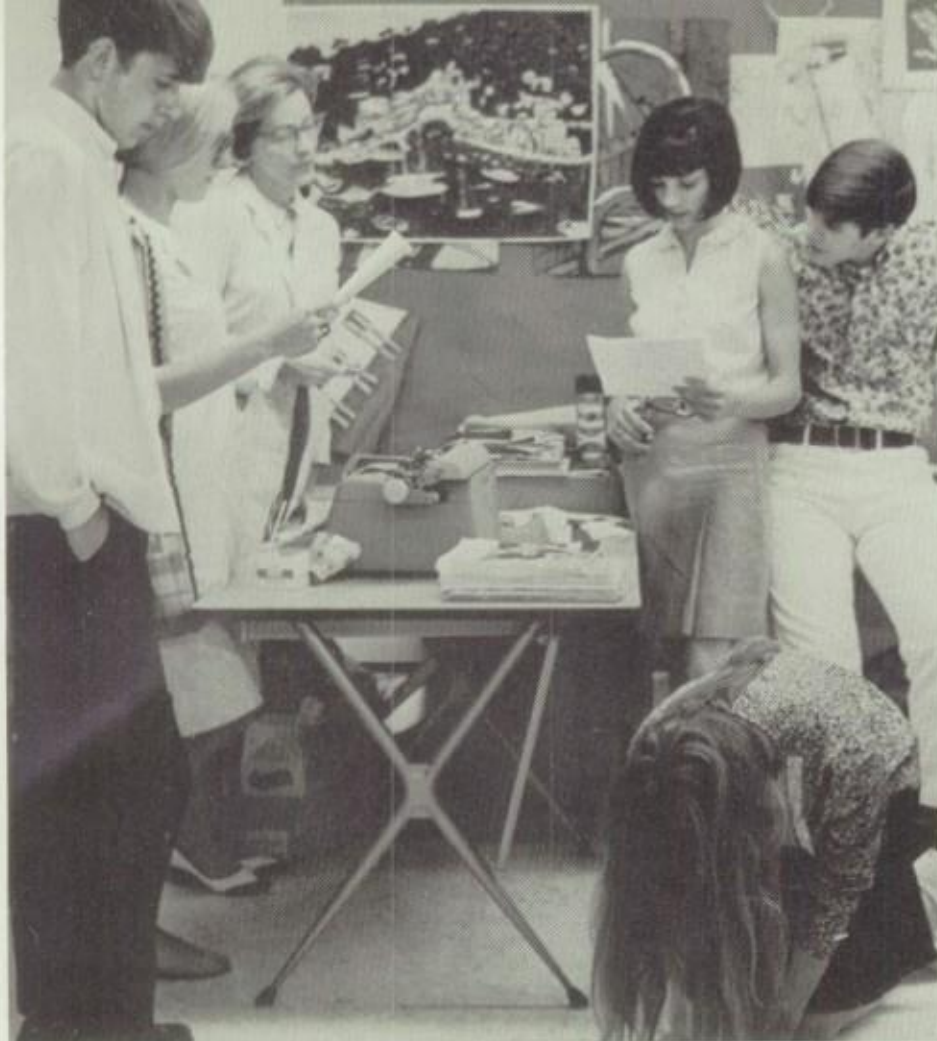

You say you did your position paper and Foreign Relations notebook in one night?

Confucious say: When depressed, have another Sake.

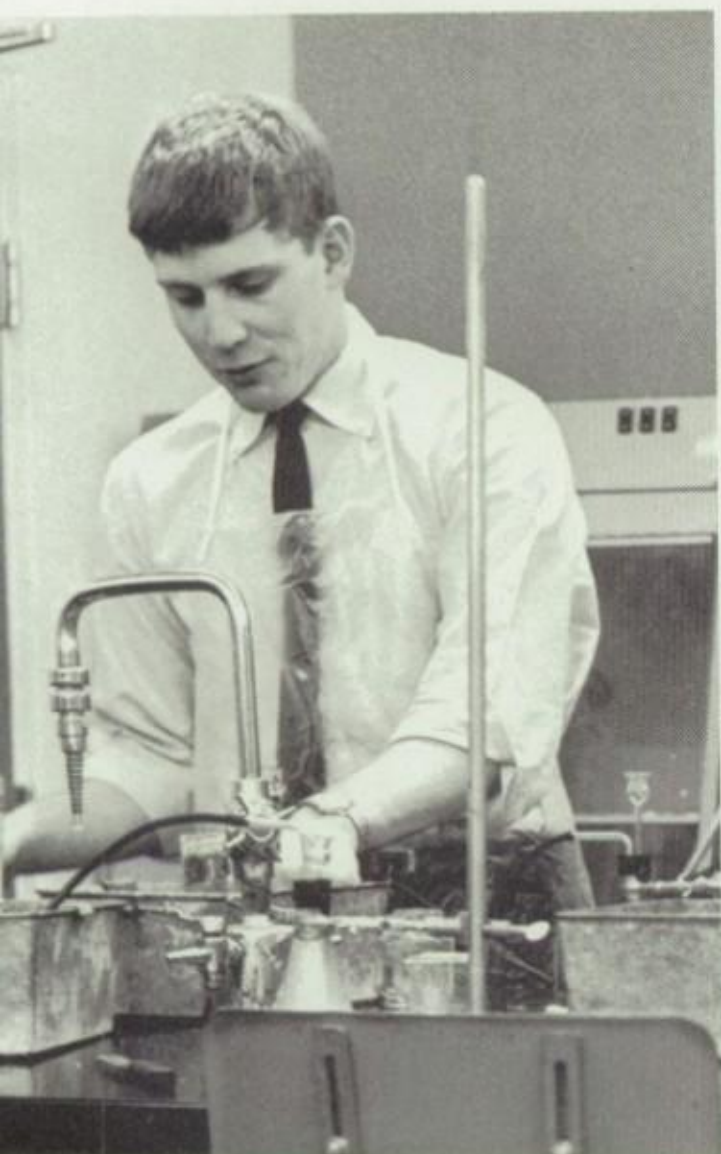

The Art Club was a new club at Indian Hill this year. Led by Lis Sherrill, President; Karen Ulfers, secretary; and Kathy Ortner, Treasurer, the Art Club concerned itself mainly with organization. Meetings were held every other Wednesday after school with Mrs. Wirthlin serving as sponsor. Projects undertaken by the Art Club included decorating the windows in the Commons Building at Christmas time, and hanging pictures in the faculty dining area. Also, members of the Art Club helped to decorate the windows of the cafeteria as "Little Girls" for the G.A.A. Dance, and in James Bond style for the Basketball Homecoming. Next year the club hopes to paint a mural for the lunchroom.

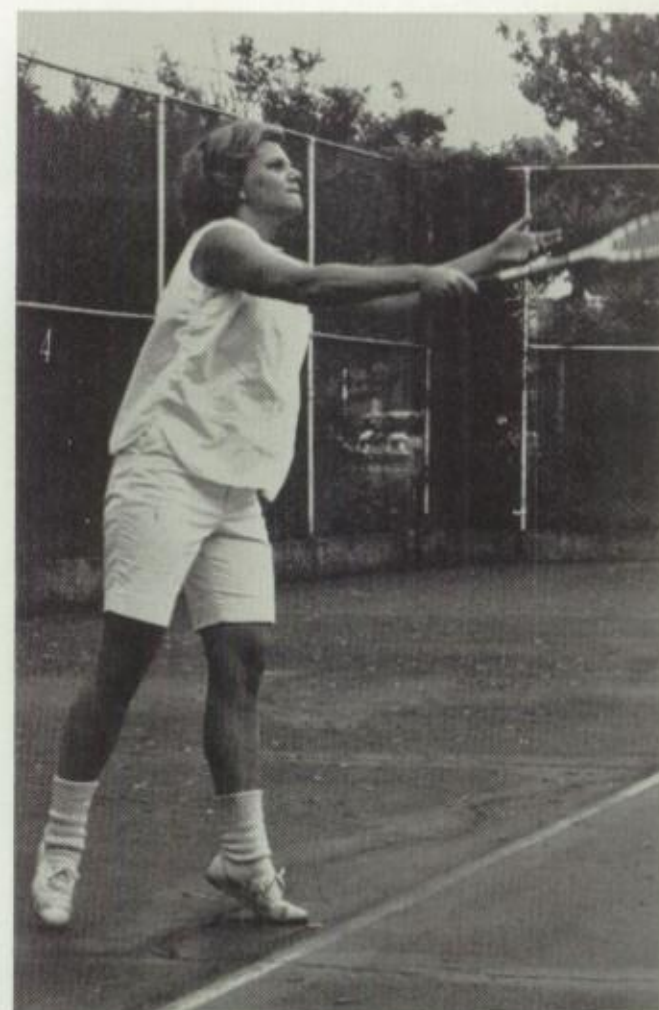

The purpose of the Future Teachers of America Club is to provide girls with facts about and practical experience relating to the profession of teaching. Sponsored by Mrs. Connelly, the F.T.A. was very active this year. They undertook the project of tutoring fourth and fifth graders in math and English at Miamiville school. Also, in February the girls served a luncheon for the teachers' workshop. The success of the club was due largely to the fact that it had very capable leaders. Karol VanHouten was President, Susan DeMar was Vice-president, Lisa Morgan was Secretary, and Donna Martin was Treasurer.

The Home Ec Club is another club at Indian Hill that provides a chance for girls to learn more about a subject of interest. The main purpose of the club was to show how life would be outside of high school in the field of Home Ec. Meetings were held once a month. The club had several speakers and often baked cookies and served punch. In March the Home Ec Club went on a picnic, and in April they had a bowling party. The Home Ec club was sponsored by Mrs. Corbett, and led by President, Georgia High, Vice-president, Fay Farrel, Secretary, Jackie Botts, Treasurer, Linda Lohr, and Chairman, Brenda Allen.

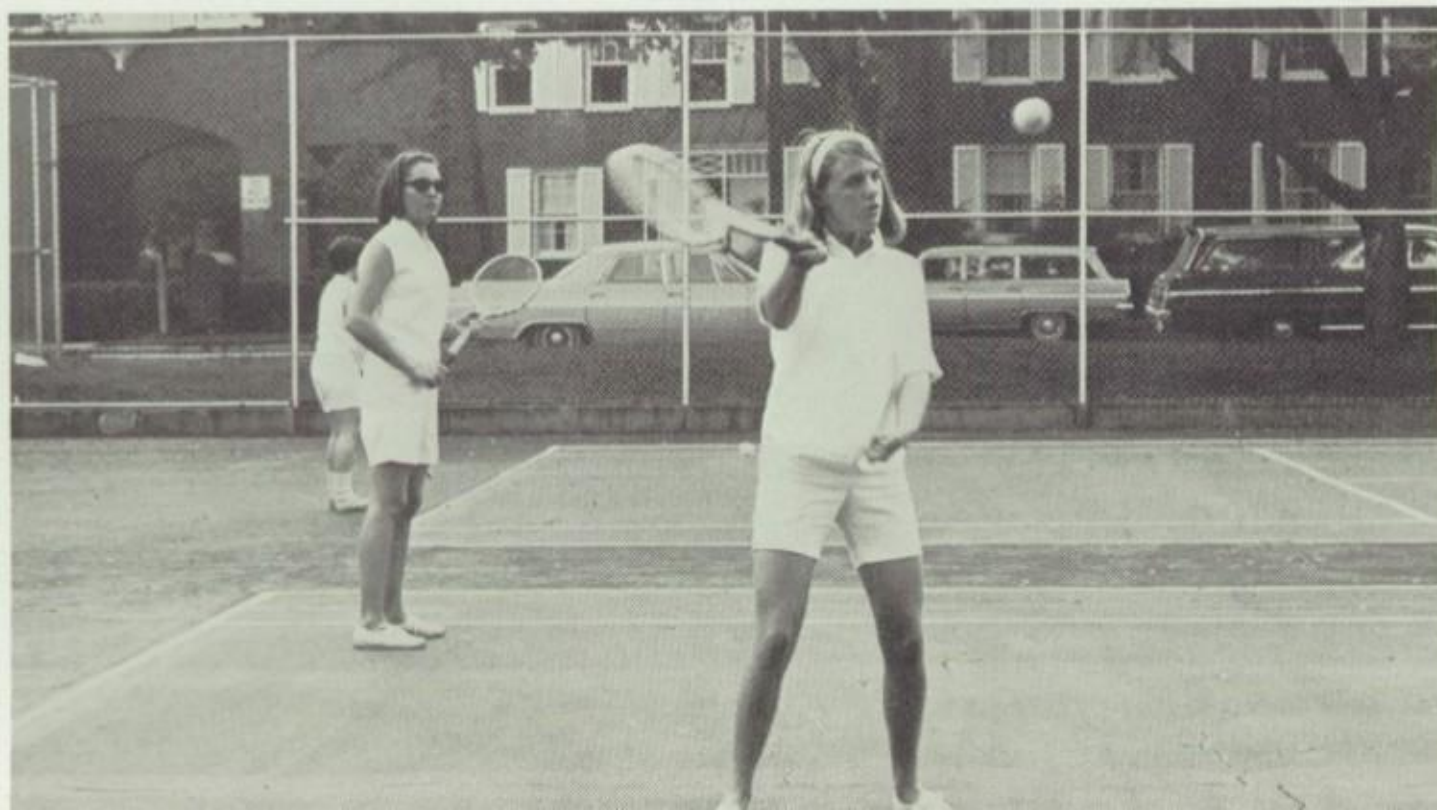

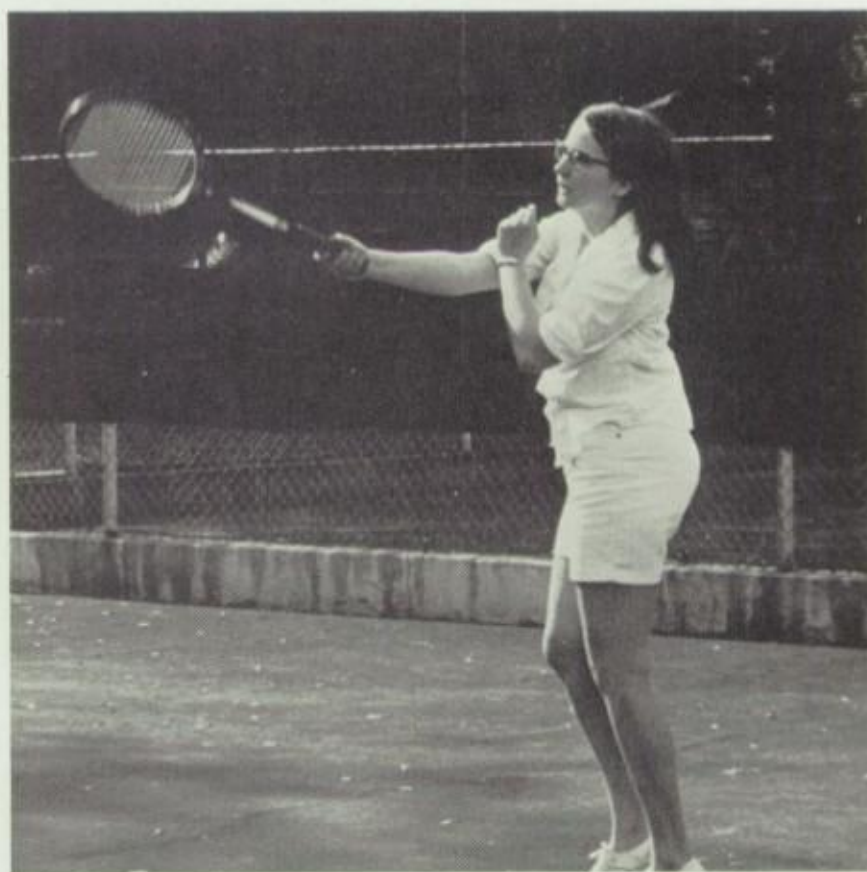

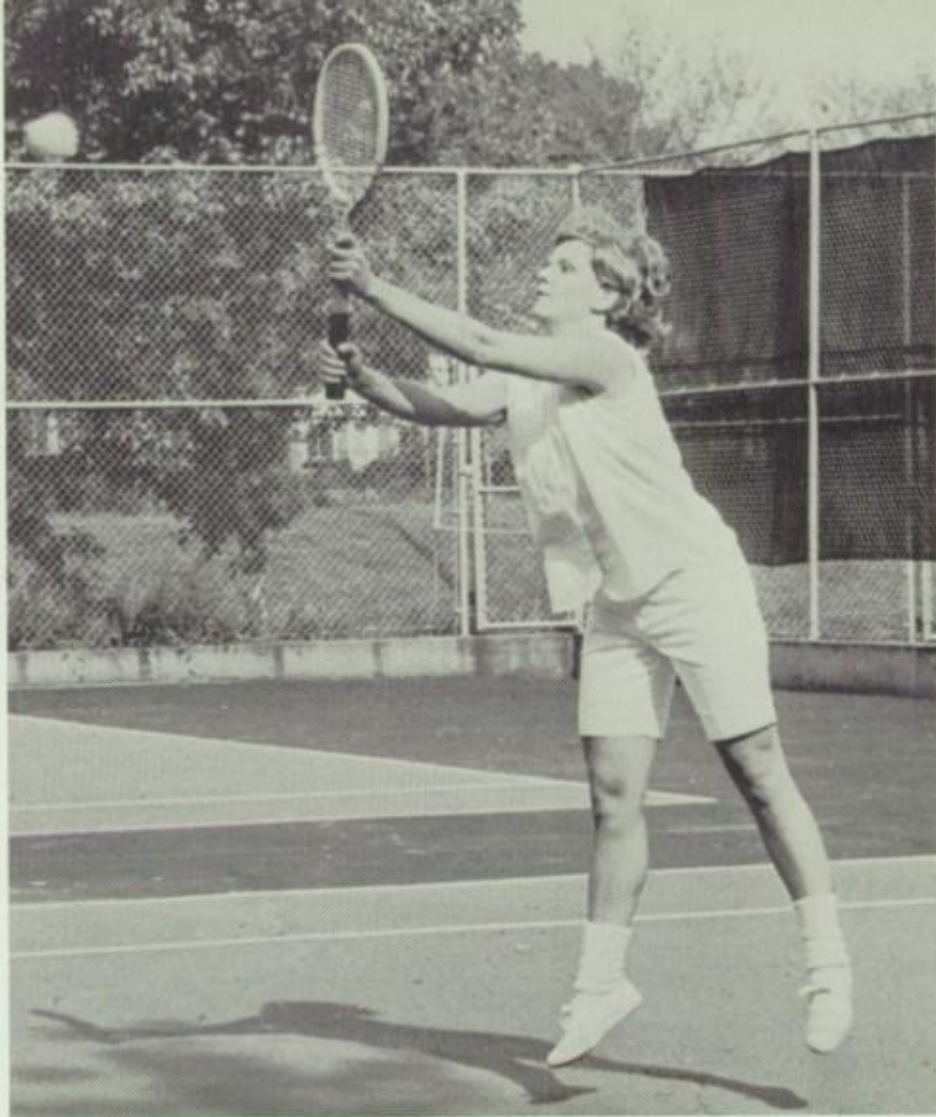

The Science Fair had projects to interest everyone. The radio club gave demonstrations on their ham set, physics classes showed light waves, and biology students exhibited their projects.

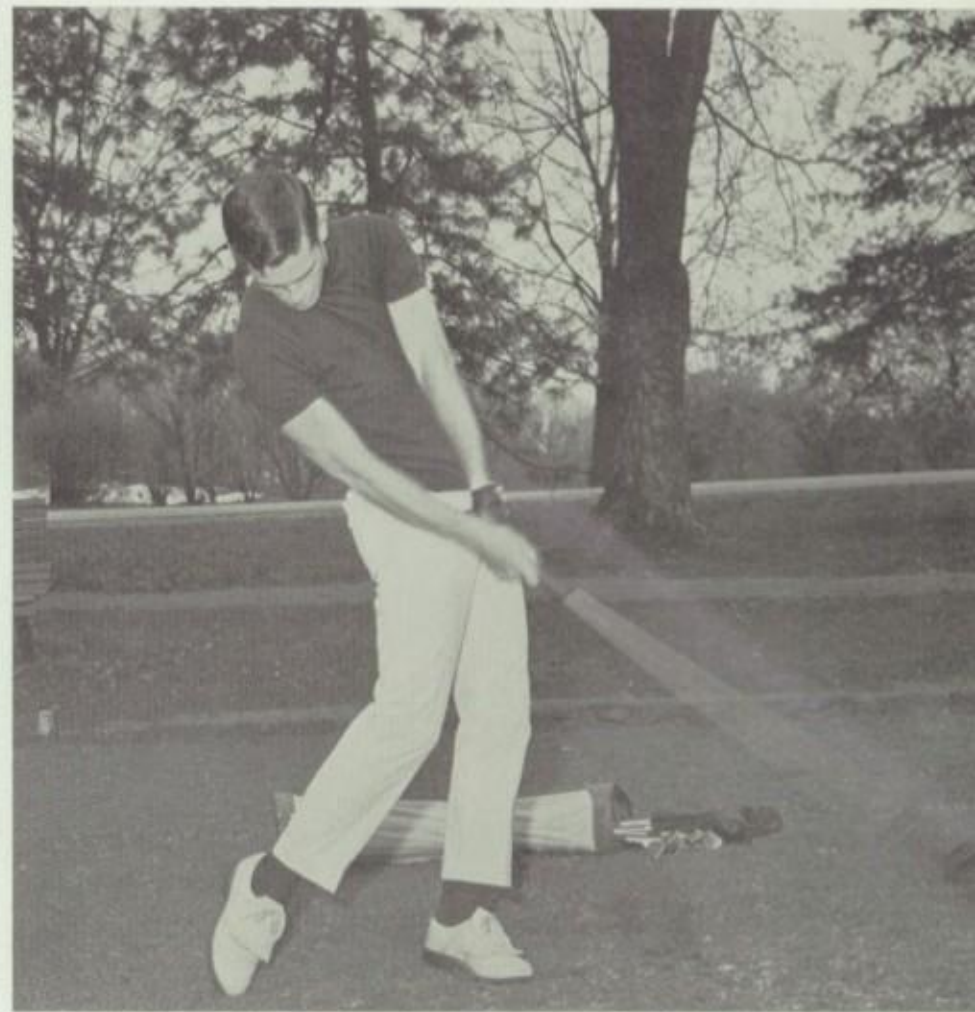

The object of all sports is to build strong bodies, friendships, and characters. Girls through participation on the track and tennis teams reached these goals.

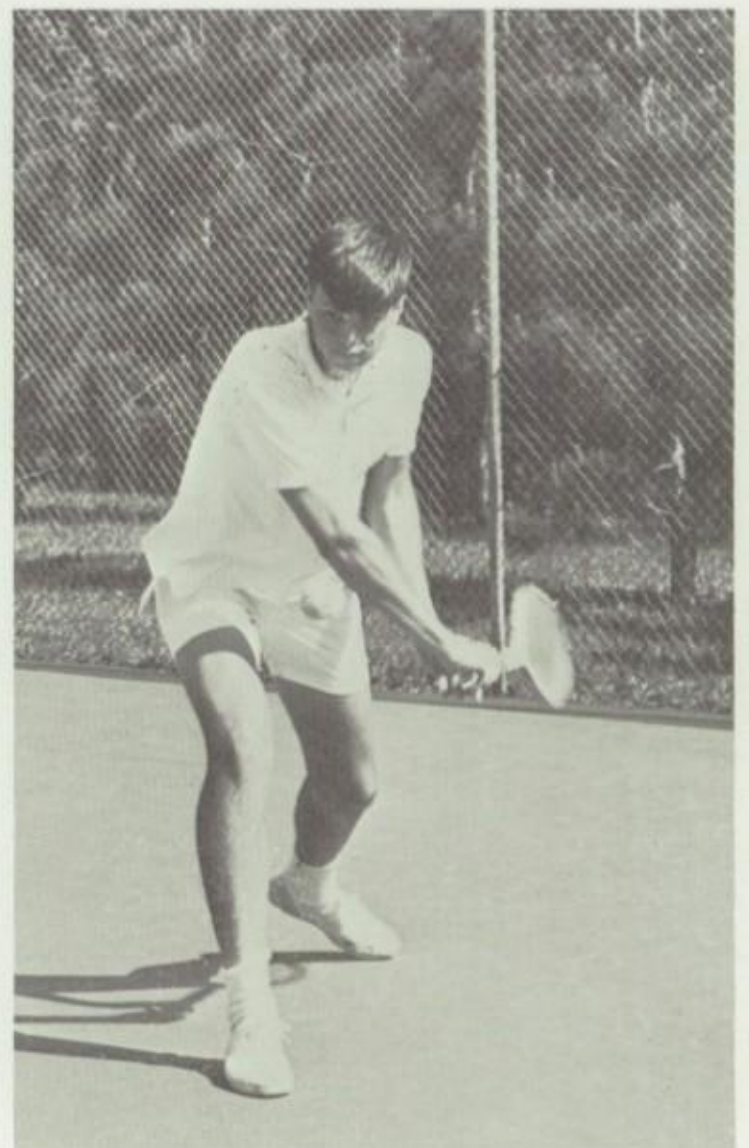

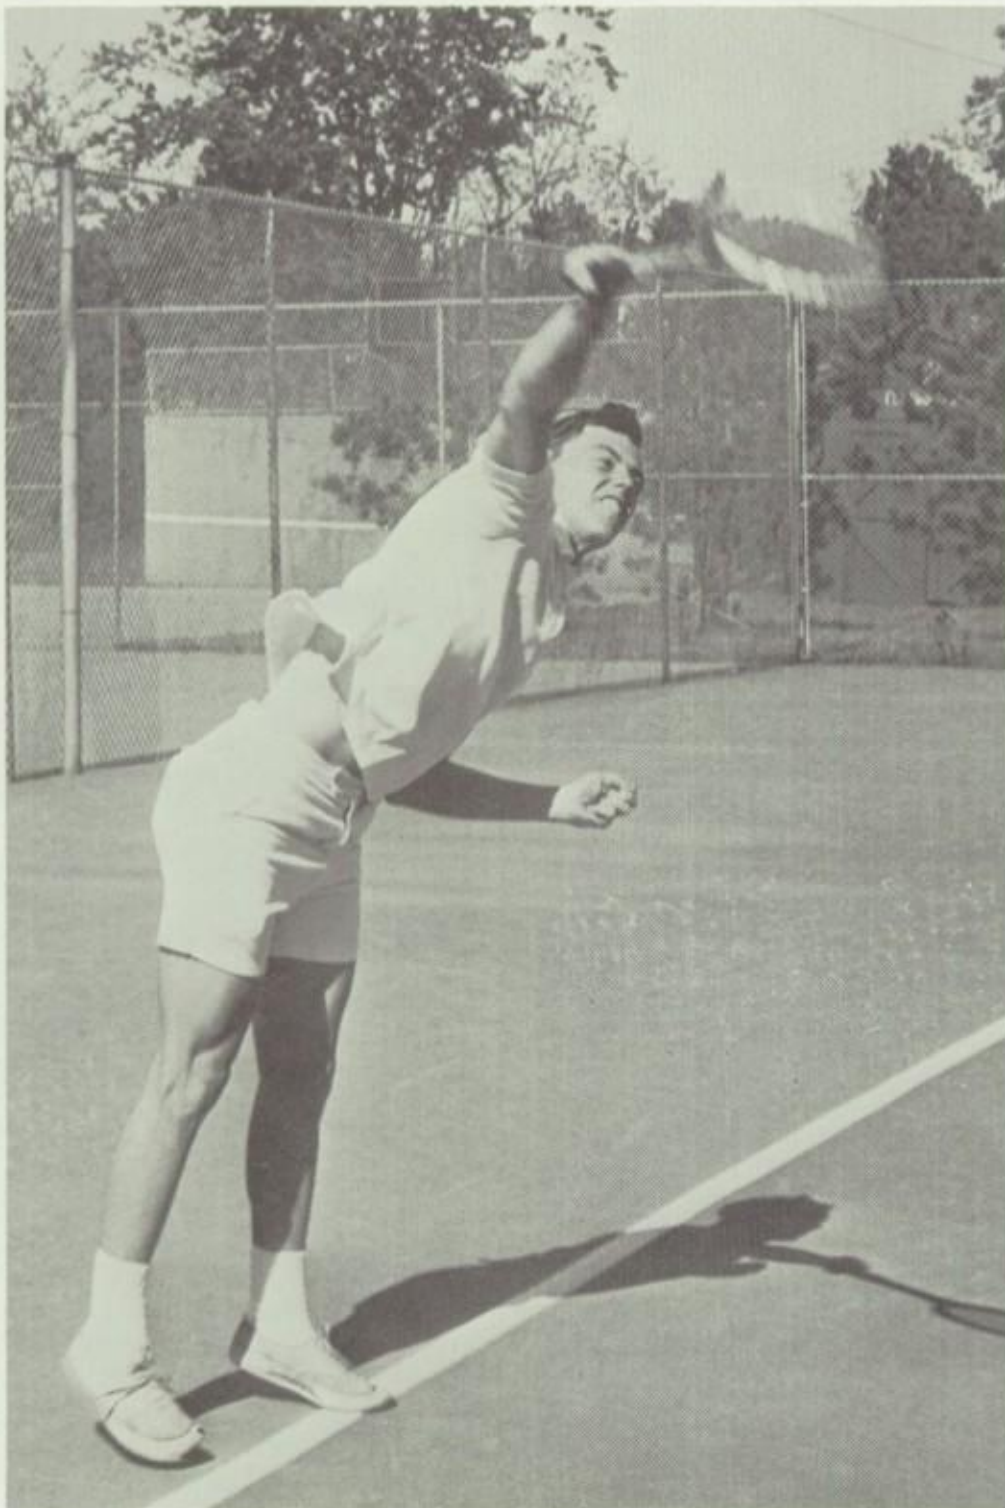

The Track Team really burned up the cinders, this year, while setting many new school records. They began their practices in the halls of the Commons Building when it was too cold to run outside. Even in the spring on rainy days, the boys could be seen faithfully running through the halls. The Precision Chorus, who tried to practice there, can testify to that!

Spring sports would not be complete without good golf and tennis teams. This year, Indian Hill was fortunate to have both. Dave Boskin and Lou Fiore went to the state tournament in Tennis, and Tom Reavis and Bob Montgomery were two of the best golfers in the city.

The Baseball Team started out the year in the gym with their new equipment. They practiced hard and got a sneak preview of the Pow Wow on the side. Pow Wow proved to be a good influence. The Baseball Team won the E.H.L. Championship.

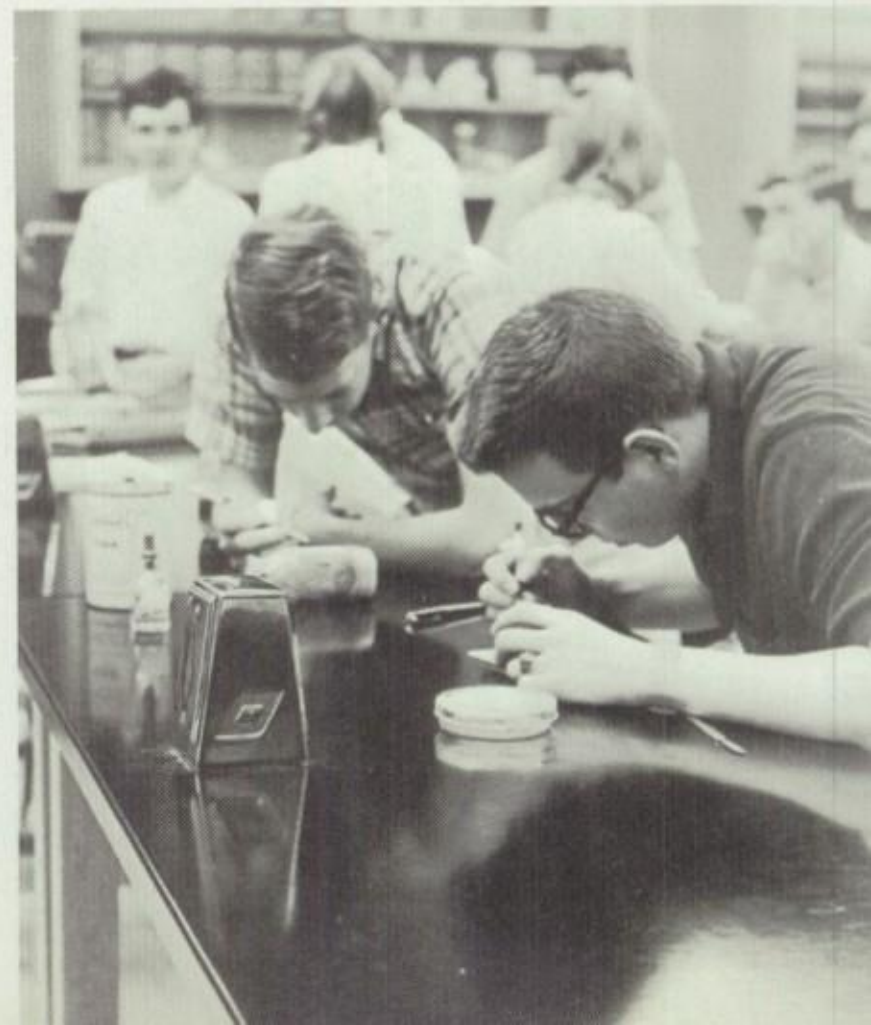

The Chess Club, under the sponsorship of Mr. Connell, was a relatively new club at Indian Hill this year. In fact, this was the second full year of action for Indian Hill's Chess Club. The club practiced every Tuesday after school, and established a record of three wins and four losses. They played such teams as St. Xavier, Withrow, Mariemont, Goshen, Loveland, Kings Mills, and Country Day. President of the Chess Club was Greg Starr.

The Debate Club, sponsored by Miss Selzer, has been in existence a little over two years. Each year the club picks a topic to debate. This year's topic was "Resolved: that there should be compulsory arbitration in labor-management disputes in basic industries." The club participated in debates with many schools and competed in a district debate tournament.

The National Forensic League, an honorary society connected with the Debate Club, took in members who had earned a specific number of points and had been approved by the faculty. The officers of the Debate Club were: Chuck Johnson, President, Jay Chewning, Vice-president, Doug Seitz, Secretary, and Jim Koch, Treasurer.

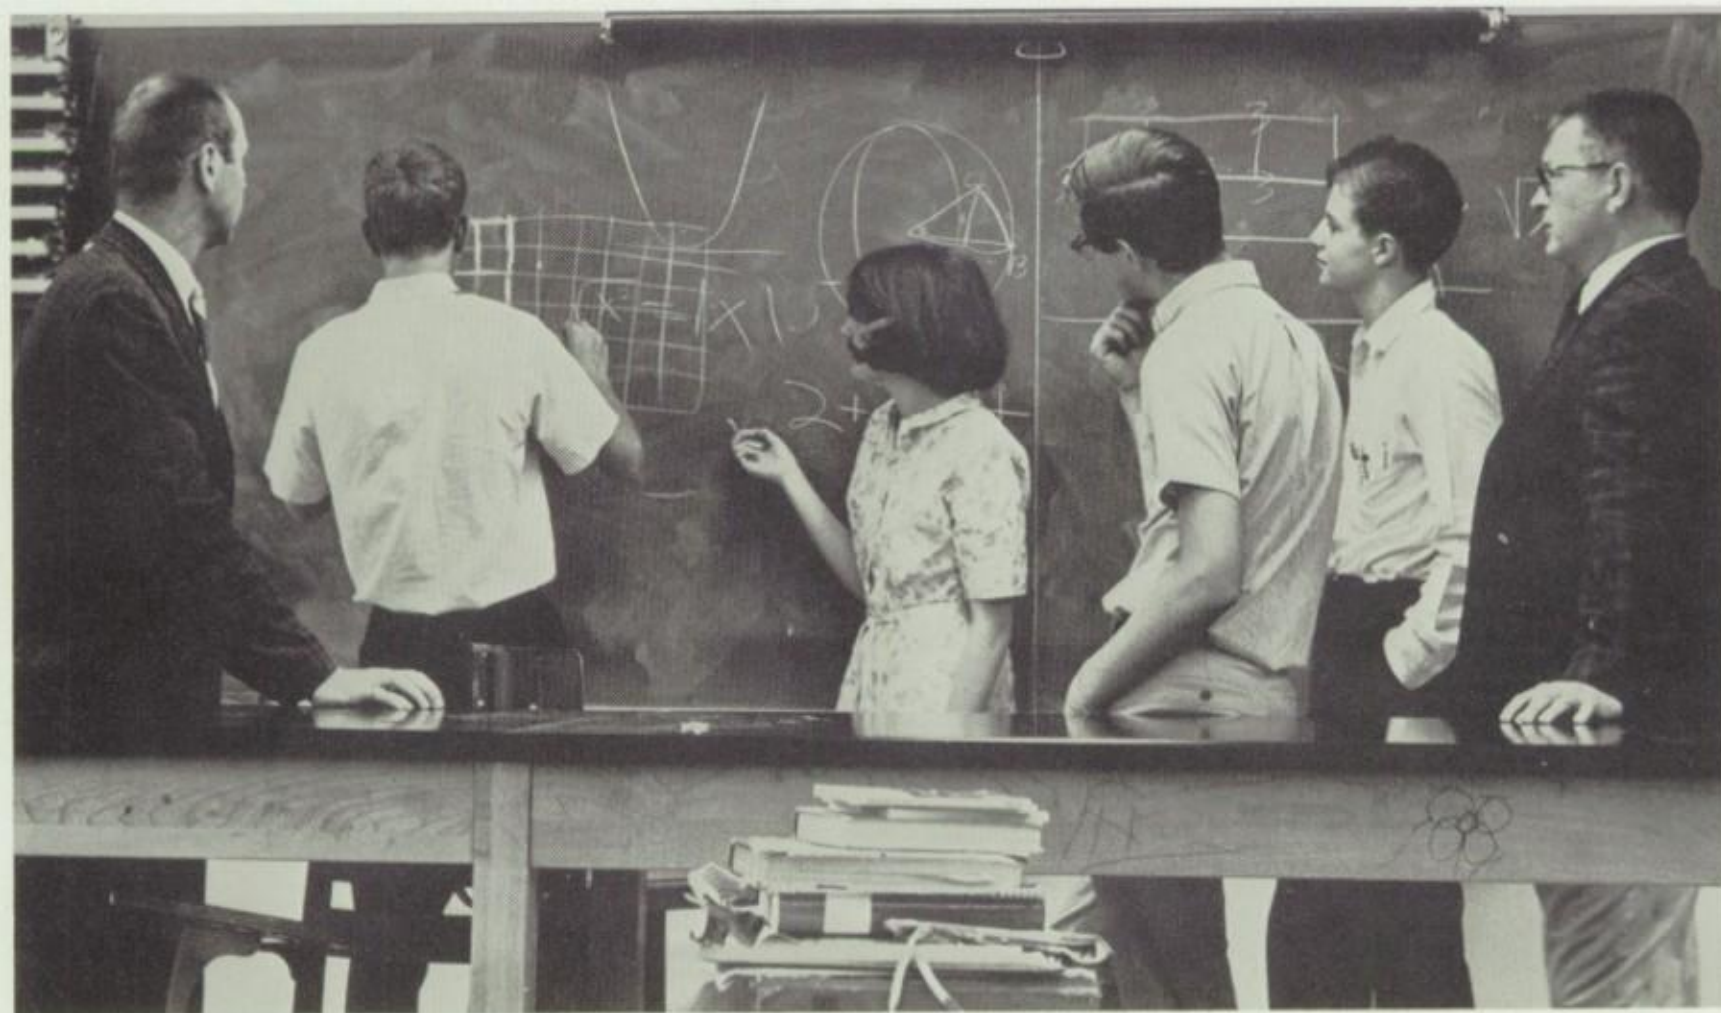

The Science Club had several very interesting projects this year. They began by taking a field trip to some prehistoric Indian mounds in Mariemont. For several months, members of the Science Club tried to piece together bones and identify the fossils and sea shells according to the type of animal and the period in which it lived. At their meetings, held on the second Tuesday of each month, the Science Club often watched movies and discussed topics in which they were interested. In February the club sponsored the Science Fair which was a great success. Finally, the Science Club ended the year with a field trip to the Merrell Company. There they were taken on a tour through the research labs of Organic Chemistry, Chemical Analysis, and Endocrinology. The officers of the Science Club were: John Holmes, President, Jay Chewning, Vice-president, and Kim Tingley, Secretary. Mr. Wojcik sponsored the club.

The principal objective of the Radio Club is to promote interest and knowledge in amateur radio broadcasting. This five-year-old club was very active this year. Among its activities were: assisting amateur operators in obtaining their Ham licenses, building their own equipment, having code and theory classes, and participating in many contests. Through fund raising projects such as candy sales, the club paid for most of its own equipment. The Radio Club has a station at school with the call number WA80VU. Mr. Connel was the club's advisor, and Gary Stowell was President of the Radio Club this year.

A new publication at Indian Hill was the *Maize*, a literary magazine composed of short stories and poems written by students at Indian Hill. Every Wednesday the Editorial Board of the *Maize* met to consider literature that had been turned in. Previous to the meetings, Cindy Linell typed the articles submitted for the members of the board to consider. At the meetings, the Editorial Board discussed the poems and artwork turned in and voted on whether or not to include them in the magazine. Curt Tweddell designed the cover of the *Maize*. Mrs. Stanton was the faculty advisor for the board, and Mr. Kincaid printed the publication.

The Math Club furthers interest in the areas of math not covered by the school curriculum. Reports concerning different types of mathematics were given by members of the club at the meetings held every other Thursday. The President of the Math Club was Neil Berkey, and the club was sponsored jointly by Mr. Connel and Mr. Gallenstein.

The Astronomy Club was another new club at Indian Hill. The desire of the club was to study and learn about the skies in any way possible. They visited the Observatory, and set aside evenings for group observation of the stars. Mr. Wojcik advised the club.

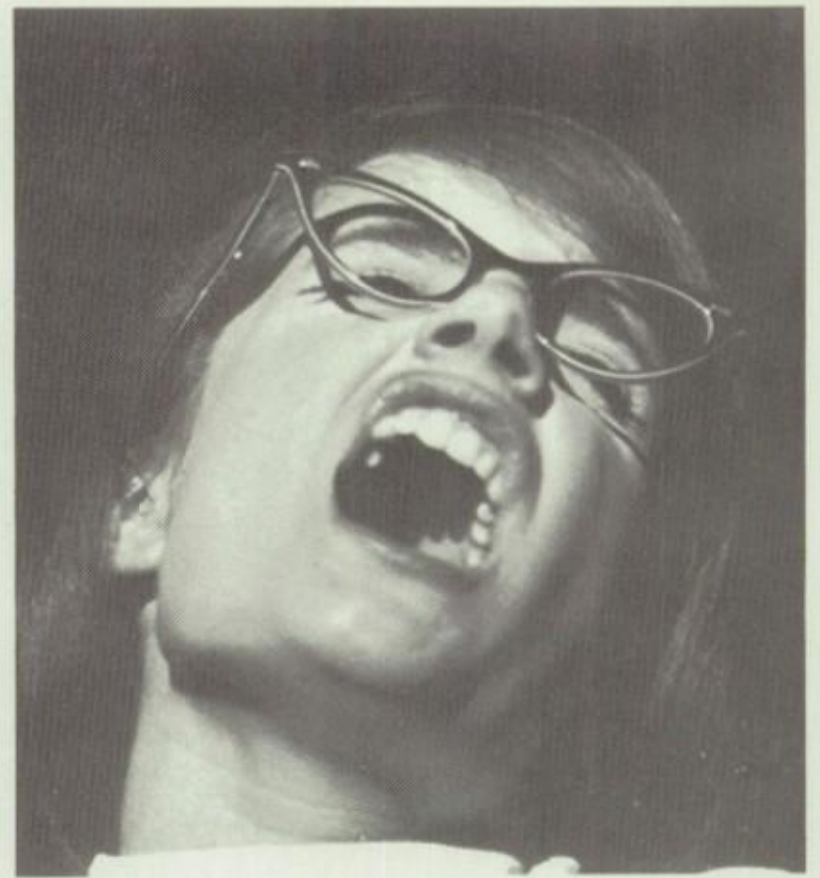

Indian Hill was "Swingin' High" on May 5th, 6th, and 7th with the 1966 Pow Wow. Under the direction of Mr. Snapp, the show took on the aspect of a variety show along with the story of a "Swingin" high school. Such all time greats as Jim Johnson, Rae Jeanne Carr, Maralyn Short, Kathy Williams, Dick Miller, Kathy Creger, and Doug Lovett made up the excellent cast which was under the direction of an "all time great" himself, Mr. Kincaid. The Swing Choir, under the direction of Mr. Cox, portrayed typical high school students as they sang their protests against the "McDuff Plan." Captained by Jane Geyer, the Precision Chorus gave the audience some smiles and good dancing. Such songs as: "Batman," "That Darn Cat," "The Munsters," and "Pink Panther" accompanied some outstanding and unusual specialty acts. Not to be forgotten was the hardworking stage crew led by student director Bob Minturn and faculty advisor, Mr. VanAken. With all of these assets, the Pow Wow of 1966 could not help but be a success . . . and it was.

Only their hairdressers know for sure.

Olympic Day

Olympic Day, as always, gave each class at Indian Hill a chance to demonstrate their skill and ingenuity in such areas as pie-eating, egg-tossing, sack-racing, running, jumping hurdles, and racing on three legs! When all of the points were finally totaled, the Senior class came out on top. However, in the great show of strength, the tug-of-war, it was the Freshman class that triumphed. As for the Senior-faculty baseball game which followed the field events, nobody will ever know who won.

Olympic Day comes to an end.

The Junior-Senior Prom, held in the Hall of Mirrors of the Netherland Hilton Hotel, was an unforgettable affair. The theme of the Prom, Voyage into Dawn, was illustrated in a most unusual way. The tables were decorated with frogs, toadstools, and rocks in colors of bright red, green, orange, and blue. Everyone danced to the music of the Chateaus, including a few daring faculty members.

At midnight Lisa Morgan was crowned the 1966 Prom Queen. Wayne Bladh and Bob Scallan presented her with a bouquet of red roses and a crown of red and white carnations. Terry Phelan, Lisa's escort, also received a crown and the title of Prom King. A church service and breakfast at Armstrong Chapel ended the evening.

Every spring the banquet season arrives. Banquets are held to honor those who have made an outstanding contribution to a group of which they are a member. Some of the banquets held were: the Spring Sports Banquet, G.A.A. Banquet, Band Banquet, Scholarship Banquet, and the Speech Banquet.

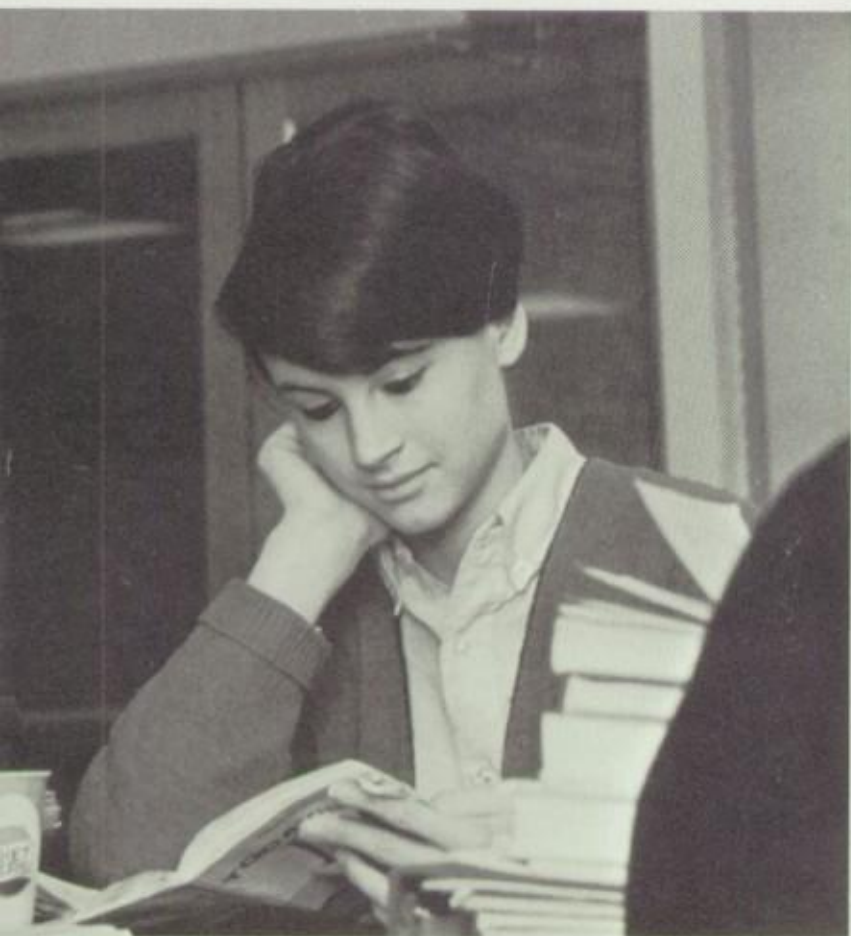

The class of 1966 graduated on June 10th at eight o'clock p.m. on the Indian Hill High School football field. The graduates marched solemnly to the tune of "Pomp and Circumstance" played by the band, while many friends, relatives and faculty members watched from the stands. The traditional red and white caps and gowns worn by the graduates, and the red roses carried by the girls made Commencement a very beautiful as well as solemn occasion. Speaker for the evening was Mr. Francis Dale, President of the "Cincinnati Enquirer." Following his address, the class of '66 received their diplomas, sang the Alma Mater for the last time, and recessed to form a receiving line, ending the ceremony.

SYBILL ALLEN

For the class of "66" this year was a combination of remembering the past, enjoying the present, and anticipating the future. The Seniors looked back on the past, not with regret, but with a sense of accomplishment. Events such as winning the E.H.L. Championship in football, the band's trip to the World's Fair, the first Prom, Pow Wow, Junior Class Play, the car wash, and the Ice-Skating Party will stand out in the minds of many Seniors for years to come. Classes such as Freshman algebra with Mr. Gallenstein, Sophomore biology with Mr. Wojcik, Junior Comp. and Lit. with Mrs. Steele, physics with Mr. Connel, and many others will never be forgotten. Some Seniors will never forget numerous detentions, Spanish National Honor Society trips, and band contests. Making the district semi-finals in basketball will remain in the memories of some hard-working basketball players and many fans that were unable to talk for a week afterwards. Finally, the Senior lounge, homecomings, Prom, and graduation will never be forgotten along with all the other good times at I.H. had by the class of "66."

Dr. Robert Walter

Mr. Carl Moran

Superintendent

A man who has a big job and a big smile is the superintendent of the Indian Hill Schools, Dr. Robert L. Walter. Working as executive officer with the school board, Dr. Walter helps to formulate school policy and set a high standard for Indian Hill Schools. By helping select the faculty, he provides us with outstanding teachers. Dr. Walter considers ways to improve our curriculum, and plans research and development concerning school facilities. In short, it is Dr. Walter's job to coordinate the different areas of the Indian Hill School System, and keep them running smoothly.

Mr. Carl Moran, Assistant Superintendent of Indian Hill Schools, has such duties as buying new school equipment and maintaining school facilities already available to us. In addition to this, he oversees transportation at Indian Hill Schools, determining bus routes, repairing busses, and deciding whether or not we should go to school on very snowy days. Mr. Moran's job is a very important one, and one can see from the well-run bus system and the many types of equipment that we have, that he executes it well.

School Board

The Indian Hill School Board, under the guidance of Mr. Booth Shepard, Mr. Robert V. Sternberg, Mr. Bruce I. Petrie, Mrs. P. Lynch, and Mr. David Bidwell, accomplishes a great deal each year. This

past year, work on stage three of the building program was undertaken, and the landscaping around the high school was begun. The School Board wisely determined and supervised the long-range policies of our school system this year, and in the coming years will continue to guide our community in the area of education.

P.T.A.

The P.T.A. is the primary organization in the school that helps in creating closer ties between school and home life. It also serves the purpose of sponsoring the Adult Education Classes, College Night, Boys' and Girls' State, the Scholarship Dinner, the book store in the commons building, and the American Field Service. Also some new programs were initiated this year. One program was a concert given in our gym by the Cincinnati Symphony Orchestra. Another was a community open house at the high school in April. Next year, the P.T.A. hopes to sponsor a play for the community's enjoyment.

Boosters

The Boosters Association, led this year by James R. Geyer, president; Dan Hall, vice-president; Ruth Vogt, treasurer; and Josephine McConnel, secretary, is very important to the Indian Hill School. In the beginning of each school year, the Boosters have their membership drive. They also raise money through their annual Spring Dance and Pow Wow

ads. The money that the Boosters raise finances such activities as: the American Field Service Program, Boys' and Girls' State, the band, and the athletic department. Without the help of the Boosters, Indian Hill High School would not have many of the extra privileges and modern facilities that we enjoy every year.

Principals

As principal of Indian Hill High School, Mr. Sailer is chairman of the Advisory Board, meeting with the chairmen of the different faculty departments, and planning the year's curriculum. As faculty advisor for the Student Council, Mr. Sailer gives students the opportunity to express their views directly to him, and in turn, gives them first-hand knowledge of faculty opinions on Student Council proposals. Having been a former teacher and athletic coach, Mr. Sailer is able to sympathize with teachers' and students' everyday problems. He feels that each student should develop his individual talents as well as possible. In addition to this, Mr. Sailer advocates giving the students as much responsibility as they are willing to accept. Mr. Sailer is our friend and guide during all of our high school years.

MR. JAMES SAILER

Mr. Selzer, our assistant principal, starts the year by planning the school calendar. During the year he keeps a record of attendance of both students and faculty. Mr. Selzer also deals with the few disciplinary problems at Indian Hill and is in charge of planning the school assemblies. Every day begins with the morning announcements which are also Mr. Selzer's responsibility. At the end of the year, Mr. Selzer continues his duties as director of the Indian Hill Summer School Program. His unfailing good-nature and general concern for the school has earned him the regard of everyone.

MR. CHARLES SELZER

Office

The Office Staff maintains the center of all school activities. Mrs. Bramkamp, the principals' secretary, mainly handles school correspondence, purchase orders, and general office duties. Mrs. Kern, as the secretary of the guidance department, handles office records and college transcripts, assists in admitting new students, and makes appointments for the counselors. Mrs. Capozio works with attendance and absentees and posts activity fund money, along with other office duties. Anyone attending Indian Hill High School knows that the office staff works hard and does a good job.

MRS. RITA BRAMKAMP

MRS. JEAN KERN

MRS. ELVA CAPOZIO

MRS. GEORGIANNA MARTIN, R.N.

Guidance

Extensive guidance services are available to Indian Hill students. Mrs. O'Leary, as college and senior counselor, schedules individual guidance conferences with juniors and seniors. Miss Prosser counsels juniors and seniors concerning their schedules and special problems, plans and assists with the testing program, and confers with parents concerning progress reports. Mr. Himelick consults with the freshmen and sophomores in planning their high school courses and aids with personal and academic problems. Mrs. Kern serves as secretary for the entire department. The guidance department gives the school invaluable services, and we are grateful to them.

The Junior Class had a very eventful year. Their first activity was the Football Homecoming. The Juniors started in August, and continued through the first few weeks of school to build one of the prettiest floats that Indian Hill has ever seen. As a result of their enthusiasm, the class won a tie in the school spirit contest. During basketball season, the class sold refreshments at the concession stand. Plans and committees for the Prom were started in December and continued until Prom time in May. To raise money for the Prom, the Junior Class put on the play, *Mrs. McThing*, which was a great success. One can see that the Juniors were active in meeting their responsibilities and maintaining their school loyalty throughout the 1965-66 school year.

This year's Sophomore Class was very active in serving its school. During the football season the class sponsored a pep assembly and a pep bus to one of the away games. For a Christmas project the class members sold wrapping paper and decca-glow to patrons of the school. The class has donated part of its treasury to worthy charities and to the A.F.S. fund. In the spring, the Sophomore Class held a car wash which added to the funds of the class treasury. The enthusiasm shown by the Class of 1968 is typical of the student body at Indian Hill High School.

During the past year, the Class of 1969 has responded wholeheartedly to the responsibilities and experiences that have faced it. The Freshmen have readily adapted to their new routine and environment. Typical of the Class of 1969 is the enthusiasm displayed in the Spirit Contest during football season. The Freshmen tied for first place and earned a day in the Senior Lounge and free admission to the Bat Dance. To supply its treasury, the Freshman Class sponsored a bake sale during half-time of the Basketball Homecoming. Mr. McKibben coached the Freshman Basketball Team. Because it solidly backs its leaders, the Class of 1969 has a promising future.

This year the varsity football team finished in third place in the EHL with a fine 5—2 league record and a 7—2—1 season record, losing only to league-leaders Sycamore and Mariemont. Mr. Clark accented his air-tight defense with an explosive offense, a combination which resulted in 222 points this season—an average of 22 points a game against twelve points for the opponent.

The Braves opened the 1965 season with an easy 20—6 win over visiting Hamilton Fairfield. The game was marked by an alert defense, with the scoring shared by Senft, Tarkington, Vogt, and Turner.

In a real cliff-hanger, the Braves tied favored Aiken 20—20 on a last minute 40-yard pass from Tarkington to Turner. Although they started slowly, the Braves came back in the second half for an impressive finish with Terry Turner scoring three touchdowns.

For their first league contest, the Braves toppled favored Loveland 18—6, in an important, defense-minded game. The scoring was led by Vogt and Senft, with a key defensive safety by Charlie Schmidt.

The Braves bowed to Mariemont 26—8 in their first and most disappointing loss of the season. After the initial drive, the Braves could never seem to get started

offensively, while the Indian Hill defense could not control the explosive Warrior running back. The lone Brave tally was on a 47-yard pass play from Tarkington to Turner.

Returning to their winning ways in tremendous fashion, the Braves trounced New Richmond 42—0 for the second league win. Trudging through the mud for tallies were Tim Senft, Dave Hall, Russ Hall, and Vernon Tiedge.

In a hard fought battle, the Braves finally triumphed over a scrappy Dear Park squad 12—8. Dave Hall and Jim Tarkington once again led the scoring.

In another fine defensive display, the Braves outclassed Madeira 12—0 in an afternoon contest. Dave Hall did all the scoring with two runs in the second quarter.

After a slow start, the Braves came back to win their fourth victory in a row by defeating Milford 22—6. Tarkington, Hall and Senft made the three Indian Hill tallies.

League champions Sycamore proved their prowess with a powerful offense that downed the Braves 42—12 in the last league game of the season. Forbes and Turner made the only tallies for Indian Hill.

Ending the season on a winning note, the Braves smothered Greenfield-McClain 44—6. Turner led the overpowering offensive attack with thirty points.

Mr. Kinney, in only his second year as coach of the varsity Braves, guided his team to a triumphant season climaxed by an upset of top-seeded St. Xavier in the quarter-finals of the district tournament. Improving greatly during the latter half of the year, the Braves finished with a 15—7 season and clinched third place in the league with a 10—4 league record.

Again emphasizing defense, the Braves finished second only to district champions Elder in total defense in Cincinnati. This year the Braves relied not as much on stars as on fine team-work. The team was paced by seniors Dave Wasserman, Lou Fiore, Steve Forbes, and Bill Butler, along with juniors Donny Williams, Warren McConnell, Frank Hosea, and Steve Smith. Wasserman also received all-EHL honors, while Fiore and Williams were awarded with honorable mentions in the league.

The cheerleaders personified the goals of enthusiasm and good sportsmanship held by all the students at I.H. this year. The pep and enthusiasm they generated at the bonfire in September continued steadily through the last basketball tournament game. Chosen for their ability, appearance, and attitude, they represented Indian Hill well and faithfully at all our football and basketball games. The cheerleaders worked hard behind the scenes too, making posters to generate pep and practicing hard after school. Thus, these girls deserve the recognition given to them on this page for their dedication to the promotion of school spirit at Indian Hill High School.

In only their second year as an IH varsity sport, the Underwater Braves had a highly successful season, climaxed by five swimmers going to the state championship meet. Finishing fourth in the Cincinnati district swim meet, the Braves have already proven themselves to be one of the most formidable teams in the area. Among the outstanding members of the squad were Skip Bullard and Bob Sinshiemer.

The newest sport at IH is the wrestling team, initiated this year and coached by Mr. Loebker. The Braves completed an admirable season with a record of six wins and five losses. The grapplers had two

victories each over both Sycamore and Anderson, as well as wins over Glen Este and New Richmond. In the district tournament, too, the matmen made a fine showing with nine wins and nine losses in the individual matches. The best individual record on the team was held by junior Geoff Strauss with thirteen wins and one loss, that loss occurring in the finals of the district tournament. Seniors Wayne Tiedge and Bob Murphy and juniors Lonnie Blakeley and Gary Wald also put forth efforts which helped make the wrestlers' first year an outstanding one.

Golf

The golf team, coached by Mr. Kincaid, had another excellent year on the links, in spite of being plagued by injuries and bad luck. Finally losing only to Mariemont in a tight EHL race, the Braves also lost the district tournament to Mariemont and Purcell by only one stroke, after a freak two-stroke penalty. Paced by seniors Bob Montgomery and Tom Reavis who were among the best golfers in the city, the team was rounded out by Phil Cottrell, Scott Hamilton, and Jack Healy.

KNEELING: G. Strauss, C. Pollak, G. Wald, L. Fiore. *STANDING:* Coach Mahan, D. Bosken, D. Seitz, J. Holmes, J. Ambrogi, K. Gruenwald, G. Biggs.

Under new coach Mr. Mahan, the I.H. tennis team handily won the EHL championship for the third year in a row with a 13 + record. The Braves were undefeated in league play; and in the EHL tournament, Fiore defeated Bosken for the singles championship while Gruenwald and Seitz played in the doubles finals. In the district tournament, Bosken and Fiore were runners-up in the doubles, thus qualifying them for the state tournament. At the state, they were defeated in the second round by the top-seeded team in the state.

The team was paced by veteran Lou Fiore playing first singles, along with Dave Bosken and Gary Wald playing second and third singles. The first doubles team was made up of Kird Gruenwald and Doug Seitz, with Geoff Strauss and Glenn Biggs playing second doubles.

The track team, under new coach Mr. McKibben, placed fourth in the EHL in a season marked by a number of new school records. The Braves were repeatedly superb on the track but again were plagued by the weakness in the field events. Among the more impressive victories by the track men were wins in duel meets over Moeller, Sycamore, and league champions Milford. Tim Griffin excelled for the Braves setting new school records in the mile and half-mile, while Steve Reif set school records in both the low and high hurdles. School records were also made in the two-mile by Harold Dreibelbis, in the long jump by Terry Turner, and in the discus by Roger Pryor. Other fine performances were turned in by seniors Wayne Tiedge and Pete Smith, and juniors Dave Hall, Warren McConnell, and Don Williams.

Baseball 1966

In their best performance in many years the Braves won the EHL championship with a 6—1 league record and an 8—3 season total. Under the veteran coaching of Mr. Robert Martin, the team was led by the powerful pitching of Gary Stowell, who won seven games and lost only one. The offensive side of the Braves was led by slugging Seniors Jim Tarkington and Gary Stowell and Juniors Dave Mock and Charlie Schmidt.

Hockey

The Junior Varsity Hockey Team, coached by Miss Shelton, had a very impressive season this year. With Pam Ventress as their captain, they won every game, playing Mariemont, Sacred Heart, Princeton, Wyoming, Sycamore, and Madeira.

The Varsity almost equalled the J.V. in wins which is a very unusual occurrence. They ended up the season with six wins and one loss to Tallewanda which is not in the league. Captained by Bonnie Schmidt and Anne Marquess, the team had the most successful year ever.

The girls' Varsity Basketball team, coached by Miss Shelton, won four out of seven games. The two team captains were Seniors Ann Mossbarger, co-captain, and Donna Caldwell, captain. Donna Caldwell was the high scorer of the year with a total of thirty-one points.

The Junior Varsity girls' basketball team, under the leadership of Miss Shelton, had a very prosperous year. They won all the games in their league. The J.V. captain was Laurie Riecks, and co-captain was Cindy Stowell. Cindy Stowell was high scorer with sixty-one points.

KNEELING: G. Carstarphen, D. Tuke, E. Bates, D. Bridgeland, C. Stowell. *STANDING*: L. Pettit, K. Dugle, N. DeBra, P. Ventress, B. Isaacs, Coach Miss Shelton.

Tennis

One of the most competitive individual sports is tennis. The girls' tennis team has seven actual positions: three singles and two doubles teams. Members compete among themselves for a position. A "ladder" system is used in which a member may challenge a girl one or two positions ahead of her. This year's team coached by Miss Shelton, had matches with only Bellevue, Hillsdale, and Mariemont because of weather cancelling two other matches. Barbara Isaacs, first singles, and Gale Carstarphen, on the first doubles team, were co-captains. At the G.A.A. Banquet, Barbara Isaacs became the first girl to receive a trophy for four years on the team.

Gale Carstarphen, Barb Isaacs, and Linda Pettit were Senior members of this year's tennis team.

Girl's Track and Golf

A. Dorman, L. Hook, D. Ball, A. Mossbarger, C. Boyle, S. Montgomery, C. Clark.

This year's girls' track team was a young team having mostly freshmen and sophomores. The team competed against Sycamore, Princeton, Greenhills, Finneytown, Harrison and Mt. Healthy in the Princeton Invitational. For the third year in a row, the I.H. girls' track team finished second to Princeton; the score was 53—47. The team has established itself at Indian Hill as a great one.

Although there was only one golf match this year, the girls' golf team displayed their golfing skills by beating Middletown 9 to 4 at Lunken. Their able coach was Miss Shelton this year. The girls participating were: Ann Mossbarger, Pam Burdsall, Carol Clark, Cynthia Boyle, Donna Ball, Linda Hook, Adrian Dorman, and Sue Montgomery.

G.A.A.

The Girl's Athletic Association, advised by Miss Shelton, sponsored many successful activities this year. Their annual charity projects included an Easter Egg Hunt for a boy's orphanage and a Christmas Party for some children at the Emanuel Center. The G.A.A. Christmas Dance with the theme "Thank Heavens for Little Girls" was also a great success. The year ended with the annual Mother and Daughter Banquet. The cafeteria was decorated gaily with clowns and posters to look like a circus. In the middle of the floor was a large ring in which various modern dance groups performed after the awards had been distributed.

Band

The Drum Major, Mike Bevis and the Majorettes, Sandy Nethercott, Laurie Riecks, Jane Geyer (Captain), Pam Besuden, and Ann Fledderman.

The band with nearly 100 members under the direction of Mr. R. Earl Snapp is one of the largest organizations in the school. Each year the band seems to improve its excellent reputation.

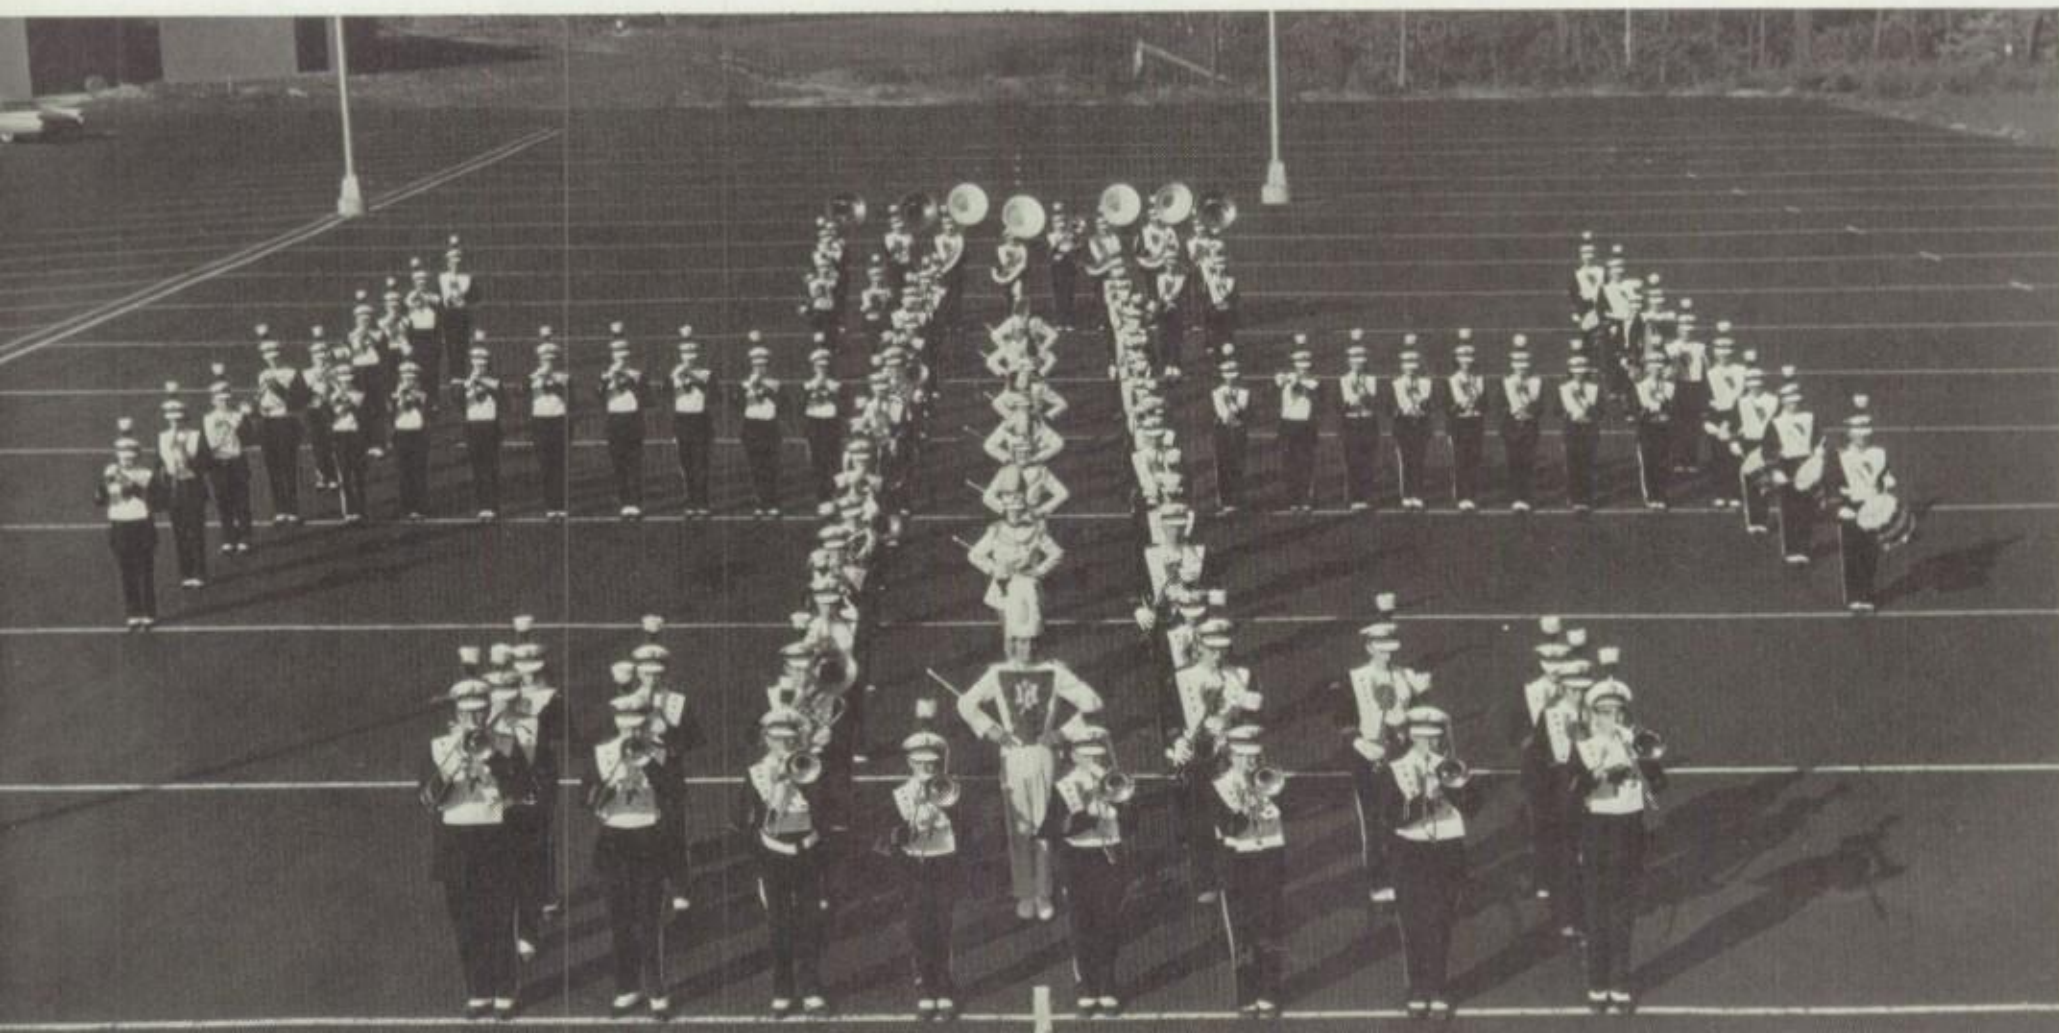

The band's work began in August with marching practice and preparation for the coming football season. The themes for the half-time shows illustrated each department in the school and honored the teachers with songs, corsages, and boutonnieres.

The majorettes held practices all through the summer to prepare for the marching season. They were featured many times in twirling, dancing, and marching routines and added that extra sparkle to the marching band. The drum major, Mike Bevis, also did an outstanding job.

At the end of the marching season, the band took a trip to Indiana University to participate in the Indiana University Band Day. It was an experience few in the band will forget!

The winter concert season began with the annual candy sales and a band dance. Because the band was so large, it divided into two bands: the Symphonic Band and the Concert Band. After the mid-winter concert, the Symphonic Band entered the District Band Contest and received a I (superior) rating. Just before Pow Wow, the Symphonic Band went on to the State Band Contest at Columbus and received a II (excellent) rating. Many individual members of the band participated in the District and State Solo and Ensemble Contests. Among the most outstanding of these groups were the trumpet trio which received a I at the state contest, and the brass choir which also received a I at the state contest.

The band finished up a very outstanding year with a family concert and a band banquet. They delivered traditionally fine music for graduation. Members of the Indian Hill High School band can look back on this year with a real sense of pride and accomplishment.

Orchestra

Symphonic Band

Concert Band

The Trumpet Trio, Dave Short, Karol VanHouten and Chuck Johnson, received a number one rating in the State contests.

This year's band officers were Tim Feige President, Karol VanHouten Vice-President, Chris Lohr Secretary, and Chuck Johnson Treasurer.

Choir

The Indian Hill High School Choir under the direction of Mr. Benjamin F. Cox had a very successful year. They began by singing selections from *The Sound of Music* in a concert for the student body. In December, the choir presented its annual Christmas Concert complete with Santa Claus and his reindeer!

During January and February the choir members worked very hard on their numbers for the District Choir Contest held at Princeton High School. This year the choir entered in the A-1 division, which provides the stiffest competition. They represented Indian Hill well with a II (excellent) rating. Many individuals from the choir entered the District and State Solo and Ensemble Contests. The Boy's Ensemble and the Mixed Ensemble both received a II (excellent) rating at the state contest.

After the contests were over, the choir presented a Spring Concert with the theme "A Mountain of Music." Such songs as "Shenendoah," "I'm Gonna Build a Mountain," and "Elijah Rock" were presented. Don Posey sang "Oh What a Beautiful Morning" from the play *Oklahoma*, and Kathy Williams sang "Climb Every Mountain" from *The Sound of Music*. Jane Geyer and Nancy Threadgill were accompanists for the choir this year.

The choir ended its successful year with Baccalaureate. The great performances of the choir this year added to the fine reputation that the Indian Hill Choir has established for itself.

Glee Club

Glee Club Officers were Donna Caldwell, Sally Starr, Lois Wagner, and Sue Montgomery.

The Girl's Glee Club directed by Mr. Cox had a very outstanding year. They began in the fall by singing in an assembly for the student body. At Christmas time, the girls participated in the Christmas Concert with the Choir. The lovely blend of the group made the Christmas carols that they sang especially beautiful.

During the winter months, the Glee Club held practices after school every Monday with the Choir girls in order to prepare for the District Choir and Glee Club Contest. Their practices proved very rewarding, since the Girls's Glee Club was the only

glee club in Cincinnati to receive a I (superior) rating in the A-1 division at the contest.

The Girl's Glee Club went on to the State Contest in Columbus and received a II (excellent) rating. They also enjoyed shopping in downtown Columbus and eating dinner at Mills Restaurant across from the capitol building.

Finally, the girls ended the year by singing at the Spring Concert. The Girl's Glee Club proved to be one of the most outstanding groups at Indian Hill High School this year.

MESSAGE FROM THE STAFF

This year's *LEGEND* is a departure from standard yearbook design. The dominant section of the book is the school life section, a pictorial record of the highlights of 1966 at Indian Hill High School. Our staff felt that this design would provide a more vivid, lasting impression of events than the standard yearbook layout.

This new design however, presented many new layout problems which could not have been met without the guidance of Mr. E. C. Denton our adviser, Mr. Carl Vorpe of the American Yearbook Company, and Mr. Pat McKenrick and his staff. Bruce Hock, our Photography Editor, also solved many production problems in providing us with pictures overnight.

We the editors found our biggest problem to be organization. To start the year off right, Kathy Ortner, our Layout Editor, lost the key to the *LEGEND* office. If it hadn't been for Miss Ong, the janitors, and the office staff we would still be on the outside looking in.

Once in, the staff found working conditions trying. The "office" provided little space for the "Ort's" ruler, Seigman's yellow pencil, Gordon's wheel, and all of Neal VonHedeman's football copy. When Pam Burdsall, Editor-in-Chief, cleaned up the office, nothing could be found—Ask Kathy Ortner about that. Ask Jane Geyer, our Copy Editor, about last minute copy assignments—she will be very happy to go into great detail about them. Despite these little problems, we of this year's *LEGEND* staff managed to create an original yearbook, a thousand laughs, and new and lasting friendships.

Farewell to Dr. Walter

The *Legend* staff wishes to say farewell to Dr. Robert L. Walter, Superintendent of Indian Hill Schools from 1960 to 1966. In these years, he has led us into a new high school building; and through his efforts, the Indian Hill Schools have a well-rounded faculty. Because of his desire to offer us the best education possible, we enjoy many of the new teaching methods and an up-to-date curriculum.

However, besides being a capable administrator, Dr. Walter has been a friend of the community. He has served as a helper and friend to many individual students. He has listened to the complaints and problems of many parents and teachers and given them wise counsel. He has served as an excellent Sunday School teacher at Armstrong Chapel. Best of all, he has always had a smile for everyone.

The students of Indian Hill School will miss Dr. Walter for his guidance, his leadership, his sincerity of purpose, and his friendly attitude towards everyone with whom he has come in contact. We can now only begin to comprehend the loss of his leadership next fall. We wish the best for his future, as he has made possible the best future for us.
